B

A grant of Rs 5000
was made to the Chingleput
Division in G.O. No. 2146 Waf
for repairs to Govt House
Guindy. The S.E. will
report whether the demand
of Rs 5500 now made is
required in addition to the
first mentioned amount.

Explanation of the large
expenditure should be afforded.

With respect to the
demand for Rs 11000 for
repairs to Govt House
Guindy the S.E. will report
further why a portion of the
expenditure cannot be met
from the current years
grant to the division
under Civil Buildings
Repairs, which it is
presumed must have
contained provision for
ordinary repairs to Govt
House. Meanwhile the work
should be completed.

Submitted for orders.

2. The reserve balance at present is Rs. 563 only.

3. On a separate representation by the S.E. V a sum of Rs. 5,000 was already allotted in G.O. No: 21464 dated 26 August 1886 to meet the cost of repairs to the South House at Guindy.

4. Care should have been taken to make an accurate forecast of the requirements when detailed demands under Repairs, Incomplete and Minor Works were submitted with reference to book para 1582. Allotments to the extent applied for were sanctioned in passing the demands under Repairs except in the case of the Presidency where against 50,000 applied for, Rs. 45,000 were allotted with a small reduction of Rs. 5,000. There is thus no cause for the repeated applications for additional allotments submitted by the S.E. V.

SIR,

Enclosures.

The Executive Engineer
-ginner Aringaput Dis-
-vision Reports that re-
-pairs to the Government
House at Guindy were ne-
-cessary and that he was
requested by the Military
Secretary to execute them
before the expected arrival
of His Excellency the
Governor next month: that
the cost will amount to Rs.
5,500.

The Executive Engineer
Presidency

Rs 5000 already
given vide G.O.
no 21464 dated
26 August 1886

Presidency Division reports
that the cost of repairing Govern-
ment House on the Mount
Road under similar circum-
stances will amount to Ru-
pees 11,000. I have sanctioned
the Estimates for both works.

As the existing grants at
the disposal of the Execu-
tive Engineers are in-
sufficient to meet these
charges, I have the honor
to request that an ad-
ditional allotment may
be appropriated under
Provincial Civil Buildings
Repairs.

Single post Division	5,500.
Presidency Division	11,000.

As it is expected that his
Excellency the Governor will
take up his residence in about
the beginning of October,
next at Guindy and almost
certainly on the Mount Road

&

& as the next Governor will
probably arrive in November,
it seemed necessary that
these repairs should be
commenced and completed
before His Excellency Sir
M. G. Grant Duff moved
down from Ootacamund.

I have the honor to be
Sir
Yours W^m M^d Clerk
