into a store room, a waiting room
for prisoners under trial, and
rooms for the vakils - Rs. 7,085;
(b) Repairing the compound wall
- Rs. 394; and (c) dismantling
huts not required - Rs. 648.

The Report states that:-

"The first of these works was
not asked for at the time the
original estimate was framed,
the provision made in the
original estimate for dis-
-mantling sheds was quite
insufficient; and no provision
at all was made for repairing
the compound wall or for
improving the entrances to
the courts."

4. The Registrar of the High Court
at Madras in his letter No. 1970
of the 10th July/86 accompanying
estimates A and B, writes:-

"The necessity for this additional
should have been brought to notice
and provision made for the same
when the original estimates were
submitted, but the High Court accepts
the District Judges' representation."

"that the work covered by the
estimates is indispensable."

5. The rates in both estimates
A and B, are in fair accordance
with those of the district schedule.
The estimates, A and B, have been
countersigned by the District
Judge; and have been approved
in the Judicial Department.

The sanctioned amount for
the Calicut Law Courts, Rs. 95,240,
should be noted in these sup-
-plemental estimates. See

To

District Court of South Malabar,
Calicut. 4th June, 1886.

From,

J. H. Wilkinson, Esq.,
District Judge, South Malabar,
Calicut.

To,
The Honble E. J. Webster
Chief Secretary to the Government of Madras
(Thru the Registrar, High Court, Appellate side, Madras)

Sir,

I have the honor to forward herewith for
sanction & supplemental estimates for work to
be performed at the new Law Courts, Calicut.

Estimate A for Rs 1203 is for Furniture
and Sunshades, for which no provision was
made in the original estimate. The work
being emergent has been commenced and early
sanction is requested.

Estimate B for Rs 8127 is for the construction
of rooms for Vakils, for a store room, for the
District and Sub Courts, for a waiting room,
for prisoners under trial, for dismantling old
and useless buildings and for making a proper
approach

approach to the Court. None of these essential works
were included in the original estimate although
I pointed out to Capt. Romilly what I considered
should be done. The works are urgently required
as the present accommodation is limited and
I trust early sanction for the completion of
the work which has already been 3 years in
progress may be accorded. It is my
intention to charge rent for the Vauxhall rooms
to be fixed in consultation with the Executive
Engineer.

I have the honor to be,

Sir,

your most obedient servant
