

OFFICE OF THE SUPERINTENDING ENGINEER,

6TH CIRCLE.

Kodaikanal 13: May 1886.

No. 22272

27/5.

From

The Superintending Engineer,

6th Circle.

To

The Chief Engineer

Public Works Department.

Sir,

With reference to G.O. No. 1161 W of 8th Inst ant, I have the honor to request that pending a decision by the Government of India on the question of camp equipage hired by the month, the Examiner may be directed to pass charges for such equipage.

2. Unless the wording of the Examiner's disallowance is altogether misleading, that officer's objection to pass these charges is based solely upon G.O. No. 2519 W of 24: Oct obs 1885, but it now appears that the

Government have ~~not~~ altered the
view taken in that order and
adopted that held by the officers
of this Department as regards
conveyance hired by the month.

In the absence of a definite
and final adverse decision, Sec-
retary Engineers will continue to
submit, and Superintending
Engineers to pass, claims for
these charges, and if the Engineer
is permitted to disallow them, the
accumulation of "disallowance
statements", "replies" and "rejoinders"
which has already become a very
serious nuisance, will become almost
intolerable.

3. There seems no reason why
the unanimous opinion of the con-
trolling officers of the Department,
which is now accepted by the Govern-

ment of Madras should not
be acted upon until it is de-
cided by the Government of
India to be incorrect.

I have the honor to be
