G. O. No. 1679 W. dated 2nd July 1886.

The above G. O. deals only with future local purchases of European Stores, but I beg to point out that the information required for the compilation of the annual statement (see my O. N. No. 220 of 18th June 1886) is still wanting in almost all sanctions that have already been accorded for the purchase of such stores.
