SIR,

Enclosures.

1 Estimate

I have the honor to submit for sanction and appropriation of funds, an estimate of Rs 1094 for Tools and plant purchased specially for the Boosapatam Tank in the Bellary Division and now under the instructions of the Examiner of P. D. Accounts transferred to the Head "Tools & Plant." The cost was debited to the work which was completed long ago; but as the Tools are now available for general use in the Bellary Division, the Examiner considers it necessary to write back their value to Tools & Plant by crediting the work.
