GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers:—

From G. W. FAWCETT, Esq., President, District Board, North Arcot, to the Acting Chief Secretary to Government, dated Chittur, 21st November 1885, No. 45.

I have the honor to submit herewith the consolidated budget estimate of the District Board of North Arcot for the year 1886-87, together with the prescribed statements prepared according to the instructions contained in G.O., dated 14th September last, No. 728 L.F.

2. The preparation of the budget was begun immediately on the receipt of these instructions, and the question was put before the district board at their meeting of the 2nd October last, whether it was, in their opinion, advisable now to prepare the budget for the district board only, leaving the taluk boards, when they come into existence hereafter, to prepare their own budgets, or to prepare budgets for the taluk boards as well. The Board were of opinion that to leave the preparation of the taluk board budgets to lie over till the constitution of the taluk boards would be a very unnecessary waste of time, and would, in all probability, prevent the taluk board budgets from being sanctioned in time to begin work, and decided, therefore, to prepare both the district and taluk board budgets at once. The taluk budgets have been prepared accordingly, and I trust Government will see no objection to the course adopted.

3. The budgets were approved at the meeting of the Board on the 2nd of this month. The taluk budgets put before that meeting were twelve in number, one for each revenue taluk, the taluks proposed in this office letter, No. 90, of the 1st October 1884; but they have now been reduced to four, in accordance with G.O., No. 930 L.F., Financial, of the 23rd ultimo.

4. Provision has been made in the district board budget for allotment to taluk boards, and in the taluk board budgets for allotment to unions. The union budgets have, of course, not yet been prepared.

5. A map of the district is enclosed, showing the roads and other Local Fund works completed, those in progress and those proposed for execution, and toll-gates, &c.; also the boundaries of the Local Fund taluks.

REVISED ESTIMATE FOR 1885-86.

6. *Opening Balances.*—The revised estimate for 1885-86 has been prepared in accordance with the instructions contained in rule 10. The year opened with a balance of Rs. 56,983 as follows:—

	RS.
Road fund	34,740
General fund	8,882
Endowment fund	13,361

7. *Receipts.*—The receipts of the year are now estimated at Rs. 3,19,722, which, with the opening balance of Rs. 56,983, raises the gross assets to Rs. 3,76,705, against the budget estimate of Rs. 3,55,450, an increase of Rs. 21,255 principally under—

(1) Opening balance of the year,
(2) Land-cess, and
(3) Contributions from Special Funds—Pound Fund.

The first of these is due to short expenditure on public works in the previous year; that under Land-cess is owing to the corresponding increase in the beriz, consequent upon the introduction of the new settlement rates; and that under Pound Fund is chiefly due to an increase in the number of pounds; these variations are explained in the remark column of statement No. 9.

8. *Expenditure.*—The budget grants of the year, exclusive of Road and General Fund reserves, amount to Rs. 3,37,060. This added to the subsequent allotments of Rs. 22,717 make the total grant Rs. 3,59,777, of which Rs. 3,56,409 are expected to be spent during the year as detailed below:—

		RS.
Grant	I	2,29,221
„	II	48,768
„	III	65,320
„	IV	13,100
	Total	3,56,409

The deficiency under the total grant is almost all under Miscellaneous Public Improvements, viz., Markets, the expenditure on which has been curtailed in order to wipe off the deficit under the Market endowment with which the year opened.

9. *Balance.*—The year closes with a balance of Rs. 20,296, of which Rs. 8,388 appertains to the Endowment Fund.

BUDGET ESTIMATE FOR 1886-87.

10. *Receipts.*—The closing balance of the current year is Rs. 20,290, as just stated. Rupees 3,070, the balance estimated to remain to credit of the Devastanam dispensary at Tirupati, have been deducted from this, as that institution will be made over to the new Tirupati municipality. The opening balance for 1886-87 will therefore be Rs. 17,220, of which the Endowment Fund balance is Rs. 5,320. This, added to Rs. 3,15,950, the receipts of the year, make the total assets Rs. 3,33,170, against Rs. 3,55,450, the budget estimate for the current year—a net decrease of Rs. 22,280, made up of increase under certain items amounting to Rs. 7,170, and decrease under others amounting to Rs. 29,450.

11. *Increase.*—The increase chiefly appears under four items, viz.—

(1) Land-cess,
(2) Tolls,
(3) Contribution on account of education, and
(4) Pound Fund.

The increases under Land-cess and Pound Fund have been already explained. The increase under Tolls is due to the tolls expected from the new municipalities of Tirupati and Gudiyátam. The increase of Rs. 620, on account of contribution, is due to the expected grants from Provincial funds to be earned by some of the Local Fund schools for which no provision was made in the current year's budget. There is a slight increase in interest on arrears of land-cess which does not require explanation. Rs. 50, entered under Medical contributions from municipalities, represents a new contribution by the Vellore municipality for vaccination supervision. The Rs. 60 entered under Choultry rent is the assessment of the lands of the endowed chattram at Arkónam. It was omitted from the current year's budget, as the matter is under dispute.

12. *Decrease.*—The items of decrease are as follows:—

(*a*) Decrease of Rs. 3,380 under school fees. The fees brought in by the middle schools at Arcot, Arni, Palmanér and Tirupati, taken over by the Board in October 1884, have been much less than was anticipated; the higher rates charged having resulted in a falling off in the attendance, as shown in the remark column of the revised estimate for 1885-86.

(*b*) Decrease of Rs. 3,650 under Contribution from private individuals, representing the Mahant's contribution to the Tirupati dispensary, which will in next official year belong to the Tirupati municipality.

(*c*) Decrease of Rs. 1,390 under Market rents, due to the transfer of the market at Gudiyátam to the new Gudiyátam municipality.

(*d*) The sum of Rs. 100, given as sundry receipts, represents the sale-proceeds of manure and other sweepings of cart-stands and towns. The decrease under the current year is due to the figure budgeted for this year having been too high.

13. The assets of the district have been divided between the district and taluk boards in the following manner:—

(*a*) The unexpended balance under Road and General funds, and the interest due on the Land-cess arrears to be collected, have been all credited to the district fund, as required by section 54 (1) of the Act;

(*b*) The balances to the credit of the Arcot Langerkhana and the Arcot yeomiah school, Endowment Fund balances, are credited to the Endowment Fund of the taluk to which they belong, viz., Vellore;

(*c*) The land-cess has been divided equally between the district board and the taluks; each taluk board getting half the land-cess collected in its own taluk, as provided by section 55 of the Act;

(*d*) All tolls have been credited to the district fund, for the reason that nearly all the roads on which the tolls will be levied, viz., the roads passing through municipalities, will be roads maintained by the district board.

(*e*) All other items, contributions, school fees, &c., are credited to the fund to which they belong, viz., the provincial contribution for normal schools to the district fund, and all others to the taluks that manage the institutions respectively; and

(*f*) Further allotments have been made from the district fund to supply the deficiency in each taluk.

14. The principle of the old Act, that two-thirds of the land-cess be devoted to roads, &c., has been nearly followed; but advantage has been taken of the greater freedom now allowed in the matter to depart from it where required.

15. The following shews the distribution of receipts and expenditure in detail:—

16. *Expenditure.*—The total expenditure for the year under all the four grants is Rs. 2,96,150, as follows :—

	RS.
Grant I	1,83,050
„ II	45,150
„ III	54,410
„ IV	13,540
Total ..	2,96,150

17. *Grant I—New Works.*—No provision has been made under this head either in the district or the taluk boards.

18. *Repairs—Communications.*—The outlay proposed for maintaining the roads specified in the statement No. 3-B is Rs. 1,30,310, against Rs. 1,53,750 of the current year. The roads have been divided between the district and the taluk boards in accordance with Rule 14, clause 1 ; that is, all through lines of communication have been retained under the control of the district board, and all others handed over to the taluk boards. It has not been found possible to provide for all existing roads. A few small roads have been struck out in order to keep the reserve and balance as nearly as possible in accordance with the requirements of the rules. It may be possible to make provision for some of them out of the reserve.

19. *Civil Buildings.*—Rs. 840 has been allotted for the repair of civil buildings—travellers' bungalows, hospital buildings and school-houses—as per particulars in statement No. 3-B.

20. *Miscellaneous Public Improvements.*—Under Miscellaneous Public Improvements, a sum of Rs. 6,500 has been allotted for the maintenance of avenues, and Rs. 4,500 for the improvement of markets—a total of Rs. 11,000, against Rs. 12,380 of the current year.

21. *Establishment.*—The cost of the engineering establishment, inclusive of the increase lately sanctioned by Government in their order, dated 1st May 1885, Financial department, No. 98 L.F., amounts to Rs. 33,660, or with Rs. 2,500, office contingencies, Rs. 36,160 ; 25·43 per cent. of Rs. 1,42,150, the outlay on works. If, however, two-thirds of the reserves and balances be sanctioned for works during the year, as no doubt it will be, the total outlay on works will be raised to Rs. 1,62,480, and the percentage reduced to 22·25.

22. *Tools and Plant.*—The sum of Rs. 1,430, provided for this purpose, is calculated at one per cent. on the total outlay on works, as per rule 19. The total cost of the establishment and tools and plant is distributed between the taluk and district boards in proportion to their outlay on works. The Rs. 2,060 entered under

Contribution to other District Boards, represents the contribution by the Ranipet taluk board to the Chingleput circle for the up-keep of the road from—

1. Kavarapet on the 25th mile of the Northern trunk road to Sathiaved.
2. The Kortalayár bridge on the 26th mile of the Northern trunk road towards Puttur railway station, *viâ* Nágalápuram.
3. Tada to Sathiaved.
4. Sathiaved, *viâ* Tiruvallúr and Poonamallee, to St. Thomas Mount.

23. *Contribution to Unions.*—The Rs. 1,250 entered under Contribution to Unions is made up as follows :—

Contribution by—			Rs.
Chittur taluk board	to Chittur union	.. ..	400
Vellore do.	to Arcot do.	.. ..	500
Ranipet do.	to Ranipet do.	.. ..	100
Arni do.	to Arni do.	.. ..	250

These are all major unions, having populations over 5,000, and will be entrusted with the repair of their village streets. The sums allotted to Chittur, Arcot and Arni are the sums usually spent in those towns. The Rs. 100 allotted to Ranipet is a new item.

24. *Total of Grant I.*—The following shows the total outlay proposed under Grant I :—

	Amount.	Percentage on the total assets.
	Rs.	
District board	85,440	54·63
Chittur taluk board	22,590	46·58
Vellore do. do.	23,700	41·65
Ranipet do. do.	34,760	54·85
Arni do. do.	16,530	46·99

25. *Grant II.*—The provision made under this grant is Rs. 45,150, against Rs. 48,160 in the current year. It is distributed as follows :—

	1886-87.	1885-86.
	Rs.	Rs.
Normal schools	4,570	4,060
Secondary do.	14,780	30,700
Elementary schools	13,240	
Results grants	11,000	12,000
Miscellaneous	1,560	1,400
Total ..	45,150	48,160

26. *Normal Schools.*—There are two schools of this kind—one at Arni and the other at Tirupati. The allotment exceeds the current year's provision by Rs. 510. The increase is due—

(1) to a sum of Rs. 350 provided for stipends in excess of the current year's allotment, as an increase is expected in the number of students, and
(2) a sum of Rs. 160 allotted for the entertainment of a gymnastic teacher and for the purchase of maps, books and furniture for the Tirupati school.

The normal schools have been charged to the district board, as directed in rule 14, clause (5).

27. *Secondary and Elementary Schools.*—The total allotment is Rs. 28,020, against Rs. 30,700—a decrease of Rs. 2,680, due to the decrease of six in the number of schools, viz., 70 against 76 in the current year. The decrease in the number of schools is due—

(1) to the transfer of the two schools at Gudiyátam and Tirupati to those new municipalities ;
(2) to the abolition of the three schools at Vilvarni, Siruvallur in Pólúr taluk, and Salukai in Wandiwash taluk, the attendance at which has fallen very low ; and
(3) to the amalgamation of the Arcot branch school with the Arcot town school.

The cost is borne by the taluk boards. The deputy inspectors applied for an increased provision, but it has been found impossible to provide funds.

28. *Results Grants.*—Rs. 11,000 have been provided for this item, against Rs. 12,000 in the current year, that is, Rs. 1,000 for every taluk but Palmanér and Punganúr, where Rs. 500 each has been considered sufficient. It may be possible to increase this provision out of the reserves in some taluks.

29. *Miscellaneous.*—The increase of Rs. 160 under Stipends to Agricultural Students is due to—

(1) the increase in stipends according to agreement, and
(2) provision for travelling allowance for the boys going home in recess, for which no provision was made this year.

This charge belongs to the district board.

30. *Total of Grant II.*—The total expenditure proposed under Grant II, Education, is thus as follows :—

	Amount.	Percentage on the total assets.
District board	4,970	3·18
Chittur taluk board	10,550	21·76
Vellore do.	12,200	20·56
Ranipet do.	9,170	14·34
Arni do.	8,260	23·40

31. *Grant III, Hospitals and Dispensaries.*—The dispensaries at Tirupati and Gudiyátam are omitted, as they will be made over to the municipalities of those towns.

The district board propose to retain the civil dispensary at Chittur, the head-quarter station, solely under their own management, as allowed by rule 14, clause (4), and the whole cost of that institution has therefore been charged to the district fund.

32. *Salaries of Medical Subordinates.*—The sum of Rs. 4,820 is provided under this head, against Rs. 8,310. The decrease of Rs. 3,490 is due to the transfer of the Ranipet hospital to the Arcot American Mission as per G.O., No. 738, Financial Department, dated 16th September last, and of the Gudiyátam and Tirupati dispensaries to those municipalities.

The entertainment of a trained midwife in connection with the Chittur dispensary has been sanctioned by Government in their order, dated 24th August last, Mis. No. 653 L.F., and provision is made for her in the budget.

The District Surgeon's establishment consists of one clerk and two peons. The pay of the clerk having been raised from Rs. 21 to Rs. 25 as per G.O., dated 22nd February 1883, No. 391, Public department, provision has been made to meet the increase of pay and travelling allowance.

The other items of the eleven dispensaries budgeted for are the same as in the current year, and call for no remark.

Thus the total under Hospitals and Dispensaries amounts to Rs. 20,090, against Rs. 26,080 of the current year, the decrease being due to the transfer of the dispensaries noted already.

33. *Vaccination.*—The district is divided for the purpose of vaccination into three ranges, each of which is provided with a deputy inspector and a staff of vaccinators as per particulars given below :—

Chittur Range ; that is, Chittur, Palmanér, Gudiyátam and Wálajápet taluks, and Punganúr Kangundi and Venkatagirikota divisions.

	Rs.
One deputy inspector on Rs. 60 per mensem	720
One first-class vaccinator on Rs. 18	216
Five do. do. on Rs. 15	920
Six second-class do. do. on Rs. 10	720
Three probationers on Rs. 5 each	180
One peon on Rs. 7	84
Travelling allowance of the deputy inspector and his peon	280
Do. do. of vaccinators	400
Contingencies	200
Total ..	3,700

Vellore Range; that is, Vellore, Arcot, Pólúr and Wandiwash taluks and Arni division.

	Rs.
One deputy inspector on Rs. 60 per mensem	720
One first-class vaccinator on Rs. 18	216
Four do. do. on Rs. 15	720
Four second-class do. on Rs. 10	480
Two probationers on Rs. 5	120
One peon on Rs. 7	84
Travelling allowance of the deputy inspector and his peon	250
Do. do. of vaccinators	400
Contingencies	130
Total ..	3,120

Kárvetnagar Range; that is, Chandragiri taluk and Madurpak, Kálahasti, Tirutani and Náráyanavaram divisions.

	Rs.
One deputy inspector on Rs. 40 per mensem	480
Three first-class vaccinators on Rs. 15	540
Three second-class vaccinators on Rs. 10	360
One probationer on Rs. 5	60
Travelling allowance of the deputy inspector and his peon	180
Travelling allowance of vaccinators	200
Contingencies	100
Total ..	1,860
Grand Total ..	8,680

The total amount allotted amounts to Rs. 8,680, against Rs. 8,900. The decrease is due to the present deputy inspectors of Vellore and Chittur ranges getting only Rs. 60 each a month, while the men that lately held those posts drew Rs. 70. The pay of the deputy inspectors and their peons, together with their travelling allowance and contingencies, are distributed among the taluks which comprise their respective ranges in proportion to the total assets of those taluks. The pay and batta of vaccinators are charged to the taluks in which they work.

34. *Sanitation.*—The total provision under this head amounts to Rs. 9,800, against Rs. 19,110 of the current year, as detailed below :—

	Rs.
1. Improvement of water-supply	2,880
2. Do. of village-site	..
3. Scavengering establishment	5,800
4. Arrangements at fairs and festivals	600
5. Other sanitary outlay	520
Total ..	9,800

The decrease is due entirely to the Local Fund Boards being relieved of the sanitation of the two new municipalities and of the seven new unions. The sums hitherto spent in villages now to be constituted unions appear as contribution to those unions, and will be spent by the unions themselves.

35. *Improvement of Water-supply.*—A sum of Rs. 2,880 has been provided for this purpose, against Rs. 3,580 in the current year. It represents pay of watchmen to prevent fouling of water. The decrease of Rs. 700 is due to the cause given in the last paragraph.

36. *Scavengering Establishment.*—The provision made under this head amounts to Rs. 5,800, against Rs. 13,880 in the current year. This decrease again is due to the cause described in paragraph 34.

37. *Arrangements at Fairs and Festivals.*—The decrease of Rs. 550 under Arrangements for Fairs and Festivals is due to omission of provisions for Tirupati town and Tirutani union.

38. *Other Sanitary Outlay.*—An allotment of Rs. 520 has been provided, at Rs. 130 for each taluk board, to meet cholera charges, &c.

39. *Markets.*—Rs. 380 has been provided to meet the pay of the servants employed in the markets, against Rs. 710 in the current year. The decrease is due to the removal of the establishments of the Arcot and Gudiyátam markets, the former being proposed to be leased out, and the latter included in the municipality.

40. *Public Bungalows.*—A sum of Rs. 250 has been allotted to meet the pay of the watchmen and sundries of the bungalows, against Rs. 280 in the current year. The decrease is due to the Palmanér bungalow having been sold.

41. *Contribution to Provincial Fund.*—

(1) Medical College.
(2) Sanitary inspection agency.
(3) Medical reserve staff.
(4) Cutler's establishment.

Provision has been made under these heads at the rate of ½ per cent. for Nos. (1) and (2), and ·04 for (3) and (4), on the current year's receipts, according to the revised estimate.

42. *Contribution to Municipalities.*—The details of the sum of Rs. 2,200 provided against this item is as follows :—

	Rs.
(1) To Vellore municipality for the dispensary at Vellore	1,000
(2) To Wálajápet municipality for the dispensary at Wálajápet ..	450
(3) To Gudiyátam municipality for the dispensary at Gudiyátam ..	450
(4) To Vellore municipality for the upkeep of lights on the Pálár bridge, including the arrears for the last two years	300

43. *Contributions to Unions*—Rs. 6,220.—The details are as follow :—

—	Water-supply.	Scavengering Establishment.	Fairs and Festivals.	Total.
	Rs.	Rs.	Rs.	Rs.
1. Chittur	210	1,150	..	1,360
2. Palmanér	50	700	..	750
3. Arcot	74	1,116	..	1,190
4. Ranipet	42	598	..	640
5. Tirutani	170	600	280	1,050
6. Arni	42	708	..	750
7. Wandiwash	48	432	..	480
Total ..	636	5,304	280	6,220

As mentioned in paragraph 34 above, they represent the sums hitherto spent by the Board annually in those villages.

44. *Total of Grant III.*—The following shows the total expenditure proposed under Grant III :—

	Amount.	Percentage on the total assets.
	Rs.	
District board	8,750	5·59
Chittur taluk board	11,950	24·65
Vellore do.	11,340	19·94
Ranipet do.	14,620	22·88
Arni do.	7,750	21·95

45. *Grant IV.*—Provision has been made in the district budget under the different heads according to the instructions given in rule 14, clause 7.

The total provision under this grant amounts to Rs. 13,540, against Rs. 12,760 in the current year. The excess of Rs. 780 is due to the increase in the allotment for travelling allowance of non-official members, the current year's allotment having been found insufficient. The average monthly expenditure is Rs. 230.

No provision has been made for taluk board establishments.

46. *Allotments from District to Taluk Boards.*—The allotment from the district to the taluk boards has been referred to above in paragraph 13. They are as follow:—

Taluk Boards.	Amount.	Percentage on the assets of taluk fund.
	RS.	
Chittur	12,090	33·22
Vellore	6,240	13·76
Ranipet	6,210	10·77
Arni	3,290	9·32

The excessive allotment to the Chittur taluk board is due principally to the fact that there are at Palmanér a large expensive dispensary and a large middle school. The percentages of the other taluk boards' allotments to their respective assets do not differ very much.

47. The percentage of expenditure proposed under Grant IV on account of general management to the total assets is 3·75.

48. *Reserves.*—Reserves have been kept as follows:—

	Amount.	Percentage on the estimated receipts.
	RS.	
District fund	8,640	5·97
Chittur taluk	1,820	5·00
Vellore do.	2,270	5·00
Ranipet do.	3,000	5·20
Arni do.	1,300	4·06

49. *Balances.*—The balances are as follow:—

Boards.	Balance.	Percentage on the estimated receipts.
	RS.	
District board	7,230	5·00
Chittur taluk	1,570	3·24
Vellore do.	7,390	14·33
Ranipet do.	2,340	3·66
Arni do.	1,460	4·56

Rs. 5,840 of the Rs. 7,390, balance shown against Vellore taluk, belongs to Endowment Fund. Exclusive of this and of the Endowment Fund assets, the percentage will be 3·29.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 21st December 1885, No. 414.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the North Arcot district for the year 1886-87 for the maintenance of the dispensaries is adequate and calls for no remarks, the President, District Board, having explained the variations between the current year's grant and the estimate.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 28th January 1886, No. 587.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the district board, North Arcot, for the year 1886-87.

2. *Receipts.*—The educational assets, including one-sixth land-cess, are estimated at Rs. 59,900. The estimated receipt from fees amounts to Rs. 8,620 against Rs. 12,000 the estimate for 1885-86, and Rs. 8,728 the actuals of 1884-85. I am not in a position to account for the decrease, as the extracts from the President's letter

relating to receipts have not been communicated to me, but a reference to statement IV shows that in the case of middle or lower secondary schools the estimate is much too low. I am inclined to think that Rs. 2,000 may safely be added under this head. The grant expected from Provincial funds includes Rs. 1,200 for the Yeomiah school, Arcot, which is not debitable to this department.

3. *Charges.*—The expenditure proposed under Grant II amounts to Rs. 45,150 against Rs. 48,300 in the current year's budget as shown below:—

	1885-86.	1886-87.
	RS.	RS.
Training schools	4,060	4,570
Local Fund schools	30,840	28,020
Results grants	12,000	11,000
Miscellaneous	1,400	1,560
Total ..	48,300	45,150

4. *Training Schools.*—There is an increase of Rs. 510 in the allotment under this head, Rs. 350 being for stipends on account of the expected increase in the number of normal students, and Rs. 160 for the entertainment of a gymnastic instructor and for the purchase of maps, books and furniture for the Tirupati normal school.

5. *Local Fund Schools.*—Under this head Rs. 28,020 is provided against Rs. 30,840, the decrease being due (1) to the transfer of the schools at Gudiyátam and Tirupati to the newly-constituted municipalities, (2) to the abolition of schools at Vilvarni, Siruvallur, and Salukai owing to their poor attendance, and (3) to the amalgamation of the Arcot branch school with the Arcot town school. The Inspector of Schools suggests that the scale of salaries of the masters in the middle schools at Arni, Arcot, Punganúr, and Palmanér should be readjusted after the classes are formed next term. I trust that, in any proposed reorganization, care will be taken that the net cost to the board is not increased, as otherwise the funds intended for primary education will be diverted to secondary education—a measure opposed to the views of the Education Commission. From statement IV it will be observed that the strength of certain schools is much below 20, and that in the case of the Káveripák, Rámapuram, and Kannamangalam schools the teaching agency needs strengthening. Unless the poorly attended schools show signs of improvement, they should be removed to localities where they will stand a better chance of success.

6. *Results Grants.*—The assignment for results grants will suffice.

7. *Miscellaneous.*—The increased provision under this head is intended to meet the increase in stipends to the students of the Agricultural College and the travelling allowances of the students. Against commission on sale of books in statement I-B Rs. 160 are entered. The correct amount is Rs. 150.

8. In their order, dated 9th April 1885, Mis. No. 7 L.F., Government observed that they had no objection to the contribution of Rs. 10,450, on account of the Chittoor high school agreed to by the board, being paid in 1885-86, but it does not appear that any arrangement has been made for payment. Unless the contribution is paid within the current official year, provision will have to be made in the budget for 1886-87. I beg to point out that the requisite funds are available—the proposed expenditure on account of education amounting to Rs. 45,140, while the expected receipts aggregate Rs. 61,900.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 19th March 1886, No. 462.

I have the honor to report, for the information of Government, that exclusive of a contribution of Rs. 1,550 for sanitary inspection, the North Arcot District Board have made a provision of Rs. 9,800 for sanitation for the year 1886-87 against Rs. 19,110 for 1885-86. The decrease is due to the board having been relieved of the sanitation of two towns, which are to be constituted municipalities, and of seven new unions.

Although the district board will be relieved of, *i.e.*, will not, I presume, be responsible for the sanitation of these localities, yet they make a contribution of Rs. 8,420 towards it, the provision for the sanitary improvements of the district as a whole will therefore be Rs. 18,220, or 20·9 per cent. of available income, which is less than the grant for 1885-86 by Rs. 890. It may, however, be accepted.

2. The vaccination grant amounts to Rs. 8,680. It appears to be ample.

ORDER—dated 27th May 1886, No. 589 L.F., Financial.

2. *Revised Estimate for* 1885-86.—The opening balance, excluding debt heads, amounted to Rs. 56,755 against Rs. 37,600 as estimated in the budget, the excess being due to short expenditure on public works in 1884-85. Excluding this balance, the receipts were estimated at Rs. 3,19,722 against Rs. 3,17,850 in the budget. The collections of land-cess were expected to exceed the budget figure by Rs. 2,000, owing to the introduction of the new settlement rates of assessment. The charges were estimated at Rs. 3,56,409 against Rs. 3,44,700 in the budget, the increase occurring mainly under Grant I, and being due to subsequent allotments for new works and the repair of communications. The estimated closing balance thus amounts to Rs. 20,068, of which Rs. 8,388 appertain to the endowment fund. The President has not shown by a foot-note to the revised estimate the receipts and charges of endowments as required in rule 11, paragraph 2, of the rules circulated with G.O., dated 14th September 1885, No. 728, L.F.

3. *Budget for* 1886-87.—Deducting from the balance the sum of Rs. 3,070 appertaining to the devastanam dispensary at Tirupati, where a municipality has recently been constituted, the opening balance for 1886-87 amounts, in round numbers, to Rs. 17,000. Excluding this balance, the receipts are estimated at Rs. 3,15,950 against Rs. 3,17,850 in 1885-86. The cess on land is expected to yield Rs. 2,61,500 against Rs. 2,59,500 the estimate for 1885-86, owing to the introduction of the new settlement rates of assessment. The income from tolls is estimated at Rs. 12,000 against Rs. 9,250, the increase being due to the share of tolls expected from the new municipalities of Tirupati and Gudiyátam. No income is taken credit for under the House-tax. The President will report the amount expected under this head in the unions of Chittoor, Arni, and Arcot, in which the levy of the tax has been sanctioned,* and will submit an estimate of the receipts and charges of the unions in form No. VIII, circulated with the Government order quoted in the preceding paragraph. Fees in schools are expected to yield Rs. 8,620 against Rs. 12,000 in 1885-86, the decrease being ascribed by the President to a falling off in the attendance of Local Fund middle schools in consequence of the increased rate of fees. The Director of Public Instruction is unable to account for the decrease, but thinks that the estimate under Middle Schools is too low, and that it might safely be raised by Rs. 2,000. The President will report again upon this point. With regard to the distribution of receipts between district and taluk funds, the following points are noted:—

* G.O., dated 9th April 1886, No. 415 L.F.

(*a*) Sale-proceeds of books should be credited to district funds, with reference to paragraph 4 of G.O., dated 3rd December 1885, No. 1155 L.F.

(*b*) The contribution of Rs. 50 from the Vellore Municipality on account of vaccine inspection should also be credited to district funds, with reference to section 102 of the Act, and rule 13, paragraph 3, of the budget rules.

(*c*) The contribution from pound funds made for the maintenance of roads and bridges, &c., generally throughout the district should also be credited to district funds.

The necessary corrections have been made in the abstract at the head of these proceedings.

4. No provision is made for new works under Grant I for want of funds, while for road repairs only Rs. 1,30,310 are provided against Rs. 1,53,750 in 1885-86. A sum of Rs. 1,250 shown under Contributions from taluk funds to unions for the repair of village roads will be transferred to "(*b*) Repairs" and included under Petty works in statement III-B. The provision for Local Fund Engineering establishment, including contingencies, is Rs. 36,160, or 25·4 per cent. of the outlay on works. The proportion is high, and should be reduced in future years within the prescribed limit of 20 per cent. The sum of Rs. 2,060 provided for payment to the Chingleput District Board for the upkeep of certain roads will be debited to district funds, with reference to rule 13, paragraph 3, of the budget rules. The district board have made no provision for the contribution due to the Vellore Municipality for the construction of the bridge on the Katpadi road. A sum of Rs. 4,000 will be provided for this purpose, being the amount taken credit for by the municipal council in their budget passed by G.O., Financial Department, dated 3rd April 1886, No. 327 M. The President will explain why no provision has been made for the payment of Rs. 10,450 due to Provincial funds on account of the Chittoor high school building.

5. The allotment of Rs. 45,150 for education is approved, but the attention of the district board will be drawn to the remarks contained in paragraph 5 of the Director's letter. The cost of books and commission on their sale, the correct amount of which is Rs. 150, will be debited to district funds, with reference to G.O., dated 3rd December 1885, No. 1155. The provision for vaccination will also be debited to district funds, with reference to paragraph 1 of G.O., dated 27th November 1885, No. 1116. The allotment for sanitation, which should include the sum of Rs. 6,220 to be expended by union panchayats, is Rs. 16,020 against Rs. 19,110 in the budget for 1885-86, the decrease being due to the fact that the board have been relieved of the sanitation of Gudiyátam and Tirupati. The amounts payable to Provincial funds on account of the Medical College and Sanitary Inspection should be Rs. 1,570 in each case at ·5 per cent. of the revised estimate of receipts for 1885-86. The contribution of Rs. 2,200 to municipalities for dispensaries, &c., will be debited to district funds as required by rule 13 of the budget rules.

6. A sum of Rs. 2,950 provided as a contribution to the controlling establishments at the presidency will be reduced to Rs. 2,540, the actual figure for 1884-85. The reserve provided is only Rs. 17,030, or 5·4 per cent. of the receipts, instead of 10 per cent. as required by rule. A sum of Rs. 27,830 is entered under Allotments from district to taluk funds, but as the taluk fund receipts have now been increased and the charges reduced by the transfers ordered above, the allotment will be reduced to Rs. 17,580. The consolidated balance amounts to Rs. 16,150, of which Rs. 6,530 appertain to endowment funds, and the remainder, Rs. 9,620, or 3 per cent. of the receipts, will be available for general purposes.

Local Fund Budget.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers:—

From G. W. FAWCETT, Esq., President, District Board, North Arcot, to the Acting Chief Secretary to Government, dated Chittur, 21st November 1885, No. 45.

I have the honor to submit herewith the consolidated budget estimate of the District Board of North Arcot for the year 1886-87, together with the prescribed statements prepared according to the instructions contained in G.O., dated 14th September last, No. 728 L.F.

2. The preparation of the budget was begun immediately on the receipt of these instructions, and the question was put before the district board at their meeting of the 2nd October last, whether it was, in their opinion, advisable now to prepare the budget for the district board only, leaving the taluk boards, when they come into existence hereafter, to prepare their own budgets, or to prepare budgets for the taluk boards as well. The Board were of opinion that to leave the preparation of the taluk board budgets to lie over till the constitution of the taluk boards would be a very unnecessary waste of time, and would, in all probability, prevent the taluk board budgets from being sanctioned in time to begin work, and decided, therefore, to prepare both the district and taluk board budgets at once. The taluk budgets have been prepared accordingly, and I trust Government will see no objection to the course adopted.

3. The budgets were approved at the meeting of the Board on the 2nd of this month. The taluk budgets put before that meeting were twelve in number, one for each revenue taluk, the taluks proposed in this office letter, No. 90, of the 1st October 1884; but they have now been reduced to four, in accordance with G.O., No. 930 L.F., Financial, of the 23rd ultimo.

4. Provision has been made in the district board budget for allotment to taluk boards, and in the taluk board budgets for allotment to unions. The union budgets have, of course, not yet been prepared.

5. A map of the district is enclosed, showing the roads and other Local Fund works completed, those in progress and those proposed for execution, and toll-gates, &c.; also the boundaries of the Local Fund taluks.

REVISED ESTIMATE FOR 1885-86.

6. *Opening Balances.*—The revised estimate for 1885-86 has been prepared in accordance with the instructions contained in rule 10. The year opened with a balance of Rs. 56,983 as follows:—

	RS.
Road fund	34,740
General fund	8,882
Endowment fund	13,361

7. *Receipts.*—The receipts of the year are now estimated at Rs. 3,19,722, which, with the opening balance of Rs. 56,983, raises the gross assets to Rs. 3,76,705, against the budget estimate of Rs. 3,55,450, an increase of Rs. 21,255 principally under—

(1) Opening balance of the year,
(2) Land-cess, and
(3) Contributions from Special Funds—Pound Fund.

The first of these is due to short expenditure on public works in the previous year; that under Land-cess is owing to the corresponding increase in the beriz, consequent upon the introduction of the new settlement rates; and that under Pound Fund is chiefly due to an increase in the number of pounds; these variations are explained in the remark column of statement No. 9.

8. *Expenditure.*—The budget grants of the year, exclusive of Road and General Fund reserves, amount to Rs. 3,37,060. This added to the subsequent allotments of Rs. 22,717 make the total grant Rs. 3,59,777, of which Rs. 3,56,409 are expected to be spent during the year as detailed below:—

		Rs.
Grant	I	2,29,221
„	II	48,768
„	III	65,320
„	IV	13,100
	Total ..	3,56,409

The deficiency under the total grant is almost all under Miscellaneous Public Improvements, viz., Markets, the expenditure on which has been curtailed in order to wipe off the deficit under the Market endowment with which the year opened.

9. *Balance.*—The year closes with a balance of Rs. 20,296, of which Rs. 8,388 appertains to the Endowment Fund.

BUDGET ESTIMATE FOR 1886-87.

10. *Receipts.*—The closing balance of the current year is Rs. 20,290, as just stated. Rupees 3,070, the balance estimated to remain to credit of the Devastanam dispensary at Tirupati, have been deducted from this, as that institution will be made over to the new Tirupati municipality. The opening balance for 1886-87 will therefore be Rs. 17,220, of which the Endowment Fund balance is Rs. 5,320. This, added to Rs. 3,15,950, the receipts of the year, make the total assets Rs. 3,33,170, against Rs. 3,55,450, the budget estimate for the current year—a net decrease of Rs. 22,280, made up of increase under certain items amounting to Rs. 7,170, and decrease under others amounting to Rs. 29,450.

11. *Increase.*—The increase chiefly appears under four items, viz.—

(1) Land-cess,
(2) Tolls,
(3) Contribution on account of education, and
(4) Pound Fund.

The increases under Land-cess and Pound Fund have been already explained. The increase under Tolls is due to the tolls expected from the new municipalities of Tirupati and Gudiyátam. The increase of Rs. 620, on account of contribution, is due to the expected grants from Provincial funds to be earned by some of the Local Fund schools for which no provision was made in the current year's budget. There is a slight increase in interest on arrears of land-cess which does not require explanation. Rs. 50, entered under Medical contributions from municipalities, represents a new contribution by the Vellore municipality for vaccination supervision. The Rs. 60 entered under Choultry rent is the assessment of the lands of the endowed chattram at Arkónam. It was omitted from the current year's budget, as the matter is under dispute.

12. *Decrease.*—The items of decrease are as follows:—

(*a*) Decrease of Rs. 3,380 under school fees. The fees brought in by the middle schools at Arcot, Arni, Palmanér and Tirupati, taken over by the Board in October 1884, have been much less than was anticipated; the higher rates charged having resulted in a falling off in the attendance, as shown in the remark column of the revised estimate for 1885-86.

(*b*) Decrease of Rs. 3,650 under Contribution from private individuals, representing the Mahant's contribution to the Tirupati dispensary, which will in next official year belong to the Tirupati municipality.

(*c*) Decrease of Rs. 1,390 under Market rents, due to the transfer of the markét at Gudiyátam to the new Gudiyátam municipality.

(*d*) The sum of Rs. 100, given as sundry receipts, represents the sale-proceeds of manure and other sweepings of cart-stands and towns. The decrease under the current year is due to the figure budgeted for this year having been too high.

13. The assets of the district have been divided between the district and taluk boards in the following manner:—

(*a*) The unexpended balance under Road and General funds, and the interest due on the Land-cess arrears to be collected, have been all credited to the district fund, as required by section 54 (1) of the Act;

(*b*) The balances to the credit of the Arcot Langerkhana and the Arcot yeomiah school, Endowment Fund balances, are credited to the Endowment Fund of the taluk to which they belong, viz., Vellore;

(*c*) The land-cess has been divided equally between the district board and the taluks; each taluk board getting half the land-cess collected in its own taluk, as provided by section 55 of the Act;

(*d*) All tolls have been credited to the district fund, for the reason that nearly all the roads on which the tolls will be levied, viz., the roads passing through municipalities, will be roads maintained by the district board.

(*e*) All other items, contributions, school fees, &c., are credited to the fund to which they belong, viz., the provincial contribution for normal schools to the district fund, and all others to the taluks that manage the institutions respectively; and

(*f*) Further allotments have been made from the district fund to supply the deficiency in each taluk.

14. The principle of the old Act, that two-thirds of the land-cess be devoted to roads, &c., has been nearly followed; but advantage has been taken of the greater freedom now allowed in the matter to depart from it where required.

15. The following shews the distribution of receipts and expenditure in detail:—

16. *Expenditure.*—The total expenditure for the year under all the four grants is Rs. 2,96,150, as follows :—

	RS.
Grant I	1,83,050
„ II	45,150
„ III	54,410
„ IV	13,540
Total ..	2,96,150

17. *Grant I—New Works.*—No provision has been made under this head either in the district or the taluk boards.

18. *Repairs—Communications.*—The outlay proposed for maintaining the roads specified in the statement No. 3-B is Rs. 1,30,310, against Rs. 1,53,750 of the current year. The roads have been divided between the district and the taluk boards in accordance with Rule 14, clause 1; that is, all through lines of communication have been retained under the control of the district board, and all others handed over to the taluk boards. It has not been found possible to provide for all existing roads. A few small roads have been struck out in order to keep the reserve and balance as nearly as possible in accordance with the requirements of the rules. It may be possible to make provision for some of them out of the reserve.

19. *Civil Buildings.*—Rs. 840 has been allotted for the repair of civil buildings—travellers' bungalows, hospital buildings and school-houses—as per particulars in statement No. 3-B.

20. *Miscellaneous Public Improvements.*—Under Miscellaneous Public Improvements, a sum of Rs. 6,500 has been allotted for the maintenance of avenues, and Rs. 4,500 for the improvement of markets—a total of Rs. 11,000, against Rs. 12,380 of the current year.

21. *Establishment.*—The cost of the engineering establishment, inclusive of the increase lately sanctioned by Government in their order, dated 1st May 1885, Financial department, No. 98 L.F., amounts to Rs. 33,660, or with Rs. 2,500, office contingencies, Rs. 36,160; 25·43 per cent. of Rs. 1,42,150, the outlay on works. If, however, two-thirds of the reserves and balances be sanctioned for works during the year, as no doubt it will be, the total outlay on works will be raised to Rs. 1,62,480, and the percentage reduced to 22·25.

22. *Tools and Plant.*—The sum of Rs. 1,430, provided for this purpose, is calculated at one per cent. on the total outlay on works, as per rule 19. The total cost of the establishment and tools and plant is distributed between the taluk and district boards in proportion to their outlay on works. The Rs. 2,060 entered under

Contribution to other District Boards, represents the contribution by the Ranipet taluk board to the Chingleput circle for the up-keep of the road from—

1. Kavarapet on the 25th mile of the Northern trunk road to Sathiaved.
2. The Kortalayár bridge on the 26th mile of the Northern trunk road towards Puttur railway station, *viâ* Nágalápuram.
3. Tada to Sathiaved.
4. Sathiaved, *viâ* Tiruvallúr and Poonamallee, to St. Thomas Mount.

23. *Contribution to Unions.*—The Rs. 1,250 entered under Contribution to Unions is made up as follows :—

Contribution by—			Rs.
Chittur taluk board	to Chittur union	.. ..	
Vellore do.	to Arcot do.	.. ..	400
Ranipet do.	to Ranipet do.	.. ..	500
Arni do.	to Arni do.	.. ..	100
			250

These are all major unions, having populations over 5,000, and will be entrusted with the repair of their village streets. The sums allotted to Chittur, Arcot and Arni are the sums usually spent in those towns. The Rs. 100 allotted to Ranipet is a new item.

24. *Total of Grant I.*—The following shows the total outlay proposed under Grant I :—

	Amount.	Percentage on the total assets.
	Rs.	
District board	85,440	54·63
Chittur taluk board	22,590	46·58
Vellore do. do.	23,700	41·65
Ranipet do. do.	34,760	54·85
Arni do. do.	16,530	46·99

25. *Grant II.*—The provision made under this grant is Rs. 45,150, against Rs. 48,160 in the current year. It is distributed as follows :—

	1886-87.	1885-86.
	Rs.	Rs.
Normal schools	4,570	4,060
Secondary do.	14,780	30,700
Elementary schools	13,240	
Results grants	11,000	12,000
Miscellaneous	1,560	1,400
Total ..	45,150	48,160

26. *Normal Schools.*—There are two schools of this kind—one at Arni and the other at Tirupati. The allotment exceeds the current year's provision by Rs. 510. The increase is due—

(1) to a sum of Rs. 350 provided for stipends in excess of the current year's allotment, as an increase is expected in the number of students, and
(2) a sum of Rs. 160 allotted for the entertainment of a gymnastic teacher and for the purchase of maps, books and furniture for the Tirupati school.

The normal schools have been charged to the district board, as directed in rule 14, clause (5).

27. *Secondary and Elementary Schools.*—The total allotment is Rs. 28,020, against Rs. 30,700—a decrease of Rs. 2,680, due to the decrease of six in the number of schools, viz., 70 against 76 in the current year. The decrease in the number of schools is due—

(1) to the transfer of the two schools at Gudiyátam and Tirupati to those new municipalities ;
(2) to the abolition of the three schools at Vilvarni, Siruvallur in Pólúr taluk, and Salukai in Wandiwash taluk, the attendance at which has fallen very low ; and
(3) to the amalgamation of the Arcot branch school with the Arcot town school.

The cost is borne by the taluk boards. The deputy inspectors applied for an increased provision, but it has been found impossible to provide funds.

28. *Results Grants.*—Rs. 11,000 have been provided for this item, against Rs. 12,000 in the current year, that is, Rs. 1,000 for every taluk but Palmanér and Punganúr, where Rs. 500 each has been considered sufficient. It may be possible to increase this provision out of the reserves in some taluks.

29. *Miscellaneous.*—The increase of Rs. 160 under Stipends to Agricultural Students is due to—

(1) the increase in stipends according to agreement, and
(2) provision for travelling allowance for the boys going home in recess, for which no provision was made this year.

This charge belongs to the district board.

30. *Total of Grant II.*—The total expenditure proposed under Grant II, Education, is thus as follows :—

	Amount.	Percentage on the total assets.
District board	4,970	3·18
Chittur taluk board	10,550	21·76
Vellore do.	12,200	20·56
Ranipet do.	9,170	14·34
Arni do.	8,260	23·40

31. *Grant III, Hospitals and Dispensaries.*—The dispensaries at Tirupati and Gudiyátam are omitted, as they will be made over to the municipalities of those towns.

The district board propose to retain the civil dispensary at Chittur, the head-quarter station, solely under their own management, as allowed by rule 14, clause (4), and the whole cost of that institution has therefore been charged to the district fund.

32. *Salaries of Medical Subordinates.*—The sum of Rs. 4,820 is provided under this head, against Rs. 8,310. The decrease of Rs. 3,490 is due to the transfer of the Ranipet hospital to the Arcot American Mission as per G.O., No. 738, Financial Department, dated 16th September last, and of the Gudiyátam and Tirupati dispensaries to those municipalities.

The entertainment of a trained midwife in connection with the Chittur dispensary has been sanctioned by Government in their order, dated 24th August last, Mis. No. 653 L.F., and provision is made for her in the budget.

The District Surgeon's establishment consists of one clerk and two peons. The pay of the clerk having been raised from Rs. 21 to Rs. 25 as per G.O., dated 22nd February 1883, No. 391, Public department, provision has been made to meet the increase of pay and travelling allowance.

The other items of the eleven dispensaries budgeted for are the same as in the current year, and call for no remark.

Thus the total under Hospitals and Dispensaries amounts to Rs. 20,090, against Rs. 26,080 of the current year, the decrease being due to the transfer of the dispensaries noted already.

33. *Vaccination.*—The district is divided for the purpose of vaccination into three ranges, each of which is provided with a deputy inspector and a staff of vaccinators as per particulars given below :—

Chittur Range ; that is, Chittur, Palmanér, Gudiyátam and Wálajápet taluks, and Punganúr Kangundi and Venkatagirikota divisions.

	Rs.
One deputy inspector on Rs. 60 per mensem	720
One first-class vaccinator on Rs. 18	216
Five do. do. on Rs. 15	920
Six second-class do. on Rs. 10	720
Three probationers on Rs. 5 each	180
One peon on Rs. 7	84
Travelling allowance of the deputy inspector and his peon	280
Do. do. of vaccinators	400
Contingencies	200
Total ..	3,700

Vellore Range; that is, Vellore, Arcot, Pólúr and Wandiwash taluks and Arni division.

	Rs.
One deputy inspector on Rs. 60 per mensem	720
One first-class vaccinator on Rs. 18	216
Four do. do. on Rs. 15	720
Four second-class do. on Rs. 10	480
Two probationers on Rs. 5	120
One peon on Rs. 7	84
Travelling allowance of the deputy inspector and his peon	250
Do. do. of vaccinators	400
Contingencies	130
Total ..	3,120

Kárvetnagar Range; that is, Chandragiri taluk and Madurpak, Kálahasti, Tirutani and Náráyanavaram divisions.

	Rs.
One deputy inspector on Rs. 40 per mensem	480
Three first-class vaccinators on Rs. 15	540
Three second-class vaccinators on Rs. 10	360
One probationer on Rs. 5	60
Travelling allowance of the deputy inspector and his peon	180
Travelling allowance of vaccinators	200
Contingencies	100
Total ..	1,860
Grand Total ..	8,680

The total amount allotted amounts to Rs. 8,680, against Rs. 8,900. The decrease is due to the present deputy inspectors of Vellore and Chittur ranges getting only Rs. 60 each a month, while the men that lately held those posts drew Rs. 70. The pay of the deputy inspectors and their peons, together with their travelling allowance and contingencies, are distributed among the taluks which comprise their respective ranges in proportion to the total assets of those taluks. The pay and batta of vaccinators are charged to the taluks in which they work.

34. *Sanitation.*—The total provision under this head amounts to Rs. 9,800, against Rs. 19,110 of the current year, as detailed below :—

	Rs.
1. Improvement of water-supply	2,880
2. Do. of village-site	..
3. Scavengering establishment	5,800
4. Arrangements at fairs and festivals	600
5. Other sanitary outlay	520
Total ..	9,800

The decrease is due entirely to the Local Fund Boards being relieved of the sanitation of the two new municipalities and of the seven new unions. The sums hitherto spent in villages now to be constituted unions appear as contribution to those unions, and will be spent by the unions themselves.

35. *Improvement of Water-supply.*—A sum of Rs. 2,880 has been provided for this purpose, against Rs. 3,580 in the current year. It represents pay of watchmen to prevent fouling of water. The decrease of Rs. 700 is due to the cause given in the last paragraph.

36. *Scavengering Establishment.*—The provision made under this head amounts to Rs. 5,800, against Rs. 13,880 in the current year. This decrease again is due to the cause described in paragraph 34.

37. *Arrangements at Fairs and Festivals.*—The decrease of Rs. 550 under Arrangements for Fairs and Festivals is due to omission of provisions for Tirupati town and Tirutani union.

38. *Other Sanitary Outlay.*—An allotment of Rs. 520 has been provided, at Rs. 130 for each taluk board, to meet cholera charges, &c.

39. *Markets.*—Rs. 380 has been provided to meet the pay of the servants employed in the markets, against Rs. 710 in the current year. The decrease is due to the removal of the establishments of the Arcot and Gudiyátam markets, the former being proposed to be leased out, and the latter included in the municipality.

40. *Public Bungalows.*—A sum of Rs. 250 has been allotted to meet the pay of the watchmen and sundries of the bungalows, against Rs. 280 in the current year. The decrease is due to the Palmanér bungalow having been sold.

41. *Contribution to Provincial Fund.*—

(1) Medical College.
(2) Sanitary inspection agency.
(3) Medical reserve staff.
(4) Cutler's establishment.

Provision has been made under these heads at the rate of ½ per cent. for Nos. (1) and (2), and ·04 for (3) and (4), on the current year's receipts, according to the revised estimate.

42. *Contribution to Municipalities.*—The details of the sum of Rs. 2,200 provided against this item is as follows :—

	Rs.
(1) To Vellore municipality for the dispensary at Vellore	1,000
(2) To Wálajápet municipality for the dispensary at Wálajápet ..	450
(3) To Gudiyátam municipality for the dispensary at Gudiyátam ..	450
(4) To Vellore municipality for the upkeep of lights on the Pálár bridge, including the arrears for the last two years	300

43. *Contributions to Unions*—Rs. 6,220.—The details are as follow :—

—	Water-supply.	Scavengering Establishment.	Fairs and Festivals.	Total.
	Rs.	Rs.	Rs.	Rs.
1. Chittur	210	1,150	..	1,360
2. Palmanér	50	700	..	750
3. Arcot	74	1,116	..	1,190
4. Ranipet	42	598	..	640
5. Tirutani	170	600	280	1,050
6. Arni	42	708	..	750
7. Wandiwash	48	432	..	480
Total ..	636	5,304	280	6,220

As mentioned in paragraph 34 above, they represent the sums hitherto spent by the Board annually in those villages.

44. *Total of Grant III.*—The following shows the total expenditure proposed under Grant III :—

	Amount.	Percentage on the total assets.
	Rs.	
District board	8,750	5·59
Chittur taluk board	11,950	24·65
Vellore do.	11,340	19·94
Ranipet do.	14,620	22·88
Arni do.	7,750	21·95

45. *Grant IV.*—Provision has been made in the district budget under the different heads according to the instructions given in rule 14, clause 7.

The total provision under this grant amounts to Rs. 13,540, against Rs. 12,760 in the current year. The excess of Rs. 780 is due to the increase in the allotment for travelling allowance of non-official members, the current year's allotment having been found insufficient. The average monthly expenditure is Rs. 230.

No provision has been made for taluk board establishments.

46. *Allotments from District to Taluk Boards.*—The allotment from the district to the taluk boards has been referred to above in paragraph 13. They are as follow:—

Taluk Boards.	Amount.	Percentage on the assets of taluk fund.
	RS.	
Chittur	12,090	33·22
Vellore	6,240	13·76
Ranipet	6,210	10·77
Arni	3,290	9·32

The excessive allotment to the Chittur taluk board is due principally to the fact that there are at Palmanér a large expensive dispensary and a large middle school. The percentages of the other taluk boards' allotments to their respective assets do not differ very much.

47. The percentage of expenditure proposed under Grant IV on account of general management to the total assets is 3·75.

48. *Reserves.*—Reserves have been kept as follows:—

	Amount.	Percentage on the estimated receipts.
	RS.	
District fund	8,640	5·97
Chittur taluk	1,820	5·00
Vellore do.	2,270	5·00
Ranipet do.	3,000	5·20
Arni do.	1,300	4·06

49. *Balances.*—The balances are as follow:—

Boards.	Balance.	Percentage on the estimated receipts.
	RS.	
District board	7,230	5·00
Chittur taluk	1,570	3·24
Vellore do.	7,390	14·33
Ranipet do.	2,340	3·66
Arni do.	1,460	4·56

Rs. 5,840 of the Rs. 7,390, balance shown against Vellore taluk, belongs to Endowment Fund. Exclusive of this and of the Endowment Fund assets, the percentage will be 3·29.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 21st December 1885, No. 414.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the North Arcot district for the year 1886-87 for the maintenance of the dispensaries is adequate and calls for no remarks, the President, District Board, having explained the variations between the current year's grant and the estimate.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 28th January 1886, No. 587.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the district board, North Arcot, for the year 1886-87.

2. *Receipts.*—The educational assets, including one-sixth land-cess, are estimated at Rs. 59,900. The estimated receipt from fees amounts to Rs. 8,620 against Rs. 12,000 the estimate for 1885-86, and Rs. 8,728 the actuals of 1884-85. I am not in a position to account for the decrease, as the extracts from the President's letter

relating to receipts have not been communicated to me, but a reference to statement IV shows that in the case of middle or lower secondary schools the estimate is much too low. I am inclined to think that Rs. 2,000 may safely be added under this head. The grant expected from Provincial funds includes Rs. 1,200 for the Yeomiah school, Arcot, which is not debitable to this department.

3. *Charges.*—The expenditure proposed under Grant II amounts to Rs. 45,150 against Rs. 48,300 in the current year's budget as shown below:—

	1885-86.	1886-87.
	RS.	RS.
Training schools	4,060	4,570
Local Fund schools	30,840	28,020
Results grants	12,000	11,000
Miscellaneous	1,400	1,560
Total ..	48,300	45,150

4. *Training Schools.*—There is an increase of Rs. 510 in the allotment under this head, Rs. 350 being for stipends on account of the expected increase in the number of normal students, and Rs. 160 for the entertainment of a gymnastic instructor and for the purchase of maps, books and furniture for the Tirupati normal school.

5. *Local Fund Schools.*—Under this head Rs. 28,020 is provided against Rs. 30,840, the decrease being due (1) to the transfer of the schools at Gudiyátam and Tirupati to the newly-constituted municipalities, (2) to the abolition of schools at Vilvarni, Siruvallur, and Salukai owing to their poor attendance, and (3) to the amalgamation of the Arcot branch school with the Arcot town school. The Inspector of Schools suggests that the scale of salaries of the masters in the middle schools at Arni, Arcot, Punganúr, and Palmanér should be readjusted after the classes are formed next term. I trust that, in any proposed reorganization, care will be taken that the net cost to the board is not increased, as otherwise the funds intended for primary education will be diverted to secondary education—a measure opposed to the views of the Education Commission. From statement IV it will be observed that the strength of certain schools is much below 20, and that in the case of the Káveripák, Rámapuram, and Kannamangalam schools the teaching agency needs strengthening. Unless the poorly attended schools show signs of improvement, they should be removed to localities where they will stand a better chance of success.

6. *Results Grants.*—The assignment for results grants will suffice.

7. *Miscellaneous.*—The increased provision under this head is intended to meet the increase in stipends to the students of the Agricultural College and the travelling allowances of the students. Against commission on sale of books in statement I-B Rs. 160 are entered. The correct amount is Rs. 150.

8. In their order, dated 9th April 1885, Mis. No. 7 L.F., Government observed that they had no objection to the contribution of Rs. 10,450, on account of the Chittoor high school agreed to by the board, being paid in 1885-86, but it does not appear that any arrangement has been made for payment. Unless the contribution is paid within the current official year, provision will have to be made in the budget for 1886-87. I beg to point out that the requisite funds are available—the proposed expenditure on account of education amounting to Rs. 45,140, while the expected receipts aggregate Rs. 61,900.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 19th March 1886, No. 462.

I have the honor to report, for the information of Government, that exclusive of a contribution of Rs. 1,550 for sanitary inspection, the North Arcot District Board have made a provision of Rs. 9,800 for sanitation for the year 1886-87 against Rs. 19,110 for 1885-86. The decrease is due to the board having been relieved of the sanitation of two towns, which are to be constituted municipalities, and of seven new unions.

Although the district board will be relieved of, *i.e.*, will not, I presume, be responsible for the sanitation of these localities, yet they make a contribution of Rs. 8,420 towards it, the provision for the sanitary improvements of the district as a whole will therefore be Rs. 18,220, or 20·9 per cent. of available income, which is less than the grant for 1885-86 by Rs. 890. It may, however, be accepted.

2. The vaccination grant amounts to Rs. 8,680. It appears to be ample.

ORDER—dated 27th May 1886, No. 589 L.F., Financial.

2. *Revised Estimate for* 1885-86.—The opening balance, excluding debt heads, amounted to Rs. 56,755 against Rs. 37,600 as estimated in the budget, the excess being due to short expenditure on public works in 1884-85. Excluding this balance, the receipts were estimated at Rs. 3,19,722 against Rs. 3,17,850 in the budget. The collections of land-cess were expected to exceed the budget figure by Rs. 2,000, owing to the introduction of the new settlement rates of assessment. The charges were estimated at Rs. 3,56,409 against Rs. 3,44,700 in the budget, the increase occurring mainly under Grant I, and being due to subsequent allotments for new works and the repair of communications. The estimated closing balance thus amounts to Rs. 20,068, of which Rs. 8,388 appertain to the endowment fund. The President has not shown by a foot-note to the revised estimate the receipts and charges of endowments as required in rule 11, paragraph 2, of the rules circulated with G.O., dated 14th September 1885, No. 728, L.F.

3. *Budget for* 1886-87.—Deducting from the balance the sum of Rs. 3,070 appertaining to the devastanam dispensary at Tirupati, where a municipality has recently been constituted, the opening balance for 1886-87 amounts, in round numbers, to Rs. 17,000. Excluding this balance, the receipts are estimated at Rs. 3,15,950 against Rs. 3,17,850 in 1885-86. The cess on land is expected to yield Rs. 2,61,500 against Rs. 2,59,500 the estimate for 1885-86, owing to the introduction of the new settlement rates of assessment. The income from tolls is estimated at Rs. 12,000 against Rs. 9,250, the increase being due to the share of tolls expected from the new municipalities of Tirupati and Gudiyátam. No income is taken credit for under the House-tax. The President will report the amount expected under this head in the unions of Chittoor, Arni, and Arcot, in which the levy of the tax has been sanctioned,* and will submit an estimate of the receipts and charges of the unions in form No. VIII, circulated with the Government order quoted in the preceding paragraph. Fees in schools are expected to yield Rs. 8,620 against Rs. 12,000 in 1885-86, the decrease being ascribed by the President to a falling off in the attendance of Local Fund middle schools in consequence of the increased rate of fees. The Director of Public Instruction is unable to account for the decrease, but thinks that the estimate under Middle Schools is too low, and that it might safely be raised by Rs. 2,000. The President will report again upon this point. With regard to the distribution of receipts between district and taluk funds, the following points are noted:—

* G.O., dated 9th April 1886, No. 415 L.F.

(*a*) Sale-proceeds of books should be credited to district funds, with reference to paragraph 4 of G.O., dated 3rd December 1885, No. 1155 L.F.

(*b*) The contribution of Rs. 50 from the Vellore Municipality on account of vaccine inspection should also be credited to district funds, with reference to section 102 of the Act, and rule 13, paragraph 3, of the budget rules.

(*c*) The contribution from pound funds made for the maintenance of roads and bridges, &c., generally throughout the district should also be credited to district funds.

The necessary corrections have been made in the abstract at the head of these proceedings.

4. No provision is made for new works under Grant I for want of funds, while for road repairs only Rs. 1,30,310 are provided against Rs. 1,53,750 in 1885-86. A sum of Rs. 1,250 shown under Contributions from taluk funds to unions for the repair of village roads will be transferred to "(*b*) Repairs" and included under Petty works in statement III-B. The provision for Local Fund Engineering establishment, including contingencies, is Rs. 36,160, or 25·4 per cent. of the outlay on works. The proportion is high, and should be reduced in future years within the prescribed limit of 20 per cent. The sum of Rs. 2,060 provided for payment to the Chingleput District Board for the upkeep of certain roads will be debited to district funds, with reference to rule 13, paragraph 3, of the budget rules. The district board have made no provision for the contribution due to the Vellore Municipality for the construction of the bridge on the Katpadi road. A sum of Rs. 4,000 will be provided for this purpose, being the amount taken credit for by the municipal council in their budget passed by G.O., Financial Department, dated 3rd April 1886, No. 327 M. The President will explain why no provision has been made for the payment of Rs. 10,450 due to Provincial funds on account of the Chittoor high school building.

5. The allotment of Rs. 45,150 for education is approved, but the attention of the district board will be drawn to the remarks contained in paragraph 5 of the Director's letter. The cost of books and commission on their sale, the correct amount of which is Rs. 150, will be debited to district funds, with reference to G.O., dated 3rd December 1885, No. 1155. The provision for vaccination will also be debited to district funds, with reference to paragraph 1 of G.O., dated 27th November 1885, No. 1116. The allotment for sanitation, which should include the sum of Rs. 6,220 to be expended by union panchayats, is Rs. 16,020 against Rs. 19,110 in the budget for 1885-86, the decrease being due to the fact that the board have been relieved of the sanitation of Gudiyátam and Tirupati. The amounts payable to Provincial funds on account of the Medical College and Sanitary Inspection should be Rs. 1,570 in each case at ·5 per cent. of the revised estimate of receipts for 1885-86. The contribution of Rs. 2,200 to municipalities for dispensaries, &c., will be debited to district funds as required by rule 13 of the budget rules.

6. A sum of Rs. 2,950 provided as a contribution to the controlling establishments at the presidency will be reduced to Rs. 2,540, the actual figure for 1884-85. The reserve provided is only Rs. 17,030, or 5·4 per cent. of the receipts, instead of 10 per cent. as required by rule. A sum of Rs. 27,830 is entered under Allotments from district to taluk funds, but as the taluk fund receipts have now been increased and the charges reduced by the transfers ordered above, the allotment will be reduced to Rs. 17,580. The consolidated balance amounts to Rs. 16,150, of which Rs. 6,530 appertain to endowment funds, and the remainder, Rs. 9,620, or 3 per cent. of the receipts, will be available for general purposes.
