Account.

READ—the following letter from Major G. F. L. MARSHALL, R.E., Under Secretary to the Government of India, Public Works Department (Civil Works—Miscellaneous), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 24th August 1886, No. 345 M.:—

I am directed to acknowledge the receipt of your letter, No. 1763 W., dated 13th July 1886, and, in reply, to explain that the prohibition, in paragraph 2 of Finance Department resolution, No. 185, dated 10th January 1883, in regard to the purchase of stores of European manufacture in India does not apply to the two cases referred to.

2. The purchase of surplus stores belonging to Guaranteed Railway Companies is permissible under the orders published in Government of India circular No. 60 P. W. of 1877, and indeed desirable, as it tends to prevent waste, and there is no objection to the purchase in India of articles of furniture, fittings, &c., for the residences of His Excellency the Governor from the annual grants by the officers in whose favor such grants are made.

ORDER—dated 6th September 1886, No. 2224 W., Public Works.

(Signed) C. M. MOBERLY, Major,
Offg. Under Secy. to the Govt. of India.

From the Government of India, Public Works Department, to the Director of State Railway Stores, dated 26th October 1877, No. 805 A—G.

LARGE quantities of surplus stores having, within the course of the last few years, been accumulated by the Railway Companies and the Government Departments, it is of the highest importance that efforts should be made to utilize such stores as much as possible and to get rid of all useless articles.

2. The publication, periodically, in the *Gazette of India* and local gazettes of a list of all surplus stores, plant and machinery available for sale or transfer, appears to the Government of India a proper preliminary step towards the attainment of the end in view, and I am, therefore, to request that you will in future prepare such a list, in the accompanying form, for publication regularly every year. I am also to say that you should make it a special object to utilise as far as possible on State Railways the surplus stores of other Railways and Departments and in respect to Government surplus stores of all kinds to arrange for the sale by auction of such as cannot be utilised and, when advisable, even to ship them Home or to foreign markets.

3. With a view to the early publication, under these orders, of the first list of surplus stores, you should arrange to obtain the requisite particulars from Local Governments and Administrations, Government Departments, and Railway Companies with the least possible delay.

No. 85.

ORDER THEREON, 16th November 1877, No. 653 R.

COMMUNICATED to the Consulting Engineer for Railways, who will arrange for supplying the Director of State Railway Stores with such information as can be afforded.
