

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction,
to the Chief Secretary to Government, dated Coonoor, 20th July 1886,
No. C. 167.

With reference to paragraph 5 of G.O., dated 27th May 1886, No. 328, Educational, ordering that, pending the sanction of the Secretary of State, no change should be made in the salaries of the officers composing the present establishment of the College of Engineering, I have the honor to inform you that the post of Tamil Assistant is now vacant by the retirement of the former incumbent on pension.

2. The person appointed to supply the vacancy will have to assist in the teaching of Mathematics up to the F.A. standard, in addition to teaching Tamil. For this a graduate, who has taken Mathematics as his optional subject, is required. There is no one in the department possessing the necessary qualifications and drawing the low salary of Rs. 50, which is the salary of the appointment on present scale. The person I wish to send, as being the best qualified, is C. R. Krishna Aiyar, who graduated in Mathematics, was trained at the Normal school, and knows Tamil well and Telugu a little. He is, however, on the Rs. 60 to Rs. 80 scale of salary, and is at present drawing Rs. 64.

3. Captain Love has received numerous applications from persons not in Government service; but I am most unwilling to bring new men into the department at a time when so many have been temporarily thrown out of it by the closing and transferring of Government institutions. It has been and is a source of much anxiety to me to know how to bring these men back into the department. C. R. Krishna Aiyar is at present employed in the Cuddalore College which is to be closed at the end of the year; and I am trying to look ahead and to find employment for the teachers of the college elsewhere.

4. In these circumstances, I have the honor to request that Government will be pleased to sanction the transfer of C. R. Krishna Aiyar from the Cuddalore College to the College of Engineering on the salary he now draws, namely, Rs. 64. This would in effect be to bring the new scale of salaries into force as regards the appointment of Tamil Assistant only. For this post the reorganization scheme provides a salary of Rs. 60 rising to Rs. 80.

5. Should Government be unwilling to bring the new scale of salaries into force as regards this one appointment, and decide to leave the old scale as it is in its entirety for the present, I have the honor to request that, as an alternative, C. R. Krishna Aiyar be allowed to draw, in addition to the present salary of the appointment, Rs. 50, a personal allowance of Rs. 14, until such time as the orders of the Secretary of State have been received.

6. As the vacancy has to be filled up before the opening of the college on the 2nd proximo, I have the honor to request that Government may be pleased to pass early orders on this letter.

ORDER—dated 29th July 1886, No. 490, Educational.

The proposal of the Director of Public Instruction in paragraph 5 of the foregoing letter is approved.
