READ—the following papers :—

From G. BIDIE, Esq., M.B., C.I.E., Acting Surgeon-General with the Government of Madras, to the Secretary to Government, Public Works Department, dated Ootacamund, 19th July 1886, No. O/292.

As you are aware, efforts are at present being made to secure a site for the Victoria Caste Hospital in Madras, and that some difficulty has been experienced in procuring a suitable piece of ground.

2. It has been suggested that a convenient spot may be got in the south-west corner of the Chepāk grounds, and I have therefore the honor to suggest that the matter may be brought to the notice of the Right Honorable the Governor in Council, with as little delay as possible, with the view of the necessary inquiry being instituted as to whether sufficient and suitable space is available there, and whether the ground can be granted for the purpose indicated.

No. 437 D., Public Works.

Referred to the Public Department, for the opinion of the Victoria Hospital Committee as to the suitability of the site suggested.

2. In the Public Works Department there will be no objection to the grant of a piece of ground, about two acres in extent, as a site for the hospital.

(Signed) J. SHAW-STEWART, Colonel, R.E.,
22nd July 1886. Secretary to Government, P.W.D.

2. It is hoped that the ground may be placed at the disposal of the hospital authorities as soon as possible.
