D. and receive Rs 450 as salary and Rs 30 Sub Divisional allowance per month, excluding Rs 4 per diem, as travelling allowance. I am 45½ years of age and have a service of very nearly 25 years in my department. I possess excellent testimonials, but as I am on circuit (Kundapur) I am unable to send copies to you. You may refer to the head of my department on all points regarding me. Should you be pleased to view

my

my case in a favorable light, I beg you

To,

The Superintending Engineer

Sir,

1 With reference to your Memo.
No. 147 dated 8th July 1886, I have
the honor to inform you, that when
applying for the post of Local
Fund Engineer, Salem, I was under
the impression, that there was no
difficulty for me to retire on pension,
after rendering 25 years service, which
I will have done by November next;
and hence made use of the state-
ment alluded to in yours.

2 I also believed that Govern-
ment would help me to the
post, on the conditions named in
my letter to the President of the
Salem Local Fund Board; and
therefore suggested the course of

applying for my services.

3. My juniors, who retired in 1879, not only receive their Local Fund salary, but have also secured their pensions; and I thought I would obtain similar indulgence, more especially as I will have given full service by November next.

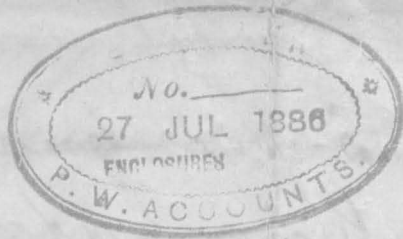

4. My reasons for wishing to retire are given in my letter; and I leave my case entirely in the hands of the Chief Engineer for his kind and favorable disposal.

I have the honor to be,

Sir,
