Read—the following letter from H. G. TURNER, Esq., Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated 15th February 1886, No. 185:—

I have the honor to forward, herewith, a plan and an estimate, amounting to Rs. 1,040, sent to me by the Superintending Engineer of the I Circle, for constructing an additional ward for prisoners to the deputy tahsildar's cutcherry at Bimlipatam.

2. The treasury and record room of the taluk office not being spacious enough to hold the cash-chests, stamp-almirahs, and boxes of unclaimed property, as well as the records, it is used for the latter purpose and the accommodation of the shroff alone, and one of the two male wards of the sub-jail is used for the treasury. By this arrangement only four rooms are left for all classes of prisoners, viz., one male ward, one female ward, one police lock-up and one European lock-up. Much inconvenience is at times felt in keeping the different classes of prisoners separately; and hence the construction of an additional room is necessary for European lock-up so that the present European lock-up may be used as a male ward.

3. I have therefore the honor to request you will be so good as to obtain sanction for its construction at the cost indicated.

4. The work, if sanctioned, will have to be executed by the Public Works Department.
