NOTE OF REMARKS.

1. The accompanying estimate provides for the manufacture of 7,25,000 bricks for L. & works in the Godavari circle. - The estimate amounts to Rs. 8,700
2. Another report or detailed estimate has been submitted. The description of bricks for the manufacture is not stated. They are probably to a great extent at least, required for works for which 'stock bricks' would be deemed suitable and for which the rate allowed at the government kiln at Madras Rs. 11-8-0 per 1,000 - the rate the estimate is Rs. 12 per 1,000.
3. The estimate has been approved by S.E.I. and has been sanctioned by the L. & Board of the district
