I have the honor to submit the Local Fund consolidated budget estimate of the Salem district for 1886-87, accompanied by the statements noted in the margin and prepared in the newly-prescribed forms.

REVISED ESTIMATE FOR 1885-86.

2. *Opening Balances.*—The current year opened with a large balance at credit of Rs. 85,200, as shown in the margin, instead of Rs. 29,780 as estimated in the budget. The increase is mainly due to the increased revenue derived from land-cess, tolls and avenues. The causes of variations between the estimate and the actuals under this head and between the figures in columns 5 and 7 under other items are fully explained in the remark column of the revised estimate.

	RS.
Road Fund	48,770
Endowment Fund	8,570
General Fund	27,860
Total ..	85,200

3. *Cess on Land.*—The amount of land-cess remaining uncollected on the 1st October 1885 was Rs. 12,090, and the probable demand for the remaining six months of 1885-86 is Rs. 1,37,608 as shown in the margin, making a total of Rs. 1,49,698. Of this sum Rs. 1,34,380 are estimated to be collected within the year at about 90 per cent. on the demand.

	RS.	RS.
Settled land-cess beriz for fasli 1294 .	1,65,600	
Deduct current demand from April to September 1885	27,992	
		1,37,608

4. The total receipts under all the items, including opening balances, are expected to be Rs. 3,52,248. The budget grants with subsequent allotments and the requirements for the remaining portion of the year under Expenditure will amount to Rs. 2,91,130. Thus it is expected that the current year will close with a balance of Rs. 61,118 or Rs. 61,110, and the same will be taken as the opening balance of the next official year.

BUDGET FOR 1886-87.

5. As the constitution of the four * proposed taluk boards and the eight † unions will not be in time for the preparation of their budget estimates for the next year, and in order to fix the amounts to be allotted to the taluk boards and panchayats from the district board funds, the general Local Fund taluk budgets

* Salem, Hosúr, Tirupatúr, and Námakal.

† Rasipur, Shendamangalam, Námakal, Tiruchengód, Hosúr, Dharmapuri, Krishnagiri, and Átúr.

and union estimates have also been prepared and passed by the district board this time, in addition to the compilation of the district board and consolidated district budgets.

6. *Opening Balances.*—The opening balances, which are the closing balances of 1885-86, as per revised estimate, are as follow :—

	Rs.
(1) House-tax	..
(2) Endowment Fund	8,620
(3) General Local Funds	52,490
Total ..	61,110

As the endowed institutions * will from next year be under the control of taluk boards, only the balances appertaining thereto have been entered as the opening balances of the Local Fund taluks concerned.

* Viz., 1 Local Fund dispensary, 7 chattrams, and 8 markets.

7. *Receipts.—Rates and Taxes—Cess on Land.*—A sum of Rs. 1,68,000 is expected to be realized under this head against Rs. 1,71,000 entered in the current year's budget. The balance likely to remain uncollected on the 1st April 1886, according to the revised estimate, is Rs. 16,780, and the probable demand for 1886-87 is Rupees 1,65,600, making a total demand of Rs. 1,82,380. Rs. 12,100 on account of arrears at 72 per cent. on outstanding balances, and Rs. 1,55,900 at 94 per cent. on the current demand are estimated to be collected within the year. The amounts entered as the land-cess receipts against the respective Local Fund taluks are the estimated half the proceeds of the tax to be levied in such taluks, and required to be transferred to taluk boards under section 55 of the Madras Local Boards Act.

8. *Tolls.*—The revenue from tolls is estimated at Rs. 35,700, or Rs. 2,280 more than that provided in the budget for 1885-86 as shown below :—

Toll-gates.	Estimated income.	Rent amount of 1885-86.
	Rs.	Rs.

4. Musakalipatti on the Salem-Trichinopoly road ..	9,500	9,595
5. Pujaripatti on the Salem-Dharmapuri road ..	2,000	2,580
6. Cauvery bridge at Comarapalaiyam	1,200	1,400

	33,200	35,310
Local Fund share of the tolls levied by the Salem Municipality	2,500	2,895
Total ..	35,700	38,205

The amounts entered against the several tolls are estimated with reference to the actuals of the current and past official years. Credit for the whole estimated toll receipts is taken in the district fund budget as under sections 55 and 87 to 89 of the Act, the tolls are to be under the entire management of the district board. Besides, almost all the tolls are situated on the principal lines of communications maintained from the district fund.

9. *House-tax.*—The district board having, with reference to section 58 of the Act, decided at its meeting held on the 2nd November 1885, to levy house-tax in the

villages to be declared by the Governor in Council as unions in this district, at half the rates specified in schedule A, it is requested that the Government will be pleased to sanction at an early date the levy of the tax in the proposed unions in view to the district board issuing timely notification required by section 60 of the Act in the villages concerned. As already reported in letter, No. 4 L.F., of the 15th January 1886, the levy of house-tax at half rates in the proposed unions is necessary, as otherwise taluk boards cannot afford to contribute wholly the funds required by panchayats. It is further proposed to levy house-tax in 1886-87 only in towns bearing the name of the unions, where a voluntary cess is already being collected for sanitary purposes, and to extend the tax to the other villages comprised in the unions in future years as necessity may arise. A sum of Rs. 9,000 is expected to be collected in the proposed eight unions by levying house-tax at half the rates. The estimate has been fixed with reference to the number of taxable houses in the villages, where the tax is to be levied in 1886-87 at the average rate of 1 rupee on each house, and with due regard also to the amount of voluntary cess collected hitherto in such villages.

10. *School-fees.*—Rs. 12,570 are entered against the current year's estimate of Rs. 11,280, and the estimate is based on the figures furnished by the educational officers. Rs. 700 are estimated to be realized by the sale of elementary books.

11. *Medical.*—The sum of Rs. 250 entered against "Sale of medicines" represents the amount expected to be realized in the Yercaud Local Fund dispensary from the source named.

12. *Interest.*—Rs. 2,400 shown against Government securities include—

	Rs.
The amount of interest realized from the endowment of Rs. 6,500 invested in Government securities on behalf of the Hosúr Local Fund dispensary	260
The interest on the Price Vaccination fund of Rs. 10,700	430
The interest on surplus pagoda fund transferred to Local Funds for sanitary purposes	1,710
Total ..	2,400

13. *Miscellaneous.*—The receipts from this source are estimated at Rs. 29,210, or Rs. 2,310 less than the amount entered in the current year's budget. The decrease occurs chiefly under (1) "Contributions from private individuals" and "Ferry rents." The decrease under the former item is due to the constitution of the proposed eight unions where house-tax will be levied instead of voluntary cess. Rs. 140 shown against "Contribution from municipalities" is the one-third share of the cost of lighting the Salem and Suramangalam road, which the Salem municipal councillors have agreed to pay to the district board. The expected collections from the eight weekly markets, in which the fee system has been in force, are Rs. 4,650 against Rs. 4,250 of the current year as shown below :—

	Rs.
1. Nynamalai market	1,500
2. Muthunaikanpatti	400
3. Attyampatti	750
4. Kolikalnathan	450
5. Tiruchengód	700
6. Yedappady	350
7. Matrapalli	200
8. Yercaud shandy stall	300
Total ..	4,650

As Vániyambádi will become a municipality from the 1st April next, the Vániyambádi market has not been taken into account in estimating the market receipts.

The sum of Rs. 300 shown against "Sundry receipts" represents the revenue expected to be realized by (1) the sale of manure, (2) cart-stand receipts, and (3) other petty receipts of a miscellaneous character.

14. *Contributions from Provincial Funds.*—Rs. 5,640 are entered as grants from Government on account of education against Rs. 6,720 in the current year's budget, and the item includes:—

	Rs.
For salary grants in the middle class schools	2,710
Do. do. in two normal schools for scholarship to normal students	1,750
For results grants to the 4th and 5th standards in Local Fund combined system schools	1,180

The decrease, as compared with the current year's estimate, is due to the omission of the Tirupatúr middle school, which becomes a municipal institution in the next official year.

15. The sum shown against "Choultries," viz., Rs. 1,750, is the annual allowance of the Thoppur chattram fund paid for the maintenance of the marginally-noted chattrams.

Thoppur, Jalarpet, Suramangalam and Morapur.

16. The sum shown as receipt from Pound fund is the amount entered in the Special fund budget for transfer to Local Funds in 1886-87.

17. The total receipts under all the items including opening balances, but excluding allotment from the district fund to the taluk funds which forms only a transfer entry, are Rs. 3,29,020 classed as under:—

	Rs.
Endowment Fund	17,520
General Local Funds	3,11,500
Total ..	3,29,020

18. *Expenditure.*—The expenditure proposed is as follows:—

	Rs.
Public Works	1,57,040
Education	48,140
Medical services	15,000
Vaccination	10,000
Sanitation	17,000
Markets, choultries and bungalows	1,770
Miscellaneous charges and contributions	22,060
Reserve	26,790
Total ..	2,97,800

19. *Grant I—Public Works—New Works.*—A small sum of Rs. 300 is provided under this head for making a road from Kadathur to Chintalapady *viâ* Singanaikanpatti, agreeably to the Salem District Board's Resolution, No. 1, dated 14th December last. The estimates for the Talavasal bridge, which the Superintending Engineer was asked to furnish more than a year ago, not having yet been received, no provision for constructing that bridge is made.

20. Under "Miscellaneous Public Improvements" Rs. 4,800 are entered for market buildings and Rs. 1,000 for planting "New avenues."

21. *Repairs.*—Under this head a sum of Rs. 1,16,640 has been allotted for the maintenance of the roads in the district against Rs. 1,15,940 in the current year; Rs. 2,700 for repairs to school-houses, choultries, dispensaries, bungalows, &c.; Rs. 6,000 for maintaining avenues, and Rs 700 for repair of market sheds and fences. The provision for the repair of roads includes an allotment of Rs. 1,750 for public works in the eight unions, such as repair of roads, and a lump allotment of Rs. 1,750 for repairs to town roads and village roads in other places. With the exception of the marginally-noted roads, which are omitted as being situated within the municipal limits of Tirupatúr and Vániyambádi, all others in the budget of 1885-86

	Mile.
(1) Railway feeder road to Vániyambádi	1
(2) Do. do. to Tirupatúr ..	1
(3) Roads in Tirupatúr, about ..	2

are entered in this budget with the same rates of maintenance grants as in the current year. Only the maintenance grants for the repair of 10 principal lines of communication, which the district board decided to maintain from the district fund, are entered in the column headed "District." Roads provided with maintenance allotments of Rs. 300 and less are also entered separately as an appendix to Statement III-B, in order that taluk boards may know the provision made by the district board for each petty work.

22. Of the sum of Rs. 2,700 provided for the repairs of buildings, Rs. 700 are for the repair of school-houses, Rs. 800 for dispensary buildings, and Rs. 1,200 for bungalows, chattrams, &c.

23. *Establishment.*—Rs. 23,600 are provided for the pay and travelling allowances, &c., of the Local Fund Engineering establishment, against Rs. 23,670 in 1885-86 as shown below:—

	Rs.
Pay of Local Fund District Engineer	6,000
Pay of the Supervisor of the Hosúr range	1,200
Pay of one overseer on Rs. 100	1,200
Pay of four overseers on Rs. 60 each	2,880
Pay of four sub-overseers, one on Rs. 50 and three on Rs. 45 each ..	2,220
Pay of one assistant overseer	300
Travelling allowance of the Local Fund Engineer and Supervisor ..	2,150
Travelling allowance of one overseer at Rs. 30	360
Travelling allowance of eight overseers and sub-overseers at Rs. 15 each	1,440
Travelling allowance of one assistant overseer at Rs. 7-8-0 a month.	90
Pay of one draughtsman and estimator on Rs. 25	300
Pay of Accountant, District Engineer's office	384
Pay of one Head Clerk, District Engineer's office, on Rs. 30 ..	360
Pay of two clerks on Rs. 15 each	360
Pay of a clerk to the Supervisor on Rs. 20	240
Pay of nine clerks to overseers, on Rs. 15 each	1,620
Pay of sixteen lascars on Rs. 7 each	1,344
Travelling allowance of clerks and ministerial officers	150
Contingent charges (stationery, postage, printing forms)	1,002
Total ..	23,600

The Supervisor for the Hosúr range, entertained last year, as a tentative measure, instead of the Assistant Engineer who proceeded on a year's leave, will be permanently retained, as the Assistant Engineer has procured an appointment in the Department of Public Works. The district board has decided that the cost of the Local Fund Engineering establishment should be charged to the several local boards in proportion to the expenditure to be incurred on works by those boards, and the establishment cost has accordingly been apportioned in the budget.

24. The cost for "Tools and Plant," calculated at 1 per cent. on the outlay for works to be executed by that agency, amounts to Rs. 1,300.

25. The total expenditure under Grant I amounts to Rs. 1,57,040, of which Rs. 7,030 are chargeable to the Endowment Fund.

26. *Grant II—Education—Inspection.*—A sum of Rs. 4,000 is provided for next year, against Rs. 4,200 in the current year's budget, for the pay, &c., of Inspecting Schoolmasters as detailed below. The slight decrease in the allotment is due to a reduction in the amount assigned for travelling allowance from Rs. 960 to Rs. 760, as it is found that Inspecting Schoolmasters do not on the average draw more than Rs. 8 each per month:—

	Rs.
Salary of eight Inspecting Schoolmasters—two on Rs. 35, five on Rs. 30, and one on Rs. 25	2,940
Travelling allowance to Inspecting Schoolmasters at the average rate of Rs. 8 each per mensem	760
Contingent charges, stationery, postage, &c.	300
Total ..	4,000

27. *Training Schools.*—Rs. 4,410 are allotted under this head, against Rs. 4,250 in the current year, for the maintenance of the two Local Fund normal schools at Tirupatúr and Dharmapuri. The provision made for two pupil teachers on Rs. 7 each for the Tirupatúr school * on account of the increased strength of its practising department accounts mainly for the increase over the current year's estimate.

* Instead of one in the current year's budget.

28. *Secondary Schools on the Salary System.*—Of the 8 secondary schools of this class entered in the current year's budget, the Tirupatúr middle school has been omitted in the next year's estimate, as it will be taken over by the Tirupatúr Municipality from 1st April next. The provision made for the remaining 7 schools is Rs. 11,480, or Rs. 2,120 more than that in the current year's budget for these schools. The large increase is due chiefly to the entertainment of 6 additional teachers sanctioned lately for the Hosúr, Dharmapuri and Krishnagiri schools and the provision made for entertaining gymnastic instructors for the Tiruchengód and Sankaridrug schools, and for supply of prize and library books for all these schools.

29. *Secondary Schools on the Combined System.*—In addition to the 4 schools of this class budgeted in the current year, provision for opening a secondary school on the combined system at Matigiri is made in this budget. Rs. 4,760 are provided for the establishment and contingent charges of these 5 schools, against Rs. 2,720 in 1885-86 :—

	Rs.
Salary fixed	3,050
Results grant	950
Servants	250
Miscellaneous	510
Total ..	4,760

The large increase is due (1) to the higher rates of salaries and result grants to be paid to the teachers of the 4 existing schools, in accordance with the scheme submitted in letter, No. 3024, of 7th December last ; (2) to the provision made for the entertainment of two peons on Rs. 4 each for the Shendamangalam and Rasipur schools and of gymnastic instructors for the Shendamangalam and Sooramangalam schools on Rs. 5 and Rs. 3, respectively ; and (3) to larger sums assigned for the supply of class books, maps, &c., to the Shendamangalam school.

30. *Elementary Schools on the Combined System.*—Provision for maintaining 71 schools on the combined system is made in the budget for 1886-87, against 72 entered in the current year's, and the decrease of one in number is due to (1) the amalgamation of the Tirupatúr Hindu school with the Local Fund normal school at the place ; (2) the omission to provide for the Tirupatúr Muhammadan school, which will be taken over in April 1886 by the Tirupatúr Municipality ; and (3) the opening of a Hindustani school in the Krishnagiri town.

31. The allotment for these 71 schools is Rs. 14,850, against Rs. 15,410 in 1885-86 as shown below :—

	1886-87. Rs.	1885-86. Rs.
(1) Fixed salaries	9,300	9,560
(2) Result grants	3,960	4,140
(3) Miscellaneous	1,590	1,710
Total ..	14,850	15,410

The decrease under all the heads is chiefly attributable to the omission to provide for the Tirupatúr Hindu and Muhammadan schools for the causes stated in paragraph 30 *supra*. Provision is made for the entertainment of a fourth teacher on Rs. 7 for the Comarapalayam school, and of a second master on Rs. 7 for the Laligam school, on account of increased strength. Provision is made under rents and other items of miscellaneous charges for these elementary schools according to actual requirements.

32. *Results Grants.*—Rs. 7,500 are allotted for this purpose, against the same amount in the current year's budget.

33. *Miscellaneous.*—The current year's provision under this head, viz., Rs. 1,140, is retained in the next year's, and it includes Rs. 800 for the purchase of elementary books, Rs. 100 for commission on sale of books, and Rs. 240, the stipends of the Agricultural and Muhammadan normal students trained at Madras.

34. A lump provision of Rs. 700 is made under Grant I for the repair of such Local Fund school-houses as may need repair next year.

35. The total grant for Education is Rs. 48,140, against Rs. 46,880 in the current year.

36. *Grant III—Hospitals and Dispensaries, &c.*—Of the 11 existing dispensaries in the district, two, viz., Tirupatur and Vaniyambadi dispensaries, will be transferred to the newly-constituted municipalities at the two places, and the district board has proposed, in place of the two transferred institutions, to open three new minor dispensaries at Tiruchengód, Denkanicottah and Pennagaram, and has provided accordingly in the next year's budget. The grants for the 12 dispensaries are Rs. 15,000, against Rs. 15,120 in 1885-86, and including the cost of medicines and surgical instruments, now shown under a separate head, "Contribution to Provincial services," they amount to Rs. 17,370, against Rs. 17,620 in 1885-86. The entry in the budget on account of the salaries and charge allowances of all the medical subordinates excludes the one-fourth cost payable from Provincial funds, but provides for the higher rates of pay and charge allowance which the civil apothecary at Krishnagiri will draw next year. A separate application to Government for contributing a fourth of the salaries of three third-class hospital assistants to be posted to the three new minor dispensaries will be made as soon as sanction to the opening of the institutions is accorded. The increase of Rs. 120 in the allotment for the Zilla Surgeon's establishment is due to the provision of that sum for the contingent charges incurred in the District Surgeon's office in connection with Local Fund correspondence. Excluding the charges on account of the midwives at Tirupatúr and Vániyambády, Rs. 280 are provided for the pay and house-rent of those at Namakál and Atúr. The entries under all other items are made with reference to the actuals of the past and current years.

37. *Vaccination.*—Rs. 10,000 are provided for the pay and contingent charges of the vaccine establishment, against Rs. 8,150 in the current year, as shown below. The large increase is caused by (1) the provision made for the entertainment of nine additional second-class vaccinators and two probationers ; (2) the allotment of Rs. 360 for animal vaccination ; and (3) the increased provision for extra pay to vaccinators operating more than 125 successful cases a-month.

In reviewing the annual Local Fund report of this board, it has been remarked more than once that there is still room for improvement in this district as regards vaccine operations, and Government have laid it down that the number of successful operations should at least equal the number of births. The population of this district according to the last census (excluding the Salem municipal town) is 1,543,000, and the number of births at 40 per mille is 61,720. But the minimum number of cases required to be done by the existing vaccine staff,* at 100 successful cases for each first-class vaccinator, 75 for a second-class vaccinator and 50 for a probationer, is 33,600. Adding to this the extra number of cases vaccinated by some vaccinators on account of the stimulus given by payment of a bonus of one anna for each successful case in excess of the minimum number, the number of operations will amount to about 40,000 in round numbers, leaving 21,700 births unprotected in each year. To improve this state of things, the district board found it necessary to raise the minimum number of successful cases to be operated on by different classes of vaccinators as noted in the margin, and to strengthen the existing staff by the entertainment of nine more second-class vaccinators and two probationers as stated above. The work that it is expected will be turned out by the increased staff at the new minimum will amount to 56,400, against the rather fully-estimated births of 61,700, and the difference of 5,300 still left will be made up by the extra nnmber of successful cases vaccinated for

* Consisting of 9 first-class vaccinators, 20 second-class vaccinators and 7 probationers.

From 100 to 125 for each first-class vaccinator.

the sake of the bonus. A proposition statement of revised scale of establishment is submitted for sanction.

Twenty-nine second-class vaccinators on Rs. 10 each	3,480

Three peons on Rs. 7 each	252
Travelling allowance to three Deputy Inspectors	740

Travelling allowance to vaccinators on special duty	40
Do. do. to probationary vaccinators	46
Charges for animal vaccination in the Salem range	360
Total	10,000

38. *Sanitation.*—Rs. 17,000 are budgeted under this head, against Rs. 16,000 in the current year. The provision of separate allotments for "Improvement of water supply" and "Improvement of village site" for expenditure in the eight unions, in addition to the usual lump sums assigned for those purposes for the taluks in general, and the raising of the provision for the scavengering establishment at Shendamangalam, account mainly for the increased grant. Of the sum of Rs. 17,000 allotted for "Sanitation," Rs. 7,510 are to be expended by the unions. Provision is made for the existing scavengering establishment in all the unions except Shendamangalam, for which the allotment has been increased from Rs. 210 to Rs. 500, as it is a large and populous place (the population, according to the last census, being 12,875).

39. *Markets.*—Rs. 96 and Rs. 4 for the establishment and contingent charges of the Nynamali market are entered under this head.

40. *Choultries.*—Rs. 730 and Rs. 220 are allotted for establishment and contingent charges of chattrams, against Rs. 710 and Rs. 200, respectively. The slight increase in both the items is due to the provision of Rs. 36 for the pay and contingent charges of the Uttankarai chattram, placed last year under the control of the district board.

41. *Travellers' Bungalows.*—A sum of Rs. 720 is budgeted for the establishment and contingent charges of bungalows, against Rs. 750 in the current year. The slight decrease is owing to the expected transfer of the Vániyambády Orr's bungalow to the municipal councillors.

42. *Contribution.*—Rs. 2,370, the estimated cost of medicines and surgical instruments to be supplied to the twelve Local Fund dispensaries, are shown under this head agreeably to the instructions of the Accountant-General. The contribution to the sanitary inspection at half per cent. on the receipts* of 1885-86, according to the revised estimate, is Rs. 1,290. Although by G.O., No. 1244 L.F., dated 19th December 1885, the Salem District Board has been exempted from payment of contribution to the Auxiliary Medical School at Ráyapuram for training civil hospital assistants, it is not, it is presumed, relieved of the contribution for educating civil apothecaries, which, under G.O., No. 1966, Financial, dated 25th August 1884, has to be paid up to June 1888. Therefore a sum of Rs. 650, calculated at one-fourth per cent. on the receipts, is entered as "Contribution to the Medical College." Rs. 100 are provided for medical reserve staff, Rs. 30 for cutler's establishment, with reference to the actuals of the past and current official years, and Rs. 300 for "lunatic charges." The usual contributions to the Salem municipality of Rs. 2,000 for the Salem civil dispensary, of Rs. 200 for the poor-house and of Rs. 100 for the expenses of the lying-in ward, are repeated. A sum of Rs. 120 is provided for payment to the Tanjore District

* Excluding Provincial grants for special purposes.

Board for training the Salem medical student at His Royal Highness the Prince of Wales' Medical School. The total allotment under "Contributions" amounts to Rs. 7,160.

43. *Miscellaneous.*—Rs. 50, for rewards for killing dogs, and Rs. 430, the estimated annual cost of lighting the Salem-Sooramangalam road, are entered under this head.

44. The total estimated expenditure under Grant III is Rs. 51,410, against Rs. 48,940 in the current year.

45. *Grant IV—Miscellaneous.*—Under this grant, a sum of Rs. 12,120 is allotted, against Rs. 7,890 in 1885-86. The large increase is mainly attributable to the marginally-noted allotments made for the establishment and contingent charges of four taluk boards and eight panchayat offices. Only lump grants are entered, as it is left to the taluk boards and panchayats concerned to fix the scale of establishment for their offices. The district auditor's pay having been reduced from Rs. 85 to Rs. 50, Rs. 650 are provided for the pay and contingencies of the district audit establishment, against Rs. 1,080 in the current year. The existing scale of establishment of the district board's office has been modified slightly as detailed in a separate memorandum. In consideration of the additional work that will be involved in maintaining registers of allotments and transfers sanctioned by the district board for each taluk board, the checking of budgets and reports of taluk boards and compilation of the consolidated budgets and report, the checking of accounts, &c., the district board considered it necessary to sanction the entertainment of a fourth clerk on Rs. 15, and to raise the pay of the second clerk from Rs. 30 to Rs. 35 and that of head clerk from Rs. 60 to Rs. 75. The appointment of a Secretary to the district board was recommended in the report on local self-government scheme. As the post of head clerk is a very responsible one, the slight increase proposed to his pay seems very moderate, and it is requested that Government will be pleased to sanction the proposal. A proposition statement, in the prescribed form, is submitted for approval.

46. To enable the four taluk boards to meet the charges of roads, schools and other institutions that will be entrusted to them and to have sufficient closing balances, a sum of Rs. 59,320* has to be contributed from the district fund, and provision is made accordingly. Rs. 2,300 are allotted for contribution to unions from taluk funds, to meet the charges estimated to be incurred in excess of the receipts from house-tax levied at half-rates.

47. The amount set apart as "reserve" at 10 per cent. of the estimated receipts of the year is Rs. 26,790.

48. The total expenditure under all the heads, including the "reserve," amounts to Rs. 3,57,120, but excluding Rs. 59,320, which is a transfer entry, it aggregates Rs. 2,97,800, against the estimated receipts of Rs. 3,29,020, leaving thus a closing balance of Rs. 31,220.

49. Finally, I beg to request that the budget may be ordered to be printed as submitted, so as to obviate the necessity of printing separately each taluk budget and the district fund budget for circulation to the officers concerned and the additional cost that will be incurred thereby.

Enclosure.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 23rd February 1886, No. 1285.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Salem District Board for 1886-87.

2. *Receipts.*—The educational assets are estimated at Rs. 46,910 as follows:—

	Rs.
One-sixth land-cess	28,000
School fees	12,570
Sale of books	700
Provincial grant	5,640
Total ..	46,910

None of the items calls for any remark except that of school fees. An increase of Rs. 1,000 may safely be calculated upon under this head in view of the new fee notification, which requires that fees shall be levied at Government rates in all board schools.

3. The charges are estimated at Rs. 48,140. The particulars are—

	Rs.	Rs.
Inspection	4,200	4,000
Training schools	4,250	4,410
Local Fund schools	29,790	31,090
Results grants	7,500	7,500
Miscellaneous	1,140	1,140
Total ..	46,880	48,140

4. *Inspection.*—A sum of Rs. 4,000 is allotted for the pay and allowances of the inspecting schoolmaster against Rs. 4,200 in the current year's budget. The reduced allotment will suffice with reference to the actuals of 1884-85 (Rs. 3,996).

5. *Training Schools.*—For the upkeep of the normal schools at Tirupatúr and Dharmapuri Rs. 4,410, or Rs. 160 more than in the current year, are provided. The increase is due to the proposed employment of two pupil-teachers on Rs. 7 each for the practising branch of the Tirupatúr normal school in consequence of increased attendance.

6. *Local Fund Schools.*—Rs. 31,090 against Rs. 29,790 are provided for Local Fund schools. The causes for the increase are fully explained in the budget covering letter. The following statement gives the outlay proposed on the several classes of institutions, together with the estimated receipts from grant and fees, and the percentage of receipts to charges:—

	Total charges.	Total receipts.	Percentage.
	Rs.	Rs.	
Secondary schools on salary system ..	11,474	9,880	86
Do. do. on combined system	4,770	1,450	30
Elementary schools	14,846	5,005	34

The net cost to Local Funds on account of the secondary schools on the combined system is very heavy. The board should re-adjust the emoluments of the teachers unless the fees, which should be levied at the Government rates from 1st July next, with Provincial grant, cover between 50 and 60 per cent. of the entire charge. In the case of elementary schools, the fees and grant cover but 34 per cent. of the entire outlay. Here, too, some steps should be taken to make the schools more self-supporting than at present, and I would recommend that fees be gradually assimilated to the Government rates except in the case of schools in very backward localities or for backward and indigent classes.

7. The assignments for "Results grants" and Miscellaneous charges" call for no remark.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 25th February 1886, No. 96.

With reference to Grant III of the budget estimate of the District Board of the Salem district for the year 1886-87, I have the honor to state that the provision made for the maintenance of the twelve dispensaries, including the three minor institutions proposed to be opened at the marginally-noted places, is adequate and calls for no remarks, the President, District Board, having explained the variations between the current year's grant and the estimate.

Tiruchengód, Denkanikóta, and Pennagaram.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 9th March 1886, No. 428.

I have the honor to report, for the information of Government, that ample provision has been made by the Salem District Board both for sanitation and vaccination for the year 1886-87. For the former Rs. 17,000, or 30·3 per cent. of available income, exclusive of Rs. 1,290 for sanitary inspection, have been set apart against Rs. 16,000 for the current year, and for the latter Rs. 10,000 against Rs. 8,150.

2. The sanitary grant will be distributed as follows:—

	Rs.
Improvement of water-supply	2,800
Do. of village sites	1,200
Conservancy	12,270
Fairs and festivals and other sanitary outlay	730
Total ..	17,000

3. The district board propose to entertain nine additional second-class vaccinators and two probationers, and to raise the provision for rewards to vaccinators; hence the increase in the vaccine allotment for the ensuing year. A sum of Rs. 360 has also been set apart for animal vaccination, an item which did not appear in the current year's budget.

2. *Revised Estimate for* 1885-86.—Compared with the budget estimate of Rs. 29,780 there was an increase of Rs. 55,203 in the opening balance, excluding debt heads, owing to enhanced collections under Land-cess, Tolls, and Avenues, and short expenditure on public works in 1884-85. Excluding this balance the current receipts of the year were estimated at Rs. 2,67,049 against Rs. 2,60,660 the budget figure, and the charges at Rs. 2,91,130 against Rs. 2,85,060. The variations under the several heads are fully explained in the remarks column of statement IX. A sum of Rs. 970 is provided as a contribution to Provincial funds on account of the Medical College, but as the district board have been exempted from this contribution by G.O., dated 19th December 1885, No. 1244 L.F., the provision will be struck out. The contribution for sanitary inspection, calculated at ·5 per cent. of the receipts for 1884-85, should be Rs. 1,340. The balance to be carried forward is thus Rs. 61,822, of which Rs. 8,623 appertain to endowed institutions.

3. *Budget Estimate for* 1886-87.—Excluding this balance the current receipts are estimated at Rs. 2,67,910 against Rs. 2,60,660 in 1885-86, an increase substantially due to the credit taken for a sum of Rs. 9,000 under House-tax, the levy of which was sanctioned in G.O., dated 7th May 1886, No. 503 L.F. As the adoption of the new school fee notification has been deferred for the present, the estimate under this head will not be raised as proposed by the Director of Public Instruction. The whole of the interest on arrears of revenue should be credited to the district fund.

4. The only new works contemplated are a small road costing Rs. 300, market improvements estimated to cost Rs. 4,800, and new avenues for which Rs. 1,000 are allotted. The provision for the repair of communications is Rs. 1,16,640 against Rs. 1,15,940 in last year's budget.

5. The educational grant amounts to Rs. 48,140 against Rs. 46,880 in 1885-86, an increase chiefly attributable to the entertainment of six additional middle school teachers under the sanctions accorded in G.O., 1st July 1885, Mis. No. 395 L.F., and G.O., 8th December 1885, Mis. No. 1182 L.F., and the proposed opening of a new middle school on the combined system at Matigiri. The latter proposal is approved and sanctioned, as are also the President's remaining proposals for the entertainment of additional establishments and the increase of salaries. The attention of the district board will be drawn to paragraph 6 of the Director's letter read above.

6. The grant for medical services, &c., amounts to Rs. 51,410 against Rs. 48,940. The increase occurs mainly under Vaccination, and is due to the provision made for the employment of nine additional second-class vaccinators and two probationers. The proposal to establish three minor dispensaries at Tiruchengód, Denkanikóta, and Pennagaram is sanctioned. As in the case of the revised estimate, the provision made for a contribution to the Medical College will be struck out. That for sanitary inspection, on the other hand, will be raised to Rs. 1,330 at ·5 per cent. of the receipts according to the revised estimate for 1885-86, excluding the Provincial contribution for choultries, but including educational grants-in-aid with reference to G.O., 26th August 1884, No. 1979.

7. The allotment under Grant IV amounts to Rs. 12,120 against Rs. 7,890 in the budget for 1885-86. The increase is explained by the provision made for the establishments and contingent charges of taluk boards and panchayats and for the revision of the district board's own office establishment. As regards the first matter, the lump grants shown will be allowed to stand pending further report, but it is observed that both under Establishment and under Contingencies they appear to be larger than is necessary. The proposals in regard to the district board's own office are approved generally, but the pay of the head clerk will be fixed at Rs. 70, which is the most that the head clerk or manager of any district board's office receives at present.

8. In addition to the moiety of collections under Land-cess transferred under section 55 of the Act, the district board propose to allot Rs. 59,320 to taluk boards to enable them to meet their expenditure, provide the usual reserve and balance, and allot Rs. 2,300 to union panchayats to meet charges incurred in excess of house-tax receipts. As, however, these charges have already been sufficiently provided for,

according to rule, in the taluk budgets, the allotment to taluk funds will be reduced to Rs. 57,210. Sums allotted from taluk funds to panchayats ought not be shown apart from other taluk fund expenditure in the consolidated budget. In this case they appear to have been entered twice over. The budget, as revised by Government, closes with a balance of Rs. 27,800, of which Rs. 7,100 appertain to endowed institutions.
