READ—the following papers:—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, Madras, to the Chief Secretary to Government, dated Madras, 7th January 1886, No. 87.

With reference to G.O., Public Works, No. 517 W., dated 6th March 1885, sanctioning the estimate for Rs. 1,210 for improving the Government school-house at Arcot, I have the honor to state that the Inspector of Schools, Fourth division, brings to my notice that no funds appear to have been allotted though the amount was sanctioned. The southern wing of the school-house is now reported to be in such a dangerous condition that, if early steps are not taken to repair it, the building may suddenly collapse. I therefore request that sanction may be obtained, at an early date, for the allotment of funds, so that the work may be completed within the current official year.

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, Madras, to the
Chief Secretary to Government, Fort St. George, dated Madras, 11th February
1885, No. 786.

I have the honor to submit, for sanction, the plan and estimate, for Rs. 1,210, for
certain improvements to the Government school-house at Arcot. The school was
transferred to the Local Fund Board on the 1st October last; but, according to para-
graph 2 of G.O., Financial, dated 13th August 1884, No. 1869, the building is to be
kept in repair by Government. The improvements are urgently needed. The work
must be executed in 1885-86, and if the charge, amounting to Rs. 1,506, including
the cost of Public Works supervision and tools and plant, cannot be met from the
Public Works budget allotment, it may be met from the lump provision of Rs. 2,000
for improvements and repairs to school-houses under "Government Schools, General,"
in the budget estimate for 1885-86.
