READ—the following letter from J. E. PAUL, Esq., Executive Engineer, in charge Western Division, Godavari, to the Superintending Engineer, I Circle, dated Chettipett, 4th December 1884, No. 447 :—

With reference to your No. 300 G.L., dated 14th November 1884, on G.O., No. 2608 W., dated 24th October 1884, I have the honor to recommend that Delta Superintendent Venkatachellam may draw travelling allowance, as if he were an overseer, from the date of the death of Overseer Rungarow, 1st September 1884, until Sergeant Parkerson joins this division.

2. Delta Superintendent D. Venkatachellam has been in the charge of works of the Undi and Venkiah canals, formerly held by the late Overseer, Rungarow, and has carried out the duties of an overseer in a thoroughly satisfactory manner. He has only had very hard work, as he has still carried on his ordinary duties as delta superintendent, but has been put to extra expenses.

Endorsement on the above.

READ—the following papers :—

From J. W. RUNDALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 8th September 1884, No. 190 G.-L.

Among the recently-issued Addenda and Corrigenda to the Civil Travelling Allowance Code, there is the following :—

No. 229. "An Assistant Superintendent of Police in independent charge of a district, whether permanently or temporarily, is entitled to draw travelling allowance as if he were a District Superintendent of Police."

2. I beg to submit that a similar concession might equitably be made to officers of the Public Works Department, and that an Assistant Engineer in charge of a division should be allowed to draw the same rate of travelling allowance as an Executive Engineer.

3. Officers who take charge of higher posts are generally put to extra expense, which should be recouped to them.

4. There would be no extra charge to the State, because an assistant would (as a rule) hold charge of a division, because no Executive Engineer was available, and hence no Executive Engineer could be drawing the allowance.

5. Should you agree with me, I trust you will be good enough to lay the matter before Government for orders.

6. I have long felt that there should be a standing rule of this kind, and as the equity of the rule has been acknowledged in one branch of the public service, I trust it may be extended to others also.

From the Examiner of Public Works Accounts, dated 18th September 1884, No. 446.

ORDER—dated 24th October 1884, No. 2608 W., Public Works.

Under section 10 of the Civil Travelling Allowance Code, the Government can, by special order, authorise, to an officer placed in charge of the current duties of an office, the grant of the travelling allowance attached to that office. Cases of the nature referred to by the Superintending Engineer, II Circle, in paragraphs 3 and 4 of his letter, will always receive due consideration if specially reported for the orders of Government.
