Read—the following paper :—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 16th January 1885, No. 11 E.W.

I have the honor to forward for sanction a plan and estimate, amounting to Rs. 2,540, for purchasing the Local Fund school building at Taliparamba, in the Malabar district, and converting it into a sub-registrar's office.

1 Report.

2. An estimate of Rs. 2,540, for constructing a sub-registrar's office at that station on the standard plan, was sanctioned in G.O., No. 3331 W., of 22nd November 1883; but before the work could be put in hand, the Inspector-General of Registration suggested the purchase of the Local Fund school and its improvement to render it suitable for a sub-registrar's office. That building, on inspection, was found to be of good materials and workmanship, and the cost of its purchase and improvement does not exceed the amount already sanctioned.

3. The divisional officer has, therefore, submitted the estimate and plan herewith enclosed, and requests the transfer of the grant of Rs. 2,450, which was sanctioned for the Mannarghat sub-registrar's office, in item No. 116 of the Provincial budget of 1884-85, to enable him to purchase the Local Fund school and carry out the improvements during the current year.

4. The Local Fund Board have agreed to the sale of the school-house, and the Inspector-General of Registration has approved of the proposed transfer of funds.

Sir,

Enclosure - 1
1 Estimate -

I have the honor to submit for early sanction and allotment of funds a supplemental estimate of Rs 500 for purchasing the Local Fund School building at Taliparamba and converting it into a Sub Registry Office.

2. When the original estimate of Rs 2540 sanctioned in G.O. No 509 W. dated 6th March 1885 was framed, it was not foreseen that any claim to compensation for the site would arise as the School house had been in possession of the Local Fund Board for several years and it was presumed that the Board had a good title to the whole property including the site. It has however since been

[illegible]

been found that the site was given for a school house on condition that it should revert to the owner on the abolition of the School and that the owner is willing to convey the land to Government for a consideration of Rs 550. The Supplemental estimate now submitted is to meet this claim.
