To

The Chief Engineer
Public Works Department

Sir

I have the honor to bring to your notice that the Executive Engineer Eastern Division on occasion in September 1885 to commit one of the Work writers for fraud and embezzlement and was authorized by my predecessor to debit the incidental charges, viz, the Pleader's fee (Rs 20) to the Workshop accounts. The Examiner has now objected to this item being thus dealt with and has requested the Executive Engineer to obtain through this Office the sanction of Government to debit the charge as a Contingent one, against Establishment in accordance with para 427 of the Code.

2 I beg you will be good enough to obtain the necessary sanction.

I have the honor to be
Sir

Your most Obedt Servant
