Secretary to Government.

No. 86. *Report from Colonel C. CARTER, Controller of Military Accounts, to Lieutenant-Colonel A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 1st June 1886, O.-D.*

With advertence to Proceedings of Government, No. 3262, dated 31st May 1886, I have the honor to inform you that Lieutenant Ramsden will leave with his establishment for Upper Burma by the steamer of the 3rd current.

No. 87. *Telegram from the Secretary to the Government of Madras, Military Department, Ootacamund, to the Secretary to the Government of India, Military Department, Simla; dated 2nd June 1886, No. 3301.*

Your 123-F., 28th ultimo. Lieutenant Ramsden and establishment leave Madras for Upper Burma to-morrow, 3rd.

No. 88. *From Colonel O. R. NEWMARCH, Offg. Secretary to the Government of India, Military Department, to Lieut.-Colonel A. KENNEY-HERBERT, Secretary to the Government of Madras, Military Department; dated Simla, 28th May 1886, No. 125-F.*

Accounts—Burma.

I am directed to state, for the information of His Excellency the Governor in Council, that, on the representation of

* *Vide Military Department No. 124-F., dated the 28th May 1886, to Adjutant-General in India (copy annexed).*

the General Officer Commanding Upper Burma, the Government of India have sanctioned* the re-appointment of a Field Paymaster in Upper Burma for such time as his services may be required.

2. Lieutenant H. F. Ramsden, of the Military Accounts Department, has accordingly been selected for the appointment, and, under the orders of His Excellency the Governor in Council, he may, it is requested, be directed to proceed to Mandalay with as little delay as possible with such clerical establishment as may be considered necessary by the Controller of Military Accounts, Madras, who will, in direct communication with the Comptroller, Burma, make all the detailed arrangements necessary for the provision of funds for the payment of the troops, and for disbursements for supplies and carriage required by the Ordnance, Commissariat, and other departments. The instructions for the guidance of the Field Paymaster will be found in Clause 31, India Army Circulars of 1885.

3. All charges for the pay of regimental officers and troops will be disbursed in accordance with the above-mentioned instructions; but these charges, as well as those for the pay of staff and departmental officers, and of all establishments employed in Upper Burma, will be adjusted in accordance with the instructions in para. 3 of Military Department letter No. 27-F., dated the 19th April 1886.

4. In addition to any reports and accounts which he may, in the ordinary course of duty, send to the Controller of Military Accounts, Madras, the Field Paymaster will forward on the 1st of every month to the Accountant-General, Military Department, a brief report of his proceedings and transactions of the previous month, and an abstract of his receipts and expenditure under the heads of Pay, Commissariat, Ordnance, Clothing, Medical, Transport, Marine, and Miscellaneous.

From Colonel O. R. NEWMARCH, Officiating Secretary to the Government of India, Military Department, to the Adjutant-General in India; dated Simla, 28th May 1886, No. 124-F.

Accounts—Burma.

I am directed to acknowledge the receipt of your letter No. 1820-A. (Field Operations), dated the 5th May 1886, forwarding, for the consideration of Government, a copy of a telegram from the General Officer Commanding Upper Burma bringing to notice the difficulties experienced in the absence of a Field Paymaster.

2. In reply I am to state, for the information of His Excellency the Commander-in-Chief, that the Government of India, before directing the withdrawal of the late Field Paymaster with the Burma Expeditionary Force, inquired from Lieutenant-General Prendergast whether his services could be dispensed with, suggesting that the requirements of the posts would probably be sufficiently met by the establishment of treasure chests at Mandalay, Bhamo, and possibly at some post between Mandalay and Thayetmyo, till the civil treasuries were fully established. Lieutenant-General Sir H. N. D. Prendergast in reply stated that a Field Paymaster would not be necessary when a civil treasury was established at Mandalay, which would shortly be effected. Treasure chest officers were not appointed by the General Officer Commanding, but since then civil treasuries have also been opened at the marginally-noted stations in Upper Burma. Little or no difficulty should, therefore, have been experienced in obtaining sufficient funds to meet military expenditure.

3. In view, however, to the fact that a larger force than then anticipated is now in Upper Burma and that the period of its employment is uncertain, the Government of India, in deference to the wishes of the General Officer Commanding, are pleased to sanction the re-appointment of a Field Paymaster for Upper Burma.

4. I am to forward, for the Commander-in-Chief's information, a copy of the instructions marginally quoted, which have been issued by the Government of India in regard to the above appointment and for the adjustment of all charges connected with the occupation of Upper Burma; and to request that, under His Excellency's orders, they may be communicated to the General Officer Commanding Upper Burma for information and guidance.
