From

THE EXAMINER,

MADRAS.

To

The Secretary to Government,

Public Works Department.

Madras, December 14th 1885.

Sir,

I have the honor to request that I may be furnished with orders of Government as to the position of Mr. W. R. Norris, Executive Engineer 2nd. Grade, in regard to furlough etc.

2. Mr. Norris, a Stanley Engineer, was retired while absent on furlough under the terms of the Government of India Financial Department Resolution No. 2079 dated 31st. July 1879, with effect from 1st. April 1880. He was reappointed in India to the Department, as Executive Engineer 3rd. Grade, with effect from 1st. August 1881, and his appointment was sanctioned by the Secretary of State, vide G. O. No. 1346 W. dated 30th. May 1882. Previous to that, Mr. Norris took ^{up} an appointment as Local Fund Engineer, North Arcot District, from 24th. September 1880 and drew in addition to the pay of his appointment, pension at the rate sanctioned in G. O. Pension Department No. 753 dated 27th. July 1880.

3. In their orders communicated with G. O. No. 2788 W. dated 25th. October 1882, the Government of India sanctioned Mr. Norris being permitted to count as continuation of his furlough, the period intervening between the date of his

retirement

retirement and that of his reemployment under the Local Fund Board, viz from 1st. April 1880 to 23rd. September 1880, and a readjustment of his furlough and pension allowances for that period was made.

4. The question of furlough being admissible or otherwise depends upon whether he is still to be considered a Stanley Engineer and entitled to all the privileges in regard to furlough and pension applicable to that class of Officers. Under Government of India P.W. Department Resolution No. III15-1134 G. dated 24th. August 1881, communicated with G. O. No. 2343 W. dated 23rd. September 1881, para 4, Mr. Norris will count the whole pensionable service towards a new pension under the ordinary rules, but it is not clear whether it is intended that he is entitled to all the privileges applicable to Stanley Engineers as regards furlough and pension.

5. The favor of early orders is solicited.

I have the honor to be,

Sir,

Your Most Obedient Servant.
