No. 57W

FROM

THE SUPERINTENDENT,

MADRAS HARBOUR WORKS,

To The Honble Ed. J. H. M. Shaw-Stewart. R.E.
Secretary to Government
Public Works Department
MADRAS, 11th March 1886.

Sir,

I regret to report the death from tetanus
on the 6th March of a coolie, Mooneswamy, em-
ployed on these works.

2. On February 12th while working at the
end of North Pier at setting blocks he got his
foot struck or rather squeezed by the "traverse"
on which blocks are brought under the Titan
crane. Mr. Lowe, the Head Foreman, and
others tried all in their power to stop the
movement of the apparatus before it reached
the man's foot, but without success. I sent
him to the Moongar Choultry and did not
myself think from the appearance of the
leg that any serious injury had occurred.

3. He was doing well in hospital for
some time but on the 6th instant he suc-
cumbed to tetanus. A coroner's jury found
a verdict accordingly. He had been for
many years on the works, receiving 11 annas
a

a day, and his family have applied to me
for relief.

So. I ask sanction to a gift of Rs 20
for the family the sum to be debited to the
Contingencies of the works provided ^{for in} ~~for~~ the
Estimate.

I have the honour to be,

Sir,

Your most Obedt Servant,

J. N. Morrowson.
Superintendent.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Superintendent, Madras Harbour Works, dated 11th March 1886, No. 57.

From D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Under Secretary to Government, Pension Department (through the Secretary to Government, Public Works Department), dated Madras, 10th April 1886, No. 14 X.

I have the honor to forward herewith for sanction the papers for extraordinary gratuity submitted by the Superintendent, Madras Harbour Works, on behalf of the mother of the deceased Isor Moonesawmy, lately gang cooly on the said works.

2. In paragraphs 2 and 3 of his letter to the Secretary to Government, Public Works Department, No. 57 W., dated the 11th March 1886, copy attached, the Superintendent explains fully how the said I. Moonesawmy met with his death.

3. Should Government feel disposed to take a favorable view of the case and consider that the death was met in the performance of duty attended with extraordinary bodily risk, there appears no objection to the extraordinary gratuity of Rs. 20, recommended by the Superintendent, being sanctioned to the mother of the deceased, under the ruling contained in section 162, Civil Pension Code.
