The Secretary to the Government of Madras
Public Works Department.

Fort William, 7 January 1886

Sir,

In reviewing the correspondence that has taken place with the Government of Madras regarding temporary establishment, I am directed to request in supersession of anything that may have been said to the contrary in previous correspondence, that temporary Establishment may be considered as appointments of person and not as the creation of new posts carrying a definite salary.

It has been reported to the Government of India that the Government of Madras has appointed Mr. T. R. Subrahmanya Pillay, Sub. Engineer 3rd grade, on the permanent Establishment to fill a temporary post on Rs. 2 per mensem sanctioned for the Cauvery and Vennar Regulators Division, and made a series of sub pro tem promotions up to Sub. Engineer 3rd grade in the regular upper Subordinate Establishment.

establishment of the Presidency consequently
with reference to the ruling in para 1, I am
directed to state that sub problem promotions
are no longer permissible in such a case

I have the honor to be,
your most ^{obedient} servant

H. E. No. 253 of 7th Jan 1886

The Secy to the Govt of India

For P. W. D.
Recd 27-1-86.

In reply to your letter No 25 & dated 7th January 1886, I am directed to state that the circumstances which Sub. Engineer Subrahmanya Pillai as temporarily transferred temporary duty in the Cauveri and Vembar regulators division, and substantive pro tem functions made in his place, have apparently been clearly laid before the Government India.

J. Subrahmanya Pillai is originally posted to Cauveri and Vembar regulators division as a supervisor 1st grade in the permanent establishment, no suitable person having been found to fill the temporary post on Rs 250 per month sanctioned for

1st Jan January 1886

for the division. He continued to work in his substantive grade of Supervisor until August 1886, when, as a reward for the excellent results of the season's operations, he was appointed to the unfilled post of Rs 250. He thus became temporarily detached from the permanent establishment and a series of substantive pro tem promotions up to supervisor 1st grade were made in his name. In October 1885, he was promoted to the substantive rank of Sub. Engineer 3rd grade over the regular upper subordinate establishment, but as his services were continued in a temporary division in the interest of the public service a substantive pro tem promotion

promotion to Sub. Engineer
3rd grade was made on
the regular establish-
ment. In accordance
with the instructions of
the Government of India,
Subrahmanya Pillai
is now re-entrusted to his
position on the permanent
establishment, and
a substantive pro-
vision is made in his place
who has cancelled
its effect from the date
the receipt of your letter
is acknowledged:
