Sir,

ENCLOSURE- /

With reference to the enclosed
extract from Disallowance list
no. 164 of 1886-87 on the Salary
Bill of the Lower boloroon
Irrigation Project Division
for June last, I have the
honor to request that the
examiner may be directed
to pass the Presidency House
Rent claimed by Mr. Lobb.

2. Concerning this claim
no special orders ought to be

required as by para 559 (which
by para 558 is extended to
officers temporarily on duty at
the Presidency) Presidency
house rent is claimable as a
matter of right and does
not, like the Presidency allow-
ances granted in para 553,
require special sanction in
each case. To my own
knowledge this is not the
first time that this difference
has been pointed out to the
examiner.

3. The case as regards the
'Presidency allowance' is dif-
ferent and I do not know
whether it is usual to grant
this allowance to officers tem-
porarily on duty at the Presi-
dency; if so I recommend

that

that it be granted to Mr. Lobb.

Mr. Lobb was permitted to

is entitled to Travelling allowance
under the ordinary rules.

2. He came to Madras on the
30th May, and claimed daily allow-
=ance for the 30th & 31st which has
been passed. He now claims
Presidency allowance and House
Rent from 1st to 30th June 1886.
Please also see para 522 of the
reprint of the P. W. Code.

3. Government may, however,
consider that Madras was tempo-

CURRENT NO. Judicial 2976

S. No. 3817.

From

Geo. Hammett, Esquire,
Inspector General of Registration,

To

The Honorable E. Forster Webster,
Chief Secretary to the Government,
Colacamund.

Dated, Trichinopoly, the 9th August 1886.

Sir,

The Government, in their order Judicial dated the 10th January 1885, No. 72, sanctioned the opening of a Sub. registry office at Giddalur in the Curnool District. The office was opened on the 1st April 1885, and the annexed statement compares the results for two years, and shows that registrations generally advanced by 105 per cent; optional registration by 120 per cent, and the receipts by 69 per cent:-

1884-85
1st July 1884 to 30th June 1885 - Curnool
1885-86
1st July 85 to 30th June 86 - Curnool & Giddalur
Increase due to opening a new office

	120	105	69.

2. I remarked in my letter recorded in the aforesaid order of the Government that there were no public buildings available at Giddalur; but as the results show that the new office is a success, I have the honor to recommend that the sanction of the Government may be given for the construction of an office on the revised standard design. The Sub-Registrar in his letter to the Registrar dated 24th June 1886 reports as follows:-

The office rent up to last month for a house of two small rooms was as high as Rs 3 per mensem, as suitable buildings are not available here; and as the owner of the house urged that he required a part of it for his own use, I am now allowed by him the remaining part, which consists of a small room, with no windows except a narrow opening in the roof for ventilation, where I have secured the two almirahs with records, and of a hall in front of the room which is enclosed with latties, with a door, where I hold my office. The clerk inconveniently sits before me with his desk, as the hall is not a spacious one. I asked the owner of the house to remove the latties and to enclose the hall with walls to make it a regular room, which request he flatly refused. To rent other buildings in the village, they leak awfully, and are unfit in every respect."

The present accommodation is rented at Rs 1-8-0 per mensem.

I have the honor to be,
Sir,
Your most Obedient Servant,

W. Hammett
