GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From J. THOMSON, Esq., President, District Board, Godávari, to the Acting Chief Secretary to Government, dated Cocanada, 26th December 1885, No. 112.

I have the honor to submit the revised estimate of the Local Funds of the Godávari district for the current official year 1885-86 and the budget estimates for the next official year (1886-87) as passed by the District Board at a meeting held on the 10th December 1885. They were drawn up and passed at a meeting held on 29th September, but on receipt of G.O., No. 930 L.F., of 25th October, I called a fresh meeting and now submit them as passed thereat. In their preparation the instructions of Government as conveyed in the said order and in No. 728 L.F., dated 14th September 1885, have been attended to.

Regular Estimate, 1885-86.

2. *Receipts.*—The opening balance agrees with the closing balance of 1884-85 as per Accountant-General's result statement on the supplemental treasury account for March last, No. AAZ/L 59, dated 9th September 1885, and is Rs. 1,51,190 in excess of the estimated balance. This is due to short expenditure under Grant I during 1884-85 for which the Engineer has assigned various reasons—insufficient establishment, difficulty in obtaining lands, late date of receipt of intimation of allotments, short working season for the Central delta, difficulty of obtaining labor in the hill tracts, failure of contractors, surrenders, altered projects, &c.

3. *The amount of cess* on land has been altered by advice of the Revenue Department.

I am not aware why Rs. 14,560 was entered originally as obtainable from school-fees; it is much in excess of the actuals of 1884-85 (Rs. 5,710). The matter of fees has been unsettled for some time. Recently distinct orders have been issued. It is entered now as Rs. 8,200, which is the figure for next year also.

4. *Under interest* on arrears, Rs. 1,000 is entered with reference to the actuals of the previous year.

The other items require no remarks.

5. *Expenditure.*—Subsequent allotments with reference to the large available balance and the incomplete works have swelled the budget grants for communications from Rs. 2,05,820 to Rs. 3,82,560, of which, however, Rs. 99,300 have been given up with reference to the retrenchment orders of May last.

In G.O., No. 1033 L.F., of 14th ultimo, Rs. 20,000 were directed to be paid towards the Kovur-Manjair Canal, and this is provided for.

6. *In Civil Buildings and Miscellaneous Public Improvements*, for which no provision was originally made beyond Rs. 8,000, Rs. 38,780 is now entered, of which Rs. 14,720 is for new works and Rs. 24,060 for repairs. The greater portion of this is for improvement of water-supply.

The variations under the other grants are sufficiently explained in the appropriate columns and require no remarks.

The closing balance is Rs. 1,25,410 which is carried forward to the next year.

Budget Estimate, 1886-87.

7. The number of Taluk Boards originally proposed was twelve; it has been thought advisable to unite Nagaram with Narsápur on account of its small area. The Board in October 1884 postponed the matter of punchayets for consideration by the Taluk Boards. The total receipts for 1886-87, including the opening balance of Rs. 1,25,410, are estimated at Rs. 5,24,380. Of the balance, Rs. 6,720 is transferred to Taluk Boards to meet the expenditure assigned to them—*vide* section 55, of Act V of 1884. The principal item of land-cess is expected to yield Rs. 3,57,400—slightly in excess of the figure in the revised estimate of this year. Half of this is transferred to the Taluk Boards. The matter of increasing the rate of land-cess from 9 pies to one anna was mooted and very unfavorably received. A proposal to have tolls was also rejected. If expenditure goes on, however, as proposed, these will force themselves to be considered.

8. *Tolls.*—The figure adopted is that reported by Ellore Municipality.

9. *School-fees.*—The Educational officers have estimated Rs. 8,200 under this head and expect an increase in the number of pupils over the past and present years. It is difficult, however, to estimate accurately what the result of the fee rules will be.

10. *Interest.*—The receipts on arrears of cess are taken at Rs. 1,000—the same figure as in the revised estimate.

11. *Contributions from private individuals.*—The receipts for the current year according to the revised estimate are Rs. 5,000. Next year's receipts are now estimated at Rs. 4,000—a single sum of Rs. 2,000 being an item of this year.

12. *Choultry Rents.*—Rs. 6,300, being Rs. 700 less than the current year's revised estimate, are expected in the next year, a large amount of old arrears having been collected in this year.

13. *Markets.*—The same figure as in the current year is adopted. Some new markets will probably be opened, but buildings have to be provided; and as the expenditure will have to balance the income, the estimates will not be affected.

Public Works Receipts.

14. *Refunds and Miscellaneous* are expected to yield much the same as in the current year.

15. *Contributions from Provincial Funds—Education.*—Rs. 8,120, less by Rs. 1,640 than the current year's revised estimate, is entered on the report of the Educational officers. No reason is assigned, but probably a decrease in pupils, by increased fees, is looked for.

16. *Contributions from Special Funds—Pound Fund.*—Rs. 5,000, the figure in the current year's revised estimate, is repeated.

Expenditure.

17. *Grant I—Public Works.*—The expenditure, which is estimated at Rs. 2,80,930, is distributed as follows:—

	Rs.
For New Works	1,21,500
„ Repairs	88,330
Local Fund Engineering establishment	45,700
Tools and plant	3,400
Stock	3,000
Contribution for Kovur-Manjair Canal	19,000
Total ...	2,80,930

Details will be found in the statement III-A and B. Rs. 24,000 are for entirely new projects and Rs. 97,500 to carry on works already in progress. Of Rs. 2,09,830 allotted for new works and repairs, Rs. 30,280 are proposed to be utilized by the respective Taluk Boards, being Rs. 14,000 for new (village) roads, Rs. 13,780 for maintenance of communications, and Rs. 2,500 for repairs to tanks and wells. The details of road maintenance to be supervised by the Taluk Boards have not been settled; a Committee has been appointed to select the particular roads.

The cost of the Engineering establishment stands for the current year at Rs. 41,600.

Some posts are vacant for want of men to fill them and the travelling allowances of all Overseers are to be brought into accordance with the Travelling Allowance Code. The establishment list as sanctioned by G.O., No. 2748, of 9th August 1884, accompanies, and will, as far as possible, be worked up to. A proposal has recently been agreed to by the Board to increase the draughtsman's pay to Rs. 70 as no competent man on Rs. 50 can be obtained. It is not proposed to put any of the existing establishment under the orders of the Taluk Boards, but they will continue under the immediate orders of the Engineer and the District Board, and be available for estimating, supervising and checking the work which the Taluk Boards will carry out by temporary establishments charged to the works. The whole cost is Rs. 18·15 per cent. of the proposed expenditure.

Rs. 19,000 is provided for contribution towards the construction of Kovur-Manjair Canal.

The Rs. 3,000 for stock is intended for workshop, brick manufacture and material depôts, and is the sum sanctioned for the current year—*vide* G.O., No. 1097, of 24th November 1885.

18. *Grant II—Education.*—The total expenditure under this grant will, it is estimated, be Rs. 76,470; the figures of the revised estimate are practically repeated. Except the Inspecting staff, Normal school at Rajahmundry and the two Middle schools at Amalápuram and Víravásaram, the whole grant is left for expenditure by the Taluk Boards—

	Rs.
2 Inspecting schoolmasters, on Rs. 35 each	840
2 „ „ „ 30 „	720
5 „ „ „ 25 „	1,500
1 „ schoolmaster on „ 20	240
Batta for Inspecting schoolmasters	800
Contingencies	400
Total ...	4,500

19. *Grant III—Medical, Vaccination and Sanitation, &c.*—The total provision for expenditure under this grant is Rs. 63,190, or Rs. 13,730 more than the provision made in the revised estimate for the current year.

20. *Under Hospitals and Dispensaries*, Rs. 15,930, nearly the same figure as in the revised estimate, if regard is had to Rs. 3,000 for medicines, &c., classed under contributions to Provincial services, is adopted. Except the Zillah Surgeon's establishment and medical practitioners (itinerating hospital assistant), the whole will be administered by the Taluk Boards.

21. *Vaccination.*—The grant is Rs. 10,580—an increase of Rs. 2,230 over the current year's revised estimate. This is to provide for the entertainment of one second-class vaccinator in each taluk and three extra probationers on Rs. 5 each at head-quarters, for service when small-pox or other epidemic is prevalent in the district, instead of employing temporary vaccinators. The present staff of vaccinators being only one for each taluk, is entirely insufficient. I request sanction for this. The vaccinators will be under the immediate orders of the Taluk Boards:—

	Rs.
1 Deputy Inspector of Vaccination on	70
1 Do. do.	60
1 Do. do.	40
5 First-class Vaccinators on	18 each.
6 Do. do.	15 „
25 Second-class Vaccinators on	10 „
3 Peons on	6 „
8 Probationers	5 „

22. *Sanitation.*—The provision under this is Rs. 17,940, or Rs. 10,010 more than the current year's revised estimate. Expenditure on this important matter has recently, owing to the want of money, been very inadequate to district needs, and, with choultry expenditure, will all be in the hands of the Taluk Boards.

23. *Bungalows* are retained under the District Board. The administration of the Taylorpet Fund will be with the Narsápur Taluk Board.

24. *Contributions to Medical College and Sanitary Inspection.*—The expenditure is calculated on the receipts.

The other figures call for no remarks.

25. *Grant IV—Miscellaneous.*—The total expenditure will be Rs. 21,600 as against Rs. 10,950 provided in the current year's revised estimate. It has been agreed to entertain a clerk on Rs. 20 and attender on Rs. 7 per month in each of the Taluk Board offices from 1st April next, costing Rs. 3,200 in all. The sanction of Government is requested for this.

The provision for contingencies and miscellaneous is also increased with reference to the introduction of Taluk Boards, postal charges, printing and miscellaneous being valued at Rs. 100, and travelling allowance to non-official members at Rs. 200 per Board.

In other respects, the items provided are the same as for the current year.

The reserve, Rs. 38,980, is calculated at Rs. 10 per cent. of total receipts. The total expenditure under all grants will be Rs. 4,81,170 and the balance at the end of the year will be Rs. 43,210.

A tracing of the district showing the roads, &c., is also submitted.

Passed.

The following gentlemen are appointed a committee to select roads for repairs by taluk boards:—

President.
Local Fund Engineer.
M.R.Ry. Shaik Mahomed Yusuff Sahib Bahadur Gáru.
„ K. Dakishanamurti Sastri Gáru.

(True Copy.)

(Signed) J. THOMSON,
President.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 5th February 1886, No. 182.

I have the honor to report, for the information of Government, that a sum of Rs. 17,940 or 15·0 per cent. of available income has been set apart by the district board, Godávari, for sanitary requirements of the district, exclusive of Rs. 1,990 provided for sanitary inspection. Though below the minimum allotment that should be made, it may be accepted for the purposes intended which are given below:—

	RS.
Improvement of water-supply	4,100
Do. of village-site	700
Conservancy	6,200
Fairs and festivals	740
Other sanitary outlay	6,200
Total ...	17,940

2. I observe, however, a total of Rs. 18,000 entered under Grant I, "New Works," and "Repairs" against "Civil Buildings" and "Miscellaneous Public Improvements," details of which are not given. Some of the works for which this money is intended may be of a sanitary nature.

3. The vaccination grant amounts to Rs. 10,580 against Rs. 8,350; the board propose to entertain one second-class vaccinator in each taluk and three extra probationers on Rs. 5 each at head-quarters for service during the prevalence of small-pox or other epidemic disease. I trust that Government will be pleased to sanction the proposal.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 15th February 1886, No. 78.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the Godávari district for the year 1886-87 for the maintenance of the dispensaries is sufficient and calls for no remarks save in the item of "Medical Subordinates."

2. A sum of Rs. 540 is provided for the pay and charge allowance of the medical subordinate of the Amalápuram dispensary. It should be increased to Rs. 720, as the second-class hospital assistant attached to the institution will be promoted to first-class in July next.

3. The provision made for the salary of the medical subordinate of the Sivakodu dispensary, viz., Rs. 600, should be reduced to Rs. 540, being the pay and charge allowance of the second-class civil hospital assistant now attached to the dispensary.

Pay of second-class civil hospital assistant ...	Rs.	35
Charge allowance	„	10
	„	45 × 12 = 540.

4. The pay, &c., of each of the medical subordinates (third-class hospital assistants) of the Chintalapád and Tállapúdi dispensaries should be raised from Rs. 420 to Rs. 510, as they will be promoted to second-class in July next.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 17th March 1886, No. 1786.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Godávari district board for 1886-87.

2. The educational assets, including one-sixth land-cess, are estimated at Rs. 76,080. Credit is taken for a grant of Rs. 1,694 from Provincial funds on account of the Local Fund normal school at Rajahmundry, but I am not aware how this figure has been arrived at. The board will be entitled to a grant of about Rs. 870 only from Provincial funds on account of salaries of masters and stipends of students. Rs. 755 are estimated as grants from Provincial funds on account of the middle schools at Amalápuram and Víravásaram. As the total estimated cost of these schools is Rs. 3,180, and as the income from fees is estimated at Rs. 2,850, not more than Rs. 650 can be claimed from Provincial funds under section 11, chapter II of the Grant-in-aid Code.

3. The charges proposed under Grant II aggregate Rs. 76,470 against Rs. 76,540 in the current year's budget as detailed below:—

	1885-86. RS.	1886-87. RS.
Inspection	4,500	4,500
Training schools	3,460	2,030
Local Fund schools	57,740	59,180
Salary grants	80	...
Results grants	10,000	10,000
Miscellaneous	760	760
Total ...	76,540	76,470

4. *Inspection.*—The provision of the current year is repeated under this head and will suffice.

5. *Training Schools.*—Rs. 2,030 are provided for the Rajahmundry normal school against Rs. 3,460 in the current year's budget on account of the Rajahmundry and Narsápur normal schools. In statement IV, Rs. 1,080 are entered under Stipends, but the correct amount is Rs. 1,440 (Rs. 4 × 12 × 30).

6. *Local Fund Schools.*—The provision made for the middle schools is Rs. 900 in excess of the current year's allotment, but the increase has not been explained by the President. The assignment for combined system schools is, I think, sufficient.

7. *Salary Grants.*—No provision has been made in the budget for salary grants, though Rs. 80 were provided in the current year's budget to aid the mission school at Bendamurlunka.

8. *Results Grants.*—The allotments under "Results Grants" and "Miscellaneous" call for no special remarks.

2. *Revised Estimate for* 1885-86.—Owing to the unusually small outlay on works in 1884-85, for which several more or less unsatisfactory reasons were given in the annual report, there was an increase of no less than Rs. 1,51,190 in the opening balance of 1885-86 as compared with the budget figure. Excluding this balance the receipts of the year were estimated at Rs. 4,01,400 against Rs. 4,10,300 in the budget. The collections under Land-cess were expected to fall short of the budget estimate by Rs. 3,400 and the estimate under School fees was also reduced from Rs. 14,560 to Rs. 8,200; but neither alteration is satisfactorily explained. The expenditure was estimated at Rs. 5,26,750 against Rs. 4,67,000 in the budget, the increase occurring under Grant I and being explained by subsequent allotments sanctioned for incomplete works, &c. The receipts and charges of endowed institutions should have been shown separately in a foot-note to the revised estimate as required in No. 11 of the budget rules. The balance to be carried forward is Rs. 1,25,410, of which Rs. 11,060 appertain to endowed institutions, and will be transferred to taluk funds, the remainder being credited to the district fund.

3. *Budget Estimate for* 1886-87.—Excluding the balance, the receipts are estimated at Rs. 3,98,970 against Rs. 4,10,300 in the budget for 1885-86, the decrease, as in the revised estimate, occurring chiefly under Land-cess and School fees. It is proposed to credit the district fund with the whole of the estimated income under the latter head; but as the normal school alone will remain under the management of the district board the sum of Rs. 40 expected from this school will be shown under district fund and the remainder transferred to taluk funds. The receipts noted in the margin will also, in the absence of special reason to the contrary, be transferred from the district to taluk funds, while the sum of Rs. 1,000, representing interest on arrears of land-cess, will be transferred from taluk funds to the district fund. As suggested by the Director of Public Instruction the sum of Rs. 8,120 expected in contributions from Provincial funds on account of education will be reduced to Rs. 7,190, of which Rs. 870, appertaining to the normal school, will be credited to the district fund and the remainder to taluk funds. The grant for middle schools is estimated by the Director at Rs. 650, but from the figures given by him it would appear that not more than Rs. 330 can be claimed.

3. Medical—

5. Miscellaneous—

4. Under Grant I Rs. 1,16,500 and Rs. 75,330 respectively are provided for new communications and road repairs, against Rs. 1,34,420 and Rs. 71,400 in the budget for 1885-86. Of these sums Rs. 14,000 for the construction of new village roads and Rs. 13,780 of the allotment for repairs are debited to taluk funds, and the remainder to the district fund. But under the budget rules the cost of constructing and repairing principal lines of communication, as defined in paragraph 2 of G O., dated 3rd December 1885, No. 1155 L.F., should alone be met from the district fund. The President is therefore requested to have these charges redistributed and to submit revised statements III-A and III-B showing clearly the works in the charge of the district and taluk boards respectively. The allotments for civil buildings and miscellaneous public improvements will be debited to taluk funds. The provision of Rs. 45,700 for Local Fund engineering establishment amounts to 21·7 per cent. of the proposed outlay on works, the rate prescribed by rule being 20 per cent. Efforts should be made to reduce this within the limit laid down. It is proposed to retain the whole of the establishment under the district board, the taluk boards carrying

out their works by temporary establishments charged to works, but as the district engineering establishment is to be available for estimating, supervising, and checking the works of taluk boards, the President will report what portion of their cost should be debited to taluk funds with reference to G.O, dated 3rd December 1885, No. 1155 L.F. The sum of Rs. 3,000 provided under Miscellaneous on account of stock in timber, bricks, &c., with reference to G.O., dated 24th November 1885, No. 1097, will be struck out, the reserve being in the nature of a permanent advance which should be replenished from time to time and not repeated annually.

5. For education Rs. 76,470 are provided against Rs. 76,540 in last year's budget. The two middle schools which the President proposes to retain under the district board should be handed over to the taluk boards concerned. It is presumed that the increase of Rs. 900 in the provision for these schools, which the Director of Public Instruction refers to as unexplained, is due to the raising of the grade of the middle school at Amalápuram under G.O., dated 3rd June 1885, Mis., No. 249 L.F. The sums of Rs. 250 and Rs. 20 respectively provided for the purchase of books and the payment of commission on their sale will be transferred to the district fund with reference to paragraph 4 of G.O., dated 3rd December 1885, No. 1155 L.F.

6. As observed by the Surgeon-General, the provision of Rs. 12,930 for hospitals and dispensaries must be raised to Rs. 13,230. For vaccination the allotment is Rs. 10,580 against Rs. 8,350 in last year's budget. The increase is explained by the proposal to employ an additional second-class vaccinator for each taluk and three probationers on Rs. 5 each *per mensem* at head-quarters, to be deputed for service when small-pox is prevalent in the district. This proposal, supported by the Sanitary Commissioner, is sanctioned; but the whole cost of vaccination should be debited to the district fund with reference to G.O., dated 27th November 1885, No. 1116, L.F. The contribution of Rs. 160 payable to the Rajahmundry Municipality for the Kumbamvari choultry under G.O., dated 8th June 1885, No. 267, will be transferred from "Choultries" to "Contributions to Municipalities," and the provision of Rs. 450 for bungalows as well as contributions to municipalities and private individuals transferred to taluk funds.

7. Under Grant IV the contribution for controlling establishments at the Presidency will be altered to Rs. 3,700, the amount paid in 1884-85. The proposal to employ a clerk on Rs. 20 and an attender on Rs. 7 for each taluk board is sanctioned, but as the number of taluk boards has now been fixed at 4 instead of 11 as proposed by the President, the provision of Rs. 3,520 for this purpose will be reduced to Rs. 1,300.

G.O., dated 10th May 1886, No. 515 L.F.

8. The reserve calculated at 10 per cent. of the receipts should be Rs. 39,800 and not Rs. 38,980 as stated by the President, and this sum will be distributed between the district and taluk funds in proportion to their receipts. The budget, as modified by Government, closes with a balance of Rs. 46,320, of which Rs. 19,090 appertain to the district fund and Rs. 27,230 to taluk funds. The balance under the district fund is 10 per cent., and that under taluk funds, excluding Rs. 13,380 appertaining to endowments, 6·7 per cent. of the receipts. These figures will need revision with reference to the distribution of public works charges ordered in paragraph 4, which will probably necessitate an allotment from district to taluk funds.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From J. THOMSON, Esq., President, District Board, Godávari, to the Acting Chief Secretary to Government, dated Cocanada, 26th December 1885, No. 112.

I have the honor to submit the revised estimate of the Local Funds of the Godávari district for the current official year 1885-86 and the budget estimates for the next official year (1886-87) as passed by the District Board at a meeting held on the 10th December 1885. They were drawn up and passed at a meeting held on 29th September, but on receipt of G.O., No. 930 L.F., of 25th October, I called a fresh meeting and now submit them as passed thereat. In their preparation the instructions of Government as conveyed in the said order and in No. 728 L.F., dated 14th September 1885, have been attended to.

REGULAR ESTIMATE, 1885-86.

2. *Receipts.*—The opening balance agrees with the closing balance of 1884-85 as per Accountant-General's result statement on the supplemental treasury account for March last, No. AAZ/L 59, dated 9th September 1885, and is Rs. 1,51,190 in excess of the estimated balance. This is due to short expenditure under Grant I during 1884-85 for which the Engineer has assigned various reasons—insufficient establishment, difficulty in obtaining lands, late date of receipt of intimation of allotments, short working season for the Central delta, difficulty of obtaining labor in the hill tracts, failure of contractors, surrenders, altered projects, &c.

3. *The amount of cess* on land has been altered by advice of the Revenue Department.

I am not aware why Rs. 14,560 was entered originally as obtainable from school-fees; it is much in excess of the actuals of 1884-85 (Rs. 5,710). The matter of fees has been unsettled for some time. Recently distinct orders have been issued. It is entered now as Rs. 8,200, which is the figure for next year also.

4. *Under interest* on arrears, Rs. 1,000 is entered with reference to the actuals of the previous year.

The other items require no remarks.

5. *Expenditure.*—Subsequent allotments with reference to the large available balance and the incomplete works have swelled the budget grants for communications from Rs. 2,05,820 to Rs. 3,82,560, of which, however, Rs. 99,300 have been given up with reference to the retrenchment orders of May last.

In G.O., No. 1033 L.F., of 14th ultimo, Rs. 20,000 were directed to be paid towards the Kovur-Manjair Canal, and this is provided for.

6. *In Civil Buildings and Miscellaneous Public Improvements*, for which no provision was originally made beyond Rs. 8,000, Rs. 38,780 is now entered, of which Rs. 14,720 is for new works and Rs. 24,060 for repairs. The greater portion of this is for improvement of water-supply.

The variations under the other grants are sufficiently explained in the appropriate columns and require no remarks.

The closing balance is Rs. 1,25,410 which is carried forward to the next year.

Budget Estimate, 1886-87.

7. The number of Taluk Boards originally proposed was twelve; it has been thought advisable to unite Nagaram with Narsápur on account of its small area. The Board in October 1884 postponed the matter of punchayets for consideration by the Taluk Boards. The total receipts for 1886-87, including the opening balance of Rs. 1,25,410, are estimated at Rs. 5,24,380. Of the balance, Rs. 6,720 is transferred to Taluk Boards to meet the expenditure assigned to them—*vide* section 55, of Act V of 1884. The principal item of land-cess is expected to yield Rs. 3,57,400—slightly in excess of the figure in the revised estimate of this year. Half of this is transferred to the Taluk Boards. The matter of increasing the rate of land-cess from 9 pies to one anna was mooted and very unfavorably received. A proposal to have tolls was also rejected. If expenditure goes on, however, as proposed, these will force themselves to be considered.

8. *Tolls.*—The figure adopted is that reported by Ellore Municipality.

9. *School-fees.*—The Educational officers have estimated Rs. 8,200 under this head and expect an increase in the number of pupils over the past and present years. It is difficult, however, to estimate accurately what the result of the fee rules will be.

10. *Interest.*—The receipts on arrears of cess are taken at Rs. 1,000—the same figure as in the revised estimate.

11. *Contributions from private individuals.*—The receipts for the current year according to the revised estimate are Rs. 5,000. Next year's receipts are now estimated at Rs. 4,000—a single sum of Rs. 2,000 being an item of this year.

12. *Choultry Rents.*—Rs. 6,300, being Rs. 700 less than the current year's revised estimate, are expected in the next year, a large amount of old arrears having been collected in this year.

13. *Markets.*—The same figure as in the current year is adopted. Some new markets will probably be opened, but buildings have to be provided; and as the expenditure will have to balance the income, the estimates will not be affected.

Public Works Receipts.

14. *Refunds and Miscellaneous* are expected to yield much the same as in the current year.

15. *Contributions from Provincial Funds—Education.*—Rs. 8,120, less by Rs. 1,640 than the current year's revised estimate, is entered on the report of the Educational officers. No reason is assigned, but probably a decrease in pupils, by increased fees, is looked for.

16. *Contributions from Special Funds—Pound Fund.*—Rs. 5,000, the figure in the current year's revised estimate, is repeated.

Expenditure.

17. *Grant I—Public Works.*—The expenditure, which is estimated at Rs. 2,80,930, is distributed as follows:—

	Rs.
For New Works	1,21,500
„ Repairs	88,330
Local Fund Engineering establishment	45,700
Tools and plant	3,400
Stock	3,000
Contribution for Kovur-Manjair Canal	19,000
Total ...	2,80,930

Details will be found in the statement III-A and B. Rs. 24,000 are for entirely new projects and Rs. 97,500 to carry on works already in progress. Of Rs. 2,09,830 allotted for new works and repairs, Rs. 30,280 are proposed to be utilized by the respective Taluk Boards, being Rs. 14,000 for new (village) roads, Rs. 13,780 for maintenance of communications, and Rs. 2,500 for repairs to tanks and wells. The details of road maintenance to be supervised by the Taluk Boards have not been settled; a Committee has been appointed to select the particular roads.

The cost of the Engineering establishment stands for the current year at Rs. 41,600.

Some posts are vacant for want of men to fill them and the travelling allowances of all Overseers are to be brought into accordance with the Travelling Allowance Code. The establishment list as sanctioned by G.O., No. 2748, of 9th August 1884, accompanies, and will, as far as possible, be worked up to. A proposal has recently been agreed to by the Board to increase the draughtsman's pay to Rs. 70 as no competent man on Rs. 50 can be obtained. It is not proposed to put any of the existing establishment under the orders of the Taluk Boards, but they will continue under the immediate orders of the Engineer and the District Board, and be available for estimating, supervising and checking the work which the Taluk Boards will carry out by temporary establishments charged to the works. The whole cost is Rs. 18·15 per cent. of the proposed expenditure.

Rs. 19,000 is provided for contribution towards the construction of Kovur-Manjair Canal.

The Rs. 3,000 for stock is intended for workshop, brick manufacture and material depôts, and is the sum sanctioned for the current year—*vide* G.O., No. 1097, of 24th November 1885.

18. *Grant II—Education.*—The total expenditure under this grant will, it is estimated, be Rs. 76,470; the figures of the revised estimate are practically repeated. Except the Inspecting staff, Normal school at Rajahmundry and the two Middle schools at Amalápuram and Víravásaram, the whole grant is left for expenditure by the Taluk Boards—

	Rs.
2 Inspecting schoolmasters, on Rs. 35 each	840
2 „ „ „ 30 „	720
5 „ „ „ 25 „	1,500
1 „ schoolmaster on „ 20	240
Batta for Inspecting schoolmasters	800
Contingencies	400
Total ...	4,500

19. *Grant III—Medical, Vaccination and Sanitation, &c.*—The total provision for expenditure under this grant is Rs. 63,190, or Rs. 13,730 more than the provision made in the revised estimate for the current year.

20. *Under Hospitals and Dispensaries*, Rs. 15,930, nearly the same figure as in the revised estimate, if regard is had to Rs. 3,000 for medicines, &c., classed under contributions to Provincial services, is adopted. Except the Zillah Surgeon's establishment and medical practitioners (itinerating hospital assistant), the whole will be administered by the Taluk Boards.

21. *Vaccination.*—The grant is Rs. 10,580—an increase of Rs. 2,230 over the current year's revised estimate. This is to provide for the entertainment of one second-class vaccinator in each taluk and three extra probationers on Rs. 5 each at head-quarters, for service when small-pox or other epidemic is prevalent in the district, instead of employing temporary vaccinators. The present staff of vaccinators being only one for each taluk, is entirely insufficient. I request sanction for this. The vaccinators will be under the immediate orders of the Taluk Boards:—

	Rs.
1 Deputy Inspector of Vaccination on	70
1 Do. do.	60
1 Do. do.	40
5 First-class Vaccinators on	18 each.
6 Do. do.	15 „
25 Second-class Vaccinators on	10 „
3 Peons on	6 „
8 Probationers	5 „

22. *Sanitation.*—The provision under this is Rs. 17,940, or Rs. 10,010 more than the current year's revised estimate. Expenditure on this important matter has recently, owing to the want of money, been very inadequate to district needs, and, with choultry expenditure, will all be in the hands of the Taluk Boards.

23. *Bungalows* are retained under the District Board. The administration of the Taylorpet Fund will be with the Narsápur Taluk Board.

24. *Contributions to Medical College and Sanitary Inspection.*—The expenditure is calculated on the receipts.

The other figures call for no remarks.

25. *Grant IV—Miscellaneous.*—The total expenditure will be Rs. 21,600 as against Rs. 10,950 provided in the current year's revised estimate. It has been agreed to entertain a clerk on Rs. 20 and attender on Rs. 7 per month in each of the Taluk Board offices from 1st April next, costing Rs. 3,200 in all. The sanction of Government is requested for this.

The provision for contingencies and miscellaneous is also increased with reference to the introduction of Taluk Boards, postal charges, printing and miscellaneous being valued at Rs. 100, and travelling allowance to non-official members at Rs. 200 per Board.

In other respects, the items provided are the same as for the current year.

The reserve, Rs. 38,980, is calculated at Rs. 10 per cent. of total receipts. The total expenditure under all grants will be Rs. 4,81,170 and the balance at the end of the year will be Rs. 43,210.

A tracing of the district showing the roads, &c., is also submitted.

Other sanitary outlay	6,200
Total ...	17,940

2. I observe, however, a total of Rs. 18,000 entered under Grant I, "New Works," and "Repairs" against "Civil Buildings" and "Miscellaneous Public Improvements," details of which are not given. Some of the works for which this money is intended may be of a sanitary nature.

3. The vaccination grant amounts to Rs. 10,580 against Rs. 8,350; the board propose to entertain one second-class vaccinator in each taluk and three extra probationers on Rs. 5 each at head-quarters for service during the prevalence of small-pox or other epidemic disease. I trust that Government will be pleased to sanction the proposal.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 15th February 1886, No. 78.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the Godávari district for the year 1886-87 for the maintenance of the dispensaries is sufficient and calls for no remarks save in the item of "Medical Subordinates."

2. A sum of Rs. 540 is provided for the pay and charge allowance of the medical subordinate of the Amalápuram dispensary. It should be increased to Rs. 720, as the second-class hospital assistant attached to the institution will be promoted to first-class in July next.

3. The provision made for the salary of the medical subordinate of the Sivakodu dispensary, viz., Rs. 600, should be reduced to Rs. 540, being the pay and charge allowance of the second-class civil hospital assistant now attached to the dispensary.

Pay of second-class civil hospital assistant ...	Rs. 35
Charge allowance	„ 10
	„ 45 × 12 = 540.

4. The pay, &c., of each of the medical subordinates (third-class hospital assistants) of the Chintalapád and Tállapúdi dispensaries should be raised from Rs. 420 to Rs. 510, as they will be promoted to second-class in July next.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 17th March 1886, No. 1786.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Godávari district board for 1886-87.

2. The educational assets, including one-sixth land-cess, are estimated at Rs. 76,080. Credit is taken for a grant of Rs. 1,694 from Provincial funds on account of the Local Fund normal school at Rajahmundry, but I am not aware how this figure has been arrived at. The board will be entitled to a grant of about Rs. 870 only from Provincial funds on account of salaries of masters and stipends of students. Rs. 755 are estimated as grants from Provincial funds on account of the middle schools at Amalápuram and Víravásaram. As the total estimated cost of these schools is Rs. 3,180, and as the income from fees is estimated at Rs. 2,850, not more than Rs. 650 can be claimed from Provincial funds under section 11, chapter II of the Grant-in-aid Code.

3. The charges proposed under Grant II aggregate Rs. 76,470 against Rs. 76,540 in the current year's budget as detailed below:—

	1885-86. RS.	1886-87. RS.
Inspection	4,500	4,500
Training schools	3,460	2,030
Local Fund schools	57,740	59,180
Salary grants	80	...
Results grants	10,000	10,000
Miscellaneous	760	760
Total ...	76,540	76,470

4. *Inspection.*—The provision of the current year is repeated under this head and will suffice.

5. *Training Schools.*—Rs. 2,030 are provided for the Rajahmundry normal school against Rs. 3,460 in the current year's budget on account of the Rajahmundry and Narsápur normal schools. In statement IV, Rs. 1,080 are entered under Stipends, but the correct amount is Rs. 1,440 (Rs. 4 × 12 × 30).

6. *Local Fund Schools.*—The provision made for the middle schools is Rs. 900 in excess of the current year's allotment, but the increase has not been explained by the President. The assignment for combined system schools is, I think, sufficient.

7. *Salary Grants.*—No provision has been made in the budget for salary grants, though Rs. 80 were provided in the current year's budget to aid the mission school at Bendamurlunka.

8. *Results Grants.*—The allotments under "Results Grants" and "Miscellaneous" call for no special remarks.

2. *Revised Estimate for* 1885-86.—Owing to the unusually small outlay on works in 1884-85, for which several more or less unsatisfactory reasons were given in the annual report, there was an increase of no less than Rs. 1,51,190 in the opening balance of 1885-86 as compared with the budget figure. Excluding this balance the receipts of the year were estimated at Rs. 4,01,400 against Rs. 4,10,300 in the budget. The collections under Land-cess were expected to fall short of the budget estimate by Rs. 3,400 and the estimate under School fees was also reduced from Rs. 14,560 to Rs. 8,200; but neither alteration is satisfactorily explained. The expenditure was estimated at Rs. 5,26,750 against Rs. 4,67,000 in the budget, the increase occurring under Grant I and being explained by subsequent allotments sanctioned for incomplete works, &c. The receipts and charges of endowed institutions should have been shown separately in a foot-note to the revised estimate as required in No. 11 of the budget rules. The balance to be carried forward is Rs. 1,25,410, of which Rs. 11,060 appertain to endowed institutions, and will be transferred to taluk funds, the remainder being credited to the district fund.

3. *Budget Estimate for* 1886-87.—Excluding the balance, the receipts are estimated at Rs. 3,98,970 against Rs. 4,10,300 in the budget for 1885-86, the decrease, as in the revised estimate, occurring chiefly under Land-cess and School fees. It is proposed to credit the district fund with the whole of the estimated income under the latter head; but as the normal school alone will remain under the management of the district board the sum of Rs. 40 expected from this school will be shown under district fund and the remainder transferred to taluk funds. The receipts noted in the margin will also, in the absence of special reason to the contrary, be transferred from the district to taluk funds, while the sum of Rs. 1,000, representing interest on arrears of land-cess, will be transferred from taluk funds to the district fund. As suggested by the Director of Public Instruction the sum of Rs. 8,120 expected in contributions from Provincial funds on account of education will be reduced to Rs. 7,190, of which Rs. 870, appertaining to the normal school, will be credited to the district fund and the remainder to taluk funds. The grant for middle schools is estimated by the Director at Rs. 650, but from the figures given by him it would appear that not more than Rs. 330 can be claimed.

4. Under Grant I Rs. 1,16,500 and Rs. 75,330 respectively are provided for new communications and road repairs, against Rs. 1,34,420 and Rs. 71,400 in the budget for 1885-86. Of these sums Rs. 14,000 for the construction of new village roads and Rs. 13,780 of the allotment for repairs are debited to taluk funds, and the remainder to the district fund. But under the budget rules the cost of constructing and repairing principal lines of communication, as defined in paragraph 2 of G.O., dated 3rd December 1885, No. 1155 L.F., should alone be met from the district fund. The President is therefore requested to have these charges redistributed and to submit revised statements III-A and III-B showing clearly the works in the charge of the district and taluk boards respectively. The allotments for civil buildings and miscellaneous public improvements will be debited to taluk funds. The provision of Rs. 45,700 for Local Fund engineering establishment amounts to 21·7 per cent. of the proposed outlay on works, the rate prescribed by rule being 20 per cent. Efforts should be made to reduce this within the limit laid down. It is proposed to retain the whole of the establishment under the district board, the taluk boards carrying

out their works by temporary establishments charged to works, but as the district engineering establishment is to be available for estimating, supervising, and checking the works of taluk boards. the President will report what portion of their cost should be debited to taluk funds with reference to G.O, dated 3rd December 1885, No. 1155 L.F. The sum of Rs. 3,000 provided under Miscellaneous on account of stock in timber, bricks, &c., with reference to G.O., dated 24th November 1885, No. 1097, will be struck out, the reserve being in the nature of a permanent advance which should be replenished from time to time and not repeated annually.

5. For education Rs. 76,470 are provided against Rs. 76,540 in last year's budget. The two middle schools which the President proposes to retain under the district board should be handed over to the taluk boards concerned. It is presumed that the increase of Rs. 900 in the provision for these schools, which the Director of Public Instruction refers to as unexplained, is due to the raising of the grade of the middle school at Amalápuram under G.O., dated 3rd June 1885, Mis., No. 249 L.F. The sums of Rs. 250 and Rs. 20 respectively provided for the purchase of books and the payment of commission on their sale will be transferred to the district fund with reference to paragraph 4 of G.O., dated 3rd December 1885, No. 1155 L.F.

6. As observed by the Surgeon-General, the provision of Rs. 12,930 for hospitals and dispensaries must be raised to Rs. 13,230. For vaccination the allotment is Rs. 10,580 against Rs. 8,350 in last year's budget. The increase is explained by the proposal to employ an additional second-class vaccinator for each taluk and three probationers on Rs. 5 each *per mensem* at head-quarters, to be deputed for service when small-pox is prevalent in the district. This proposal, supported by the Sanitary Commissioner, is sanctioned; but the whole cost of vaccination should be debited to the district fund with reference to G.O., dated 27th November 1885, No. 1116, L.F. The contribution of Rs. 160 payable to the Rajahmundry Municipality for the Kumbamvari choultry under G.O., dated 8th June 1885, No. 267, will be transferred from "Choultries" to "Contributions to Municipalities," and the provision of Rs. 450 for bungalows as well as contributions to municipalities and private individuals transferred to taluk funds.

7. Under Grant IV the contribution for controlling establishments at the Presidency will be altered to Rs. 3,700, the amount paid in 1884-85. The proposal to employ a clerk on Rs. 20 and an attender on Rs. 7 for each taluk board is sanctioned, but as the number of taluk boards has now been fixed at 4 instead of 11 as proposed by the President, the provision of Rs. 3,520 for this purpose will be reduced to Rs. 1,300.

G.O., dated 10th May 1886, No. 515 L.F.

8. The reserve calculated at 10 per cent. of the receipts should be Rs. 39,800 and not Rs. 38,980 as stated by the President, and this sum will be distributed between the district and taluk funds in proportion to their receipts. The budget, as modified by Government, closes with a balance of Rs. 46,320, of which Rs. 19,090 appertain to the district fund and Rs. 27,230 to taluk funds. The balance under the district fund is 10 per cent., and that under taluk funds, excluding Rs. 13,380 appertaining to endowments, 6·7 per cent. of the receipts. These figures will need revision with reference to the distribution of public works charges ordered in paragraph 4, which will probably necessitate an allotment from district to taluk funds.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From J. THOMSON, Esq., President, District Board, Godávari, to the Acting Chief Secretary to Government, dated Cocanada, 26th December 1885, No. 112.

I have the honor to submit the revised estimate of the Local Funds of the Godávari district for the current official year 1885-86 and the budget estimates for the next official year (1886-87) as passed by the District Board at a meeting held on the 10th December 1885. They were drawn up and passed at a meeting held on 29th September, but on receipt of G.O., No. 930 L.F., of 25th October, I called a fresh meeting and now submit them as passed thereat. In their preparation the instructions of Government as conveyed in the said order and in No. 728 L.F., dated 14th September 1885, have been attended to.

REGULAR ESTIMATE, 1885-86.

2. *Receipts.*—The opening balance agrees with the closing balance of 1884-85 as per Accountant-General's result statement on the supplemental treasury account for March last, No. AAZ/L 59, dated 9th September 1885, and is Rs. 1,51,190 in excess of the estimated balance. This is due to short expenditure under Grant I during 1884-85 for which the Engineer has assigned various reasons—insufficient establishment, difficulty in obtaining lands, late date of receipt of intimation of allotments, short working season for the Central delta, difficulty of obtaining labor in the hill tracts, failure of contractors, surrenders, altered projects, &c.

3. *The amount of cess* on land has been altered by advice of the Revenue Department.

I am not aware why Rs. 14,560 was entered originally as obtainable from school-fees; it is much in excess of the actuals of 1884-85 (Rs. 5,710). The matter of fees has been unsettled for some time. Recently distinct orders have been issued. It is entered now as Rs. 8,200, which is the figure for next year also.

4. *Under interest* on arrears, Rs. 1,000 is entered with reference to the actuals of the previous year.

The other items require no remarks.

5. *Expenditure.*—Subsequent allotments with reference to the large available balance and the incomplete works have swelled the budget grants for communications from Rs. 2,05,820 to Rs. 3,82,560, of which, however, Rs. 99,300 have been given up with reference to the retrenchment orders of May last.

In G.O., No. 1033 L.F., of 14th ultimo, Rs. 20,000 were directed to be paid towards the Kovur-Manjair Canal, and this is provided for.

6. *In Civil Buildings and Miscellaneous Public Improvements*, for which no provision was originally made beyond Rs. 8,000, Rs. 38,780 is now entered, of which Rs. 14,720 is for new works and Rs. 24,060 for repairs. The greater portion of this is for improvement of water-supply.

The variations under the other grants are sufficiently explained in the appropriate columns and require no remarks.

The closing balance is Rs. 1,25,410 which is carried forward to the next year.

Budget Estimate, 1886-87.

7. The number of Taluk Boards originally proposed was twelve; it has been thought advisable to unite Nagaram with Narsápur on account of its small area. The Board in October 1884 postponed the matter of punchayets for consideration by the Taluk Boards. The total receipts for 1886-87, including the opening balance of Rs. 1,25,410, are estimated at Rs. 5,24,380. Of the balance, Rs. 6,720 is transferred to Taluk Boards to meet the expenditure assigned to them—*vide* section 55, of Act V of 1884. The principal item of land-cess is expected to yield Rs. 3,57,400—slightly in excess of the figure in the revised estimate of this year. Half of this is transferred to the Taluk Boards. The matter of increasing the rate of land-cess from 9 pies to one anna was mooted and very unfavorably received. A proposal to have tolls was also rejected. If expenditure goes on, however, as proposed, these will force themselves to be considered.

8. *Tolls.*—The figure adopted is that reported by Ellore Municipality.

9. *School-fees.*—The Educational officers have estimated Rs. 8,200 under this head and expect an increase in the number of pupils over the past and present years. It is difficult, however, to estimate accurately what the result of the fee rules will be.

10. *Interest.*—The receipts on arrears of cess are taken at Rs. 1,000—the same figure as in the revised estimate.

11. *Contributions from private individuals.*—The receipts for the current year according to the revised estimate are Rs. 5,000. Next year's receipts are now estimated at Rs. 4,000—a single sum of Rs. 2,000 being an item of this year.

12. *Choultry Rents.*—Rs. 6,300, being Rs. 700 less than the current year's revised estimate, are expected in the next year, a large amount of old arrears having been collected in this year.

13. *Markets.*—The same figure as in the current year is adopted. Some new markets will probably be opened, but buildings have to be provided; and as the expenditure will have to balance the income, the estimates will not be affected.

Public Works Receipts.

14. *Refunds and Miscellaneous* are expected to yield much the same as in the current year.

15. *Contributions from Provincial Funds—Education.*—Rs. 8,120, less by Rs. 1,640 than the current year's revised estimate, is entered on the report of the Educational officers. No reason is assigned, but probably a decrease in pupils, by increased fees, is looked for.

16. *Contributions from Special Funds—Pound Fund.*—Rs. 5,000, the figure in the current year's revised estimate, is repeated.

Expenditure.

17. *Grant I—Public Works.*—The expenditure, which is estimated at Rs. 2,80,930, is distributed as follows:—

	Rs.
For New Works	1,21,500
„ Repairs	88,330
Local Fund Engineering establishment	45,700
Tools and plant	3,400
Stock	3,000
Contribution for Kovur-Manjair Canal	19,000
Total ...	2,80,930

Details will be found in the statement III-A and B. Rs. 24,000 are for entirely new projects and Rs. 97,500 to carry on works already in progress. Of Rs. 2,09,830 allotted for new works and repairs, Rs. 30,280 are proposed to be utilized by the respective Taluk Boards, being Rs. 14,000 for new (village) roads, Rs. 13,780 for maintenance of communications, and Rs. 2,500 for repairs to tanks and wells. The details of road maintenance to be supervised by the Taluk Boards have not been settled; a Committee has been appointed to select the particular roads.

The cost of the Engineering establishment stands for the current year at Rs. 41,600.

Some posts are vacant for want of men to fill them and the travelling allowances of all Overseers are to be brought into accordance with the Travelling Allowance Code. The establishment list as sanctioned by G.O., No. 2748, of 9th August 1884, accompanies, and will, as far as possible, be worked up to. A proposal has recently been agreed to by the Board to increase the draughtsman's pay to Rs. 70 as no competent man on Rs. 50 can be obtained. It is not proposed to put any of the existing establishment under the orders of the Taluk Boards, but they will continue under the immediate orders of the Engineer and the District Board, and be available for estimating, supervising and checking the work which the Taluk Boards will carry out by temporary establishments charged to the works. The whole cost is Rs. 18·15 per cent. of the proposed expenditure.

Rs. 19,000 is provided for contribution towards the construction of Kovur-Manjair Canal.

The Rs. 3,000 for stock is intended for workshop, brick manufacture and material depôts, and is the sum sanctioned for the current year—*vide* G.O., No. 1097, of 24th November 1885.

18. *Grant II—Education.*—The total expenditure under this grant will, it is estimated, be Rs. 76,470; the figures of the revised estimate are practically repeated. Except the Inspecting staff, Normal school at Rajahmundry and the two Middle schools at Amalápuram and Víravásaram, the whole grant is left for expenditure by the Taluk Boards—

	Rs.
2 Inspecting schoolmasters, on Rs. 35 each	840
2 „ „ „ 30 „	720
5 „ „ „ 25 „	1,500
1 „ schoolmaster on „ 20	240
Batta for Inspecting schoolmasters	800
Contingencies	400
Total ...	4,500

19. *Grant III—Medical, Vaccination and Sanitation, &c.*—The total provision for expenditure under this grant is Rs. 63,190, or Rs. 13,730 more than the provision made in the revised estimate for the current year.

20. *Under Hospitals and Dispensaries*, Rs. 15,930, nearly the same figure as in the revised estimate, if regard is had to Rs. 3,000 for medicines, &c., classed under contributions to Provincial services, is adopted. Except the Zillah Surgeon's establishment and medical practitioners (itinerating hospital assistant), the whole will be administered by the Taluk Boards.

21. *Vaccination.*—The grant is Rs. 10,580—an increase of Rs. 2,230 over the current year's revised estimate. This is to provide for the entertainment of one second-class vaccinator in each taluk and three extra probationers on Rs. 5 each at head-quarters, for service when small-pox or other epidemic is prevalent in the district, instead of employing temporary vaccinators. The present staff of vaccinators being only one for each taluk, is entirely insufficient. I request sanction for this. The vaccinators will be under the immediate orders of the Taluk Boards:—

	Rs.
1 Deputy Inspector of Vaccination on	70
1 Do. do.	60
1 Do. do.	40
5 First-class Vaccinators on	18 each.
6 Do. do.	15 „
25 Second-class Vaccinators on	10 „
3 Peons on	6 „
8 Probationers	5 „

22. *Sanitation.*—The provision under this is Rs. 17,940, or Rs. 10,010 more than the current year's revised estimate. Expenditure on this important matter has recently, owing to the want of money, been very inadequate to district needs, and, with choultry expenditure, will all be in the hands of the Taluk Boards.

23. *Bungalows* are retained under the District Board. The administration of the Taylorpet Fund will be with the Narsápur Taluk Board.

24. *Contributions to Medical College and Sanitary Inspection.*—The expenditure is calculated on the receipts.

The other figures call for no remarks.

25. *Grant IV—Miscellaneous.*—The total expenditure will be Rs. 21,600 as against Rs. 10,950 provided in the current year's revised estimate. It has been agreed to entertain a clerk on Rs. 20 and attender on Rs. 7 per month in each of the Taluk Board offices from 1st April next, costing Rs. 3,200 in all. The sanction of Government is requested for this.

The provision for contingencies and miscellaneous is also increased with reference to the introduction of Taluk Boards, postal charges, printing and miscellaneous being valued at Rs. 100, and travelling allowance to non-official members at Rs. 200 per Board.

In other respects, the items provided are the same as for the current year.

The reserve, Rs. 38,980, is calculated at Rs. 10 per cent. of total receipts. The total expenditure under all grants will be Rs. 4,81,170 and the balance at the end of the year will be Rs. 43,210.

A tracing of the district showing the roads, &c., is also submitted.

Enclosure.

Copy of Proceedings of the District Board, Godávari, passed at their special meeting held at Cocanada, on the 10th December 1885.

1. Read revised estimate of 1885-86 and budget estimate of 1886-87.

Passed.

The following gentlemen are appointed a committee to select roads for repairs by taluk boards:—

President.
Local Fund Engineer.
M.R.Ry. Shaik Mahomed Yusuff Sahib Bahadur Gáru.
„ K. Dakishanamurti Sastri Gáru.

(True Copy.) (Signed) J. THOMSON,
President.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 5th February 1886, No. 182.

I have the honor to report, for the information of Government, that a sum of Rs. 17,940 or 15·0 per cent. of available income has been set apart by the district board, Godávari, for sanitary requirements of the district, exclusive of Rs. 1,990 provided for sanitary inspection. Though below the minimum allotment that should be made, it may be accepted for the purposes intended which are given below:—

	Rs.
Improvement of water-supply	4,100
Do. of village-site	700
Conservancy	6,200
Fairs and festivals	740
Other sanitary outlay	6,200
Total ...	17,940

2. I observe, however, a total of Rs. 18,000 entered under Grant I, "New Works," and "Repairs" against "Civil Buildings" and "Miscellaneous Public Improvements," details of which are not given. Some of the works for which this money is intended may be of a sanitary nature.

3. The vaccination grant amounts to Rs. 10,580 against Rs. 8,350; the board propose to entertain one second-class vaccinator in each taluk and three extra probationers on Rs. 5 each at head-quarters for service during the prevalence of small-pox or other epidemic disease. I trust that Government will be pleased to sanction the proposal.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 15th February 1886, No. 78.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the Godávari district for the year 1886-87 for the maintenance of the dispensaries is sufficient and calls for no remarks save in the item of "Medical Subordinates."

2. A sum of Rs. 540 is provided for the pay and charge allowance of the medical subordinate of the Amalápuram dispensary. It should be increased to Rs. 720, as the second-class hospital assistant attached to the institution will be promoted to first-class in July next.

3. The provision made for the salary of the medical subordinate of the Sivakodu dispensary, viz., Rs. 600, should be reduced to Rs. 540, being the pay and charge allowance of the second-class civil hospital assistant now attached to the dispensary.

Pay of second-class civil hospital assistant ...	Rs.	35
Charge allowance	„	10
	„	45 × 12 = 540.

4. The pay, &c., of each of the medical subordinates (third-class hospital assistants) of the Chintalapád and Tállapúdi dispensaries should be raised from Rs. 420 to Rs. 510, as they will be promoted to second-class in July next.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 17th March 1886, No. 1786.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Godávari district board for 1886-87.

2. The educational assets, including one-sixth land-cess, are estimated at Rs. 76,080. Credit is taken for a grant of Rs. 1,694 from Provincial funds on account of the Local Fund normal school at Rajahmundry, but I am not aware how this figure has been arrived at. The board will be entitled to a grant of about Rs. 870 only from Provincial funds on account of salaries of masters and stipends of students. Rs. 755 are estimated as grants from Provincial funds on account of the middle schools at Amalápuram and Víravásaram. As the total estimated cost of these schools is Rs. 3,180, and as the income from fees is estimated at Rs. 2,850, not more than Rs. 650 can be claimed from Provincial funds under section 11, chapter II of the Grant-in-aid Code.

3. The charges proposed under Grant II aggregate Rs. 76,470 against Rs. 76,540 in the current year's budget as detailed below:—

	1885-86. Rs.	1886-87. Rs.
Inspection	4,500	4,500
Training schools	3,460	2,030
Local Fund schools	57,740	59,180
Salary grants	80	...
Results grants	10,000	10,000
Miscellaneous	760	760
Total ...	76,540	76,470

4. *Inspection.*—The provision of the current year is repeated under this head and will suffice.

5. *Training Schools.*—Rs. 2,030 are provided for the Rajahmundry normal school against Rs. 3,460 in the current year's budget on account of the Rajahmundry and Narsápur normal schools. In statement IV, Rs. 1,080 are entered under Stipends, but the correct amount is Rs. 1,440 (Rs. 4 × 12 × 30).

6. *Local Fund Schools.*—The provision made for the middle schools is Rs. 900 in excess of the current year's allotment, but the increase has not been explained by the President. The assignment for combined system schools is, I think, sufficient.

7. *Salary Grants.*—No provision has been made in the budget for salary grants, though Rs. 80 were provided in the current year's budget to aid the mission school at Bendamurlunka.

8. *Results Grants.*—The allotments under "Results Grants" and "Miscellaneous" call for no special remarks.

2. *Revised Estimate for* 1885-86.—Owing to the unusually small outlay on works in 1884-85, for which several more or less unsatisfactory reasons were given in the annual report, there was an increase of no less than Rs. 1,51,190 in the opening balance of 1885-86 as compared with the budget figure. Excluding this balance the receipts of the year were estimated at Rs. 4,01,400 against Rs. 4,10,300 in the budget. The collections under Land-cess were expected to fall short of the budget estimate by Rs. 3,400 and the estimate under School fees was also reduced from Rs. 14,560 to Rs. 8,200; but neither alteration is satisfactorily explained. The expenditure was estimated at Rs. 5,26,750 against Rs. 4,67,000 in the budget, the increase occurring under Grant I and being explained by subsequent allotments sanctioned for incomplete works, &c. The receipts and charges of endowed institutions should have been shown separately in a foot-note to the revised estimate as required in No. 11 of the budget rules. The balance to be carried forward is Rs. 1,25,410, of which Rs. 11,060 appertain to endowed institutions, and will be transferred to taluk funds, the remainder being credited to the district fund.

3. *Budget Estimate for* 1886-87.—Excluding the balance, the receipts are estimated at Rs. 3,98,970 against Rs. 4,10,300 in the budget for 1885-86, the decrease, as in the revised estimate, occurring chiefly under Land-cess and School fees. It is proposed to credit the district fund with the whole of the estimated income under the latter head; but as the normal school alone will remain under the management of the district board the sum of Rs. 40 expected from this school will be shown under district fund and the remainder transferred to taluk funds. The receipts noted in the margin will also, in the absence of special reason to the contrary, be transferred from the district to taluk funds, while the sum of Rs. 1,000, representing interest on arrears of land-cess, will be transferred from taluk funds to the district fund. As suggested by the Director of Public Instruction the sum of Rs. 8,120 expected in contributions from Provincial funds on account of education will be reduced to Rs. 7,190, of which Rs. 870, appertaining to the normal school, will be credited to the district fund and the remainder to taluk funds. The grant for middle schools is estimated by the Director at Rs. 650, but from the figures given by him it would appear that not more than Rs. 330 can be claimed.

5. Miscellaneous—

4. Under Grant I Rs. 1,16,500 and Rs. 75,330 respectively are provided for new communications and road repairs, against Rs. 1,34,420 and Rs. 71,400 in the budget for 1885-86. Of these sums Rs. 14,000 for the construction of new village roads and Rs. 13,780 of the allotment for repairs are debited to taluk funds, and the remainder to the district fund. But under the budget rules the cost of constructing and repairing principal lines of communication, as defined in paragraph 2 of G O., dated 3rd December 1885, No. 1155 L.F., should alone be met from the district fund. The President is therefore requested to have these charges redistributed and to submit revised statements III-A and III-B showing clearly the works in the charge of the district and taluk boards respectively. The allotments for civil buildings and miscellaneous public improvements will be debited to taluk funds. The provision of Rs. 45,700 for Local Fund engineering establishment amounts to 21·7 per cent. of the proposed outlay on works, the rate prescribed by rule being 20 per cent. Efforts should be made to reduce this within the limit laid down. It is proposed to retain the whole of the establishment under the district board, the taluk boards carrying

out their works by temporary establishments charged to works, but as the district engineering establishment is to be available for estimating, supervising, and checking the works of taluk boards, the President will report what portion of their cost should be debited to taluk funds with reference to G.O, dated 3rd December 1885, No. 1155 L.F. The sum of Rs. 3,000 provided under Miscellaneous on account of stock in timber, bricks, &c., with reference to G.O., dated 24th November 1885, No. 1097, will be struck out, the reserve being in the nature of a permanent advance which should be replenished from time to time and not repeated annually.

5. For education Rs. 76,470 are provided against Rs. 76,540 in last year's budget. The two middle schools which the President proposes to retain under the district board should be handed over to the taluk boards concerned. It is presumed that the increase of Rs. 900 in the provision for these schools, which the Director of Public Instruction refers to as unexplained, is due to the raising of the grade of the middle school at Amalápuram under G.O., dated 3rd June 1885, Mis., No. 249 L.F. The sums of Rs. 250 and Rs. 20 respectively provided for the purchase of books and the payment of commission on their sale will be transferred to the district fund with reference to paragraph 4 of G.O., dated 3rd December 1885, No. 1155 L.F.

6. As observed by the Surgeon-General, the provision of Rs. 12,930 for hospitals and dispensaries must be raised to Rs. 13,230. For vaccination the allotment is Rs. 10,580 against Rs. 8,350 in last year's budget. The increase is explained by the proposal to employ an additional second-class vaccinator for each taluk and three probationers on Rs. 5 each *per mensem* at head-quarters, to be deputed for service when small-pox is prevalent in the district. This proposal, supported by the Sanitary Commissioner, is sanctioned; but the whole cost of vaccination should be debited to the district fund with reference to G.O., dated 27th November 1885, No. 1116, L.F. The contribution of Rs. 160 payable to the Rajahmundry Municipality for the Kumbamvari choultry under G.O., dated 8th June 1885, No. 267, will be transferred from "Choultries" to "Contributions to Municipalities," and the provision of Rs. 450 for bungalows as well as contributions to municipalities and private individuals transferred to taluk funds.

7. Under Grant IV the contribution for controlling establishments at the Presidency will be altered to Rs. 3,700, the amount paid in 1884-85. The proposal to employ a clerk on Rs. 20 and an attender on Rs. 7 for each taluk board is sanctioned, but as the number of taluk boards has now been fixed at 4 instead of 11 as proposed by the President, the provision of Rs. 3,520 for this purpose will be reduced to Rs. 1,300.

G.O., dated 10th May 1886, No. 515 L.F.

8. The reserve calculated at 10 per cent. of the receipts should be Rs. 39,800 and not Rs. 38,980 as stated by the President, and this sum will be distributed between the district and taluk funds in proportion to their receipts. The budget, as modified by Government, closes with a balance of Rs. 46,320, of which Rs. 19,090 appertain to the district fund and Rs. 27,230 to taluk funds. The balance under the district fund is 10 per cent., and that under taluk funds, excluding Rs. 13,380 appertaining to endowments, 6·7 per cent. of the receipts. These figures will need revision with reference to the distribution of public works charges ordered in paragraph 4, which will probably necessitate an allotment from district to taluk funds.
