To The Superintending Engineer  
5<sup>th</sup> Circle

Sir  
I have the honor to request that the sanction of Government may be obtained for the purchase of 250 tons of Teak Timber from the Conservator of Forests, Pegu Circle to replenish stock in the Public Works Stores. The Conservator quotes Rupees 85 per ton round measurement exclusive of freight which will probably amount to Rs 20 per ton. He has no timber at present from which to supply but will be able to comply with indent in the course of three or four months. I may add that Rupees 30,000 is allotted in the Provincial Budget for 1886-87 for timber.
