Sir,

In compliance with your
instructions against item No. 17 of the
Provincial C. I. statement of this
Division for March 1886, I have
the honor to report with regard
to the excess of Rs. 1085 over appro-
priation for 1885/86 under the Head
Repairs to Civil Buildings, that it
is very difficult to estimate probable
requirements when so many works
are concerned and as the repairs were
pushed on as much as possible to
completion (notably in the case of Repairs
to

to Government House and subsidiary
