in the estimate for Rs. 22440 for erecting a wire
fencing round the inner margin of the Lake
submitted by you with this Office N^o 220 of 23rd April
1886.

4. I enclose a copy of collector's reply N^o

subject, and request you will be so good as to
take early steps to secure sanction of Govern-
ment to the estimate in question, and to inform
me whether the compensation Bill for Rs 1100/may
in the meanwhile be returned countersigned to

estimate &c.

Ootacamund

Sir,

In reply to your letter N^o 534 dated 6th
instant, I have the honor to request that you will
address Government for the early sanction of the
necessary funds for the acquisition of the lands &c.
along the margin of the Lake, as estimate for
which has already been furnished by you, at your
request, in my letter N^o 545 dated 15th Ultimo.

2. In retransmitting the bill for Rs 1100/-
due to the Hon'ble Col. Shaw Stewart, I beg to
request that you will have the columns filled in on
receipt of sanction and send it back with
countersignatures. It is impracticable to
give effect to your suggestions that a single bill
be furnished by you for all cases, because
the inquiries are likely to be protracted to an
indefinite

indefinite period, probably entailing a reference
to Civil Court.
