17th October 1885.

To The Assistant Superintendent
Madras Police
Erode.

Sir,

I beg to attach a docket I received from the Executive Engineer D. P. W. Coimbatore in which I am informed that the rent of the bungalow I occupy is raised to Rs 17-9-5 per mensem from 24th December 1884. and that after deducting the amount I have already I shall have to pay the sum of Rs 127-13-7. I occupied the bungalow on the understanding that I paid rent on a certain percentage of my salary; and paid in to the Treasury Monthly here the sum of Rs 3-14-5. of course now that I have been informed that the rent of the bungalow is raised to Rs 17-9-5. I shall pay this amount from the receipt of the docket. but as I am not in a position to pay Rs 17-9-5 a month for the bungalow, I shall have to quit the place as soon as I get the building next door put in repairs.

When I first occupied this bungalow it was in a fearfully dirty state and

it now is.

I beg to remain

I have the honor herewith to forward an appeal from Insp. Mr. Franks regarding the rent of the house he occupies in College which has been raised from Rs 3-14-5 per month a per centage on his pay to Rs 17-9-5 a month a per centage on the cost of the building, and the arrears he has now been called on to pay from date of occupation amounting to Rupees 210-13- it will be very hard indeed if an Insp. in

in his position not only has to pay this but the increased rate of rent. Naturally he wished to vacate the house for one which he could get at a rent more suitable to his means, but as the house has been built expressly for the Inspector of Police at Collegal I suppose he is bound to occupy it.

In their Order No 209 dated 29th January 1875 Government decided that Inspectors should only pay rent at a percentage on their pay and on this understanding Inspector Mr. Franko occupied the building. This Inspector is only 3rd class and acting 2nd class and cannot afford to pay rent at the higher rate now demanded, his pay is liable to fluctuation and
may

may be only 100 Rs a month. An Inspector of his position with a wife and family can ill afford to pay a percentage on the cost of a building and the fair plan is that of a percentage on his pay. Calling on him to pay arrears of rent as well is very hard indeed. Delay has occurred in this being forwarded earlier as the Asst. Superintendent was also appealing on the same order about his house rent; but nothing having been heard as to the result of his appeal up to the present time, and as the Executive Engineer was again called for rent I forward the case for the

* N^o 198 of 26 March '86

I have the honor to forward a letter from the Superintendent of Police, Coimbatore, giving cover to an appeal from Inspector Franks regarding the rent of the public quarters he occupies at Collegaol. He has been hitherto paying rent at 3 per cent of his salary in accordance with G.O. N^o 209 dated 29 January 1875, but now rent at 7½ per cent on the cost of the building as fixed in G.O. N^o 2501 dated 20 Novr 1884. P.D. is demanded from him by the Executive Engineer from the date of his first occupation of the building viz 24 Decr 1884. I think it is extremely hard that an Inspector of Mr Franks's position

(3rd class with a salary of Rs 100 attached to it) should be called upon to pay a rent of Rs 17-9-5 per mensem which is about one sixth of his pay.

2. The building was specially built for the College Inspector and Mr. Franks occupied

on the understanding that he was to pay only 3 per cent of his salary. The Inspector now naturally enough wishes to vacate it for another which he can secure at a rent more suitable to his means. If he is allowed to vacate it, it will be difficult, I think, to find another occupant.

3. Under these circumstances, I recommend that the rent in this instance be fixed in accordance with terms of para 3 of G.O. No 2323, M. Dated 7th October, 1885 which calculated on Rs 100, the pay of the permanent appointment held by Mr. Franks will be Rs 13-5-4 and is less than the rent now claimed by only Rs 4-4-1 and is more than four times the amount he has hitherto been paying.

4. I also request that he may be exempted from the payment of the arrears as the Inspector cannot afford to meet the

the sudden demand and I fear, if pressed to do so, it will throw him into debt and so render him inefficient as a Police officer.

Sir,

With adavance
to my letter N^o 2607 W
of 24th October 1884, and
to para 3 of your
N^o 1426 G. of 18th September
1885, I am directed
to request the sanction
of the Govt. of India
to permit ^{not exceeding} 10 per cent
of salary being levied
from the 3rd class Inspector
of Police at Kollegal
in the Coimbatore District,
for the Government
building occupied by him.

2. At 7½ per cent
on

on the Capital cost,
the rent of the building
would be Rs 17. 9. 5
per mensem, a rate
which is considered dis-
proportionate to the
Inspector's salary of Rs 100
per mensem, and which
he has declared his
inability to pay. The
Inspector General of Police
strongly recommends
a reduced rate in this
case, and I am to
submit the matter for
the favorable consideration
of the Govt of India.
