SUPERINTENDING ENGINEER'S OFFICE,

V CIRCLE, MADRAS,

Chepak, 12th August 1886.

From

THE SUPERINTENDING ENGINEER,

V CIRCLE,

To

THE Chief Engineer
P.W. Department.

SIR,

Enclosures.

In G.O. No. 1594 dated
23rd June 1886, there is an allot-
ment of only Rupees 5000, granted
to the Chingleput Division under
Provincial Repairs. In the
final issue of the Budget, the
Grant under this head, for
the Division was given as
Rupees 12000 - and the Asst.
-sistive Engineer anticipating
no reduction in this amount,
had works put in hand
to the extent of Rupees 9600 -
and

and he has recently, on being
asked by the Military Sec^y
Secretary to His Excellency the Governor,
to have all necessary repairs to
Government House at Quindry
completed before the 20th Sep-
tember, made arrangements
to have the repairs completed
accordingly. I request therefore
that an additional Grant of
Rupees 5000 may be given for
the Chingleput Division under
Repairs Provincial for the
current year.

I have the honor to be

Read the following

Letter from the P.E. V Circle (P.E. No. 2181 d/ Aug: 12. 1886)

A sum of Rs 5,000/-
is allotted to the Chingapat
Division under Civil Buildings
Repairs, by transfer from
the Provincial reserve
with the Government.
2. In para 11 of G.O. No.
1096 W d/ 30th April 1886, on
the final issue of the
Provincial Budget, it was
stated that the grants
for Repairs and Tools and
Plant would be held.

at the disposal of Govt
pending receipt of detailed
proposals from Suptg
Engineers. In the statement
of demands on the reserve,
a sum of Rs 5,000/- only
was applied for on account
of the Chingleput division
under Civil Buildings
Repairs, and that amount
was accordingly allotted.

In the circumstances stated
in the present letter, it is
not understood why a
reduced grant was
applied for. —

In the accompanying
letter the S. E. states that a sum
of Rs. 12,000 was allotted to the Chingle-
put Division in the final issue of
the Budget and that the E. E.
anticipating no reduction in that
amount put in hand works to
the extent of Rs. 9,600. It will be
seen from para 11 of G. O. No. 1096 W
dated 30th April 1886 that the
grants for repairs and tools and
plant were never allotted to
Divisions but were ordered to
be held at the disposal of Govt
for distribution on receipt of
detailed proposals under Code
para 1582. The S. E. V applied
for Rs. 5,000 to the Chingleput Div.
in his statement of demands,
which was fully provided in
disposing of the demands, vide
Statement A printed with
G. O. No. 1594 W dated 23rd June
1886. There was therefore no
valid reason why works to the

at the disposal of Govt

extent of Rs. 9,600 were put in hands

The balance of the reserve exclusive of the appropriation of Rs. 627 proposed for the quarters of the Assistant Suptt. of Police at Timpatur is Rs. 13,268.

Please obtain W's orders whether the amount applied for can be appropriated from the reserve or the S. E. asked to propose a transfer of the amount from the repair grant to other Divisions in his circle.

For orders.

The amount asked for must apparently be allotted, but it is not clear why the S. E. asked for only Rs 5000 for Chingleput in his statement of demands.
