ORDER—dated 16th June 1886, No. 1520 W., Public Works.

In circular memorandum, No. 573 C., dated 11th February 1886, Superintending Engineers were requested to submit a list of the churches in their respective circles to which compensation is paid for accommodation provided for British soldiers. They were at the same time directed to report whether the accommodation provided in each case was such as to deserve the maximum annual compensation of Rs. 3 per seat.

2. From the replies quoted above, it appears that compensation is paid only in the IV and V Circles. In the IV Circle, the Roman Catholic church at Cannanore receives compensation for seats provided for British soldiers at the station, and the Executive Engineer reports that the accommodation is worth the maximum compensation of Rs. 3 per seat.

3. In the V Circle, compensation is paid to—

- (1) The Catholic Cathedral at Madras,
- (2) St. Francis Xavier's church at Pallavaram,
- (3) St. Patrick's church at Bangalore,
- (4) St. Joseph's church at Bangalore;

and the value of the accommodation is assessed by the Executive Engineer at—

- (1) Rs. 2 -4-0 per seat.
- (2) Rs. 1-10-0 "
- (3) Rs. 2-14-0 "
- (4) Rs. 2 -5-0 "

4. In submitting claims for compensation in future, these rates will be entered, subject, however, in each case to alteration in accordance with the certificate of the Executive Engineer to be submitted with each claim under No. XXVIII of the Revised Ecclesiastical Rules. Superintending Engineers will in all cases ascertain, with reference to Rule XXIX, that the number for whom compensation is claimed represents the largest attendance at any one service during the year for which compensation is claimed.

5. In accordance with Rule XXXI, charges for compensation must be supported by a certificate from the Officer Commanding the station, and by a receipt for the money paid.

16th June 1886, No. 1521 W., Public Works.

6. These proceedings will be forwarded for the sanction of the Government of India, with reference to paragraph 1 of Rule XXXI.
