READ—the following letter from the Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 7th May 1886, No. 1738 A:—

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, plan, &c., below-mentioned, which have been approved by the Commander-in-Chief. The plan and estimate have been countersigned:—

Supplemental estimate, amounting to Rs. 1,170, with plan, report and specification, for converting the old cells in the Cannanore fort into a double magazine and treasure-room.

2. This estimate is supplemental to that sanctioned by Government in G.O., dated 24th September 1884, No. 2368 W., Public Works.

3. The probable removal from Cannanore before long of the head quarters of the British infantry regiment makes the necessity for a secure magazine in the fort all the greater, and as the building in its present condition cannot be taken over, owing to the want of shelves and racks for the storage of ammunition, which were not originally provided for, and also to deficient ventilation, His Excellency the Commander-in-Chief hopes that funds will be found for the work this year out of the minor works grant.

No. 2824, Military.

Approved, and transferred to the Public Works Department for disposal.
