READ—the following paper :—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction,
to the Chief Secretary to Government, dated Coonoor, 7th July 1886,
No. C.-129.

I have the honor to submit the accompanying plan and estimate, amounting to Rs. 13,584-9-11, for constructing a new school-house for the American Mission High School, Madura, and to recommend that a grant of Rs. 2,264-1-8, being a moiety of the third grant to which the school is eligible under the rules, may be sanctioned for the school, the other moiety being payable from Municipal funds under Article 3 (1), Chapter I, of the Grant-in-aid Code.

2. The school is at present located in a mere shed for want of good accommodation, and it is therefore absolutely necessary that the institution should soon be provided with a suitable building. The plan and estimate have been approved by the Superintending Engineer, VI Circle, with a suggestion as to certain alterations, which the manager of the school has consented to carry out.

3. The grant, if sanctioned, will be provided for in the next budget.

ORDER—dated 19th July 1886, No. 450, Educational.

The proposed grant is sanctioned.
