To

The

Chief Engineer
P. W. D.

Sir,

With reference to my letter
No. 19787 of 30th March 1886, I have
the honor to request that, pending
consideration of the general
question raised therein, the Secy.
may be directed to pass
charges for actual expenses under
rule 4, Section 27 of the Civil
Travelling Allowance Code on the
same conditions as they are now
passed under Rule 1 of the same
Section.

I must confess that I am

entirely unable to see why any
orders should be required on
this point. Rule 4 is obviously
only a particular case of Rule 1
and is necessarily covered by it,
but the Examiner persists in
refusing to pass claims falling
under Rule 4, in the absence of
special orders of Government
authorizing him to do so.

I have the honor to be

Sir

Your Office Note No. 138 D.
dated 15th May 1886.

The rules in the Civil
Travelling Allowance Code Section
27 rules 3 & 4 are ^{the} same as those
previously in force in P.W. Code
para 615 and note thereto.
Claims under the rules have been
very exceptional, and it seems
unnecessary to extend the provi-
sions of rule 1 as proposed. It
is however within the power of
Government to do so, if suffi-
cient grounds exist, and subject
to the reservations implied in
rule 4 of the section.
