READ—the following paper :—

No. 409 T.C.

Report by the Superintending Engineer, VI Circle, on the estimate for adapting the portion of old Nabob's palace adjoining the Town Sub-Magistrate's Cutcherry at Trichinopoly as the Registrar's office, Rs. 4,100.

The estimate is called for in G.O., No. 1431 W., of 7th June 1884.

1 Estimate.
1 Plan.
1 Duplicate abstract estimate.

2. The building is reported to be in tolerable preservation, but requires some repairs and additions before its adaptation as Registrar's office, as will be seen from the Executive Engineer's report.

3. The portion marked R.S., T.V. in the plan is proposed for the Registrar's office, and gives spaces as follows :—

For Registrar and clerks 40 × 22 = 880 square feet against 30 × 20 = 600 square feet in standard plan.
For records 2 (40 × 16) = 1,280 square feet against 20 × 30 = 600 in the standard plan ;

but its cost is a little more than that of a new building on the standard plan, and this extra cost is due to the repair of the yard in front of the proposed Registrar's office which cannot be left in its present dismantled state.

4. The rates are fair and the estimate is recommended for sanction.

5. The building altered as proposed will make fair offices.

4. The selection of the works under class A, and the amounts of appropriations for them, have been decided in accordance with the arrangements sanctioned in G.O., No. 2856 W., dated 11th October 1883. The works under class B are those brought forward by Superintending Engineers, but for which funds cannot be provided.

5. The Superintending Engineers concerned will submit, without loss of time, plans and estimates for those unsanctioned works for which provision has been made during the year.

6. The grants for minor original works and repairs will be held at the disposal of the Government, and will be appropriated on receipt of detailed proposals from Superintending Engineers and the Consulting Architect.

7. The budget estimate of revenue for 1885-86 amounted to Rs. 1,00,000, but the revised estimate has been fixed at Rs. 80,000 in consequence of a large reduction in the receipts from the Presidency Workshops owing to the restriction of its operations.

8. The budget estimate of expenditure for 1885-86 was Rs. 23,00,000, but, owing to financial pressure, a sum of Rs. 3,11,053 was surrendered to the Financial Department, and the revised estimate has thus been reduced to Rs. 19,26,296.

9. With these remarks the preliminary issue of the Provincial Budget Estimate for 1886-87 will be printed and circulated for the information and guidance of the officers of the department, and four copies forwarded to the Government of India for information.
