It seems certain  
that the work  
was stopped  
Under J.O. No:

2533 W. 8 x. 9-86.

I remember  
a long (confd:  
I think) corres<sup>ce</sup>  
in Mily Dept  
about the retention  
of Poornamallee  
as a milly station.  
R.H. says the  
papers were not  
come to P.W.D.

The papers  
sent to refer  
to family quarters  
at Poornamallee. 11. v 86

W wishes to see  
the orders under  
which work on  
the Poornamallee  
double storied  
barracks was  
stopped. We  
cannot find them  
here, but they  
may be traceable  
at Madras.

R.H.

Please see papers put  
up. There is no order stop-  
ping the work on the double  
storied barracks but under  
J.O. No 2533 W 7/10/9/83 perhaps  
the J.E. did not proceed  
to the work.

To,  
S.E. V.

With advertence to  
your letter No 232 dated  
15<sup>th</sup> April 1886, please quote  
the orders under which  
work was stopped on the  
estimate of Rs 1,66,885,  
for double storied barracks  
at Poornamallee.

Please report also  
what portion of the estimate

was actually worked  
out.

G.O. No. 2533 W d/  
10<sup>th</sup> September 1883 refers  
to stoppage of work  
on the family quarters,  
but work on the barracks  
appears to have been  
stopped at an earlier  
date, if at all.
