GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following papers :—

From the Military Department, dated 5th November 1885, No. 6191.

From Colonel W. H. BURTON, R.E., Officiating Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 12th November 1885, No. 3439.

With reference to your memorandum, No. 2529 D., dated 7th instant, I have the honor to inform you that the detailed estimate for the alterations and improvements required by the Commissary-General in the beer godown at Commissary-General's office at Madras has not yet been prepared, but the approximate cost will be under Rs. 4,000. I would propose that the following reappropriation of funds under Imperial—Military may be sanctioned :—

Imperial—Military.

Original Works.

From	RS.	*To*	RS.
Presidency Division— Public Buildings— Native Cavalry regiment at Bangalore from Rs. 5,760, as per G.O., No. 1877 W., dated 14th August 1885	4,000	Presidency Division— Alterations to the Commissariat beer godown at Madras	4,000

The work to the Native Cavalry buildings cannot be conveniently commenced yet as the recent change in strength of the Madras Cavalry regiments has necessitated a revision of the sanctioned plan and estimate, and the small amount of the grant left renders it impossible to effect any substantial progress on the work during this year. I would therefore recommend that the urgent work required by the Commissary-General be first commenced.

No. 1852 C.

Referred to the Military Department with advertence to endorsement in that department, No. 6191, dated 5th November 1885, for favor of very early information whether the Provincial Commander-in-Chief has any objection to the transfer of funds proposed by the Superintending Engineer, V Circle, to enable him to carry out urgently-required repairs to the Commissariat godown, Madras.

Chepâk,
14th November 1885.

(Signed) J. SHAW-STEWART, Colonel, R.E.,
Secretary to Government, P.W.D.

From Colonel H. P. HAWKES, Officiating Commissary-General, to the Secretary to Government, Military Department, dated Madras, 11th November 1885, No. 5010.

In continuation of letters as per margin, I have the honor to annex copy of letter No. 5605 of 7th instant from the Executive Commissariat officer, Madras, and beg again to urge the necessity of seating the new boiler at the Government bakery.

Letter No. 5994, dated 13th February 1885, published in Proceedings of Government, No. 1249, dated 10th March 1885.
Letter No. 4865, dated 5th November 1885.

2. The bakery is working incessantly to make bread material for Burmah Expeditionary Force, and any accident to the present boilers would entail very serious inconvenience to the troops in the field.
