PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 24th July 1886, No. 275 E. W. :—

I have the honor to forward, for sanction and allotment of funds, an estimate, amounting to Rs. 805, with a report, for laying a paved drain by the side of the road-way on the road up Church Hill at Ootacamund.

2. The necessity for the work is explained in the report.

3. The Executive Engineer considers that the cost of this extra work cannot well be spared from the maintenance grant of the road, and the estimate has therefore been treated as "special repairs."

4. Major Smith reports that the work had to be put in hand as emergent as the roadway was being very much cut up, and to prevent further loss and inconvenience to traffic.

ORDER—dated 11th August 1886, No. 2000 W., Public Works.

The estimate, amounting to Rs. 805, for constructing a paved drain at the side of the road up Church Hill, Ootacamund, is sanctioned, and the amount is appropriated from the Provincial reserve with the Government.

2. This sanction has been registered as Provincial, No. 80 W. of 1886-87, and classified as Communications, Repairs. *infrastructure*
