letter No 249 of 9th July 86.
 - 1 Executive Engineer's

 - 1 -do- No 557 of 13th August 86.

With reference to your Memo
No 505 D of 7th instant, and its enclosures
herewith returned, I have the honor to
resubmit the estimate for a Temporary
shed at the Lunatic Asylum Calicut
together with a report from the Executive
Engineers.

2. It now appears that while the
Superintendent of the Asylum considers
the shed is very urgently wanted, he
has given no explanation as to the
necessity for it.

3. Mr. Taylor states that the

Shed has nothing whatever to do with the estimate for converting sweepers' quarters into patients wards.

Rs 1960 funds
provided in
G.O. No. 1594 of 24/6/86
23 June 1886.

4. I have requested him to ascertain and report fully on the necessity for the proposed work.

5. I observe, however, from the Surgeon General's letter that the shed is wanted for "the accommodation of 24 additional criminal patients."

6. The further report of the Executive Engineer will be forwarded without delay as soon as received.

I have the honor to be
Sir.

Enclos 6. In reply to your No. 5891 C.
dated 7th August 1886, I have the
original papers honor to inform you that the
Superintendent of the Lunatic
Asylum requested me in a
letter dated 24th May 1886 to
have an estimate prepared
at once for a temporary shed
"which is very urgently wanted".
2. On this the plan and
estimate for Rs 850 was pre-
pared and sent to the Superin-
tendent.

3. As it was only for a temporary building and was to cost less than \$1000 it was thought that the Superintendent would undertake it - mentally and therefore not submitted to you.

4. This estimate has nothing to do with that already cancelled in G. G. No. 337 dated 6th January 1886 which is for converting Sweepers quarters into patients wards but was prepared on the representation of the Superintendent that this additional accommodation in the Asylum itself was very urgently required.
