From G. Hammett Esq.

To C. G. Master Esq.
Offg. Chief Secretary to Govern-
ment
Cotacamund
Dated Cotacamund 4 June 87

Sir,
The Sub-Registrar of Tanjore in the Wyznad Taluk of Malabar has brought to my notice that the Govern-ment & Local fund officers stationed there are provided with house accom-modation, and, as there are no private buildings available within a radius of about two miles from his office, begs that a small house may be erected for him.

2. The Registrar of Calicut remarks that there is no separate office accommodation for the Sub-Registrar, and that if an office is to be built, some.

some accommodation may be made
in it for the registering officer; a
proposal which I am not prepared
to support.

3. I addressed the collector of
Malabar on the subject, and learn
from him that the Sub Magistrate
of Varjituri pays no rent for the house
provided for his accommodation
by the Government.

4. Varjituri is a feverish place
and the officers appointed to the
Sub-district have invariably suffered
from fever, and are unwilling to
remain there, I have the honor
therefore to recommend for the
favorable consideration of the
Government the provision of house
accommodation for the Sub. Regis-
trar & his clerks at the public expense.

5. Should the Government
be pleased to sanction the proposal,
it will be necessary to extend the
sanction to Endalur as well -

Endalur

Endalur is in the Nilgiri District. It is
also a feverish place & no suitable
house accommodation is available for
the Sub. Registrar, who, I learn, is down
with fever & unable to attend to
work.

 No 1741.

From G. Hammett Esq.
 Inspector General of Registration
 To C. G. Master Esq.
 Chief Secretary to Government
 Ootacamund
 Dated Ootacamund 13 June 82.

Sir,
 With reference to Memorandum
 Judicial Department No 247 dated the
 9th June instant, I have the honor to
 state that the salary of the Sub-Regis-
 -trars of Nayitiri is of the same amount
 as that paid to Sub. Registrars of the
 last grade generally, and was not fixed
 with reference to the climate -

x No 30 -

2. The circumstances which led to
 the salary of the Sub Registrar of Guda-
 -lur being fixed at Rs 45 a month are
 explained in my letter recorded in Judi-
 -cial No 967 of 14 May 81. At the time
 I thought the amount would induce
 either.

either the Sub-Registrar of Taxation or
the Sub-Registrar of Man and Body to
take the appointment, but both de-
clined saying that the climate of
Gundalur was a deadly one. After
some difficulty I succeeded in per-
suading the present Sub-Registrar to
accept the post. Should he be obliged
to leave the station, I feel certain that
no other qualified man would go there
without some special inducement in
the way of house accommodation.

3. I regret that I am unable
to report the probable cost of provid-
ing the accommodation suggested,
as the Sub-Registrars are not compe-
tent to frame a reliable estimate
which I could place before the Govern-
ment, and the officers of the Public
Works department, acting probably
on the Proceedings of Government
Financial Department N° 2041 of 27th
October 1879, will not furnish plans
or estimates, unless the Government

signify

signify their intention to sanction the
construction of the buildings required.

4. The house accommodation need
not be of an expensive kind. I think
a room 12' x 8' for the Sub-Registrar, and
another 10' x 8' for the Clerk, with a veran-
dah 4 feet wide in front and a kitchen,
would be sufficient. The walls, made
of brick in mud plastered with chunam,
and the roof of wood, covered with tiles.

I have the honor to be

Sir,

Yours most obedient servant
