## FINANCIAL DEPARTMENT.

READ—the following paper :—

From G. D. LEMAN, Esq., President, District Board, Coimbatore, to the Chief Secretary to Government, dated Coimbatore, 30th January 1886, No. 57 L.F.

I have the honor to submit the budget estimate prepared by the District Board of the Coimbatore district for the year 1886-87, in accordance with the instructions contained in G.O., No. 728 L.F., Financial, of 14th September 1885, and subsequent orders.

REVISED ESTIMATE FOR 1885-86.

2. *Receipts.*—The total receipts for the year are now estimated at Rs. 4,22,090 against the budget estimate of Rs. 4,09,640. The revised budget shows a probable increase of Rs. 12,450 under the heads "Land-cess," "Tolls," &c. The reasons for the increase are fully explained in the estimate.

3. *Expenditure.*—The total charges according to the revised estimate are Rs. 3,19,750 against a budget estimate of Rs. 3,39,570, which leaves a balance of Rs. 1,02,340 to the credit of the year 1886-87 against the budget balance of Rs. 70,070—an excess of 31,270 rupees.

4. *Grant I.*—The expenditure under Grant I, which would otherwise have been Rs. 2,27,320, will be limited to Rs. 2,09,320 in accordance with the order limiting expenditure (G.O., No. 213 L.F., dated 26th May 1885, Financial Department).

5. *Grant II.*—The total allotment under Grant II, including subsequent additions, is Rs. 38,080, but the expenditure appears to be Rs. 38,150. Of this, however, Rs. 375, which is the contribution paid in the year during the first six months on account of the additional Deputy Inspector of Schools, will be recovered in accordance with G.O., No. 632 L.F., dated 20th August 1885, Financial Department, paragraph 3 (since recovered).

6. *Grant III.*—The budget allotment, with subsequent sanctions, amounts to Rs. 64,150, while the expenditure as per revised estimate is only Rs. 61,960, which is owing to the curtailments effected in the several items of the grant, and which are shown in the tabular statement, *i.e.*, revised estimate.

7. *Grant IV.*—Calls for no special remarks.

8. Deducting the total expenditure from the total receipts, there remains a balance of Rs. 1,02,340 to be taken over to the credit of the next year, of which the endowment balance is Rs. 42,500.

BUDGET ESTIMATE FOR 1886-87.

9. *Receipts.*—In accordance with the recent Act and Government orders on the subject, the receipts for the year are divided talukwar for the first time. The estimated receipts for the whole district, excluding the opening balance, amount to Rs. 2,81,100, and the total assets to Rs. 3,83,440 as against Rs. 4,09,640 of the preceding year.

10. The district is divided into five taluks for the purposes of the Local Fund Act under G.O., No. 1161 L.F., dated 4th December 1885, and the total receipts of each taluk, including the assignments from the District fund, are as follow :—

| | RS. |
|---|---|
| Coimbatore .. .. .. .. .. .. .. .. | 42,230 |
| Erode .. .. .. .. .. .. .. .. .. | 1,04,840 |
| Polláchi .. .. .. .. .. .. .. .. | 90,540 |
| Satyamangalam .. .. .. .. .. .. .. | 36,880 |
| Kollegál .. .. .. .. .. .. .. .. | 14,400 |
| | 2,88,890 |
| District fund .. .. .. .. .. .. .. .. | 94,550 |
| Total .. | 3,83,440 |

11. The items of receipt that call for remarks are the following :—

(1) Rates and taxes.
(2) School-fees.
(3) Market rents.
(4) Ferry rents.
(3) Fishery rents.
(6) Contribution from Provincial funds.

12. (1) *Rates and Taxes—Land-cess, Rs.* 1,97,540.—The demand of the year is Rs. 1,97,000, and it is expected that as usual 90 per cent. will be collected. This gives Rs. 1,77,300. Adding to this 95 per cent. of the arrears expected to be collected during 1886-87, we get Rs. 1,97,540, which is taken to be the receipt for the year. This amount is, under section 55 of the Act (V of 1884), divided amongst taluks—half to the credit of the Taluk boards, the other half to the District fund.

*Tolls.*—Under the latter part of the same section, the toll collections within the Local Fund circle have also been divided, half to taluks wherein the tolls are levied and half to the District fund, while the one-third municipal toll collections have been fully assigned to the respective taluks wherein the municipalities are situated. These arrangements require the approval of Government.

The particulars of tolls are given below :—

| | RS. |
|---|---|
| (1) Toll-gate on the Bhaváni bridge at Satyamangalam .. .. | 2,625 |
| (2) Do. do. at Bhaváni .. .. .. | 1,975 |
| (3) Tek Dhimbum toll-gate on the Hassanúr ghât road .. .. | 1,040 |
| (4) Toll-gates on the road leading from Malabar to Madura frontier *viâ* Polláchi .. .. .. .. .. .. | 9,025 |
| (5) Toll-gate on the Bhaváni bridge at Mettupálaiyam .. .. | 8,000 |
| (6) Do. on the Nóyil bridge at Tirupúr .. .. .. | 2,925 |
| Total .. | 25,590 |

This is the aggregate amount of the actual bid for the next year, which is the last year of the triennial lease.

One-third toll collections within the municipalities, as estimated by the municipalities, are—

| | RS. |
|---|---|
| Coimbatore Municipality .. .. .. .. .. .. | 5,000 |
| Karúr do. .. .. .. .. .. .. .. | 1,600 |
| Erode do. .. .. .. .. .. .. .. | 740 |
| Total .. | 7,340 |

as against Rs. 7,440 of the previous year.

13. No credit has been taken for house-tax; further proposals called for in G.O., No. 1161 L.F., dated 4th December 1885, Financial Department, will be submitted in due course, when, if necessary, a supplemental budget for the house-tax will be submitted.

14. *School-fees.*—There is some difficulty about a sufficient number of children attending the Normal schools, and the District Board has for the present abolished the levy of school-fees.

15. *Market Rents.*—The budget estimate (1885-86) was too high as appears by the bids obtained for the current year. The decrease is 700 rupees. The estimate is based on the current year's bids.

16. *Ferry Rents, Rs.* 6,400.—The current year's rents are Rs. 6,770. Adopting this for the receipts of next year and adding an arrear demand of Rs. 340, we get Rs. 7,110, of which 90 per cent. is expected to be realized—about Rs. 6,400.

17. *Fishery Rents.*—It is anticipated that the rents will realize about the usual sum of Rs. 980. It is expected that 90 per cent., Rs. 880, may be collected.

18. Contributions from Provincial funds represent a money grant of Rs. 4,770 on account of endowed chattrams and salary grants and other receipts on account of the Normal schools and Secondary schools, and also on account of the Combined System schools for standards above the third. Last year's estimate included a Provincial grant for *all* Combined schools irrespective of standard, and the grants on account of the Kollegál Middle school and on behalf of the gymnastic teachers were for eight months only and not for twelve as in this year. Special grants for furniture, books, &c., are also estimated for. These account for the difference of the current and next year's estimate.

19. The assets, thus amounting to Rs. 3,83,440, are distributed as follows :—

| | RS. |
|---|---|
| Coimbatore .. .. .. .. .. .. .. .. | 42,230 |
| Erode .. .. .. .. .. .. .. .. .. | 1,04,840 |
| Polláchi .. .. .. .. .. .. .. .. | 90,540 |
| Satyamangalam .. .. .. .. .. .. .. | 36,880 |
| Kollegál .. .. .. .. .. .. .. .. | 14,400 |
| District fund .. .. .. .. .. .. .. .. | 94,550 |
| Total .. | 3,83,440 |

20. *Expenditure.*—The District fund is charged with the cost of all the items of expenditure enumerated in paragraph 14 of G.O., No. 728 L.F., of 14th September 1885, Financial Department, and in G.O., Nos. 1116 and 1155 L.F., of 27th November and 3rd December 1885.

21. *Grant I.*—From the district the following five large trunk roads will be kept up at a cost of Rs. 35,050. All other roads are to be maintained by the several taluk boards concerned :—

(1) The great western road from Bhaváni to Wálayár.
(2) The Pámban road from Madura frontier to Meenkarai.
(3) The Hassanúr ghât road.
(4) The Burghur ghât road.
(5) Road from Karúr toll-gate to Mettupálaiyam.

22. *New Works—Communications.*—Rs. 1,000 are provided for the extension of the Udamalpet-Dhalli road to Tirumurti hills in the Udamalpet taluk, as the people near propose to subscribe another equal sum of Rs. 1,000 towards it. The hill is an important place of worship of the Hindus. The charge is to be met from the Taluk fund concerned.

*Civil Buildings.*—The Satyamangalam dispensary building is quite useless for the purposes for which it is intended, and it is therefore proposed to replace the building by a new one, and it is also proposed to open a new minor dispensary at Gopichettipalaiyam similar to the one at Aravakurchi. Rs. 2,000 are estimated for each of the buildings including site. Charge to be met from Taluk funds.

*Miscellaneous Public Improvements.*—Rs. 16,000 are provided for constructing sheds, &c., in the several markets.

23. *Repairs—Communications.*—Rs. 1,46,640 are provided for expenditure as follows :—

| | Rs. |
|---|---|
| Maintenance allowance of the roads at present maintained as per details .. .. .. .. .. .. .. .. | 1,10,720 |
| Maintenance allowance of 12 additional roads taken up for maintenance .. .. .. .. .. .. .. .. | 12,220 |
| Special repairs for three roads .. .. .. .. .. .. | 10,000 |
| Town roads and itteries .. .. .. .. .. .. | 2,000 |
| Toll-gates .. .. .. .. .. .. .. .. | 200 |
| Total .. | 1,35,140 |

It is proposed to spend on eight market feeder roads in the district Rs. 11,500 out of the sums collected for market fees in accordance with the Proceedings of the Board of Revenue, No. 3878, dated 14th November 1884. This will make the total expenditure on repairs to communications Rs. 1,46,640.

*Civil Buildings.*—Rs. 4,600 are provided for repairs to civil buildings, 2,100 rupees from Endowment fund for chattrams, and Rs. 2,500 from general revenue for the repairs of other buildings. The cost is estimated at $2\frac{1}{2}$ per cent. on the estimated value of the buildings.

*Miscellaneous Public Improvements.*—Rs. 6,600 are provided, of which Rs. 5,400 are for repair of market sheds, &c., and the balance, Rs. 1,200, for the maintenance of avenues in the Erode taluk.

24. *Engineering Establishment.*—As ordered in G.O., No. 1155 L.F., dated 3rd December 1885, Rs. 27,700 is rateably allotted amongst the several taluks and the District Board in proportion to the cost of the works to be executed in each taluk excluding market feeder roads (*vide* Board's Proceedings, No. 3878, dated 14th November 1884).

25. *Tools and Plant.*—The provision of Rs. 750 is less than $\frac{1}{2}$ per cent. on the outlay on works.

26. Contingencies have been raised by Rs. 250 in view to the increased correspondence that will be entailed on account of the Taluk boards and the necessity for new printed forms, &c.

27. The total charges, including a contribution of Rs. 220 to Nílgiri district for the Kótagiri ghât road, amount to Rs. 2,08,260.

28. *Grant II.*—The total expenditure is estimated at Rs. 41,060 as against Rs. 37,930 of the previous year.

The District fund is charged with the upkeep of the two Normal schools in the district and also provides for building grants and purchase of books including commission on their sale. The other charges are met by the Taluk boards.

29. *Inspection, Rs.* 5,000.—The details are as follow :—

30. *Normal Schools, Rs.* 5,870.—The provision under "Normal schools" exceeds the current year's estimate by Rs. 440, which is due (1) to the proposed entertainment of an additional teacher for the Normal school, Coimbatore, to teach the practising branch on a salary of Rs. 15 per mensem ; (2) to the provision made for four additional stipendiary students required for each of the two schools for three months in the year after the old batch of students leave the school and until the new batch gain experience ; and (3) to the provision for the additional furniture required.

31. *Secondary Schools, Rs.* 8,290.—The expenditure under this item is in excess of the current year's estimate by Rs. 1,280, which is due to (1) the proposed entertainment of a Sanscrit teacher at the Udamalpet High school on Rs. 12 per mensem, as recommended by the Inspector of Schools ; (2) the pay of the gymnastic teachers of the Dhárápuram and Polláchi Middle schools and the charges connected with the Middle school, Kollegál, being provided for twelve months instead of only eight as in the previous year ; (3) the transfer of the Polláchi Primary school to the control of the Local Fund Board ; and (4) to an increased provision under "Contingencies" for furniture, apparatus, books and maps, &c., which is considered necessary.

*Primary School, Polláchi.*—This school teaching up to the third standard is now managed by a private committee ; the Inspector, however, recommends its amalgamation with the Middle school as it will tend to place primary education on a sounder basis by bringing all the classes under the direct control of the head master. Moreover the school is said to be self-supporting and to involve no additional cost to the Board. The following are the receipts and charges of the school :—

32. *Elementary Schools, Salary System.*—There are no schools which receive salary grants from Local funds.

33. *Combined System Schools.*—Provision is made for thirty new schools to be started in the course of the next year in addition to the existing schools. In this connection Mr. Garthwaite proposed to raise the stipend of the combined system schoolmasters from Rs. 4 to 5 and 7, according to the size of the school, but the District Board have decided against it ; first, on the score of expense ; secondly, because the idea of a small salary to induce harder work with a view to get greater result grants is inherent in the system. It is anticipated that if the pay is raised as proposed, that the incentive to work hard for a large result grant will be taken away. Moreover this very proposal, which was first made in 1882-83, was not approved by the Director of Public Instruction following the opinion of Mr. Garthwaite himself. Further, as it is, each school costs 77 rupees on the average, and any further increase in pay will only tend to raise the cost of these schools. The building grant of Rs. 4,500 asked for by the Inspector for a new Normal school-house at Karúr and for additions to the Government school at Udamalpet has been refused also, because the Board think that it is by no means certain that Karúr, being situated in a corner of the district, is the best place for a Normal school, and as regards Udamalpet the building belongs to Government. These matters can, however, be brought up again next year. In regard to the increment of salaries proposed by Mr. Garthwaite to be given to the masters of the Udamalpet High school, the Board consider their present pay quite sufficient, it having been raised only recently, and before making any change desire to gain more experience of the working of these schools, which have been under their management only a year ago.

34. The provision for result grants and building grants for elementary schools remains unchanged. On the whole the total expenditure under Grant II is Rs. 3,130 in excess of the current year's estimate.

35. *Grant III.*—The total charges are estimated at Rs. 65,220 against Rs. 63,780; the District Board pays Rs. 18,620 and the Taluk boards Rs. 46,600. The District Board is charged with the cost of vaccination, of the District Surgeon's establishment and of the medical pupils trained under the District Medical officer and the contributions to Provincial services and to the Coimbatore Municipality on account of their dispensary. All the other charges are paid by Taluk boards.

36. *Hospitals and Dispensaries.*—The provision under Hospitals exceeds the current year's estimate by Rs. 600, which is due (1) to the periodical increments which the medical subordinates will become entitled to in the course of the year, and (2) to provision for the salary, &c., of the medical establishment proposed for the new minor dispensary at Gopichettipalaiyam for six months of the year; it is proposed to entertain the establishment only after the building is completed, which will be within the first six months. At present there is no uniform scale in regard to the number and pay of the menial servants attached to the several hospitals in the district and with a view to assimilate their pay and number, the District Medical and Sanitary officer has proposed and the District Board have approved of a scheme by which the hospitals are divided into four classes or groups and the number and pay of each class of servants are to be alike for each class of hospitals. Accordingly the ward-cooly allowed to Dhárápuram becomes unnecessary and will be abolished from next year. A compounder becomes necessary for Kollegál, the ward-cooly at the place being dispensed with; also the Satyamangalam ward-cooly's pay will be reduced from Rs. 6 to 5, the amount received by similar servants in the other hospitals of the same class. There is thus a saving of Rs. 24 in their pay. The following shows the particulars of establishment in the several dispensaries.

38. *Sanitation.*—Rs. 15,900 are provided against a budget estimate of Rs. 14,000 and the particulars are given below :—

| | RS. |
|---|---|
| (1) Improvement of water-supply | 2,000 |
| (2) Do. of village-site | 2,240 |
| (3) Scavenging establishment | 8,160 |
| (4) For sanitary arrangements at fairs and festivals | 700 |
| (5) Other sanitary outlay | 2,800 |
| Total .. | 15,900 |

There is an increase of Rs. 1,900 over the current year's estimate, due to a new scheme which is being tried from December 1885 in the Coimbatore taluk for the clearance of prickly-pear from village-sites by means of a gang of 20 men working under a maistry, who work in selected localities and clear prickly-pear and remove all noxious vegetation and so forth. The scheme will cost Rs. 1,740 a year—

20 men, at 6 rupees each ;
1 maistry from 20 to 25 rupees ; if it succeeds, it will gradually be extended.

39. *Markets.*—The provision under this head has been reduced by over 2,000 rupees. The actual cost of the establishment amounts only to Rs. 6,960 as against Rs. 8,150—*vide* statement relating to markets—and the provision for contingencies has also been reduced to Rs. 1,000 from 2,000, with reference to the actuals of the past years.

40. *Bungalows.*—Rs. 650 is provided against Rs. 760 of the current year. The decrease is due to the transfer of the Hassanúr bungalow to the Forest department as per G.O., No. 56, dated 14th January 1885, Revenue Department, and to the demolition of the Karúr temple bungalow ordered in G.O., No. 341 L.F., dated 20th June 1885.

41. The contribution to "Provincial services" on account of the Medical College is half per cent. on the receipts as per revised estimate, and the provision for lunatics

has been raised by Rs. 500 with reference to the number of lunatics sent up to the asylum from the district during the current year.

42. A provision of Rs. 70 has been made for the first time on account of rewards for killing dogs.

43. *Grant IV.*—The expenditure under Grant IV exceeds the current year's allotment by Rs. 5,290, which is chiefly due to provision of Rs. 5,000 made in the budget for the establishment required for the several taluk boards to be formed under the new Act and for the increase of establishment required at the Collector's and District Board's offices. The details are given in a separate letter.

44. The total expenditure thus arrived at, including a reserve of 10 per cent. of the receipts which amounts to Rs. 25,270, is Rs. 3,52,990, which, deducted from the total receipts of Rs. 3,83,440, leaves a balance of Rs. 30,450, of which the endowment fund balance is Rs. 19,620 and the general Rs. 10,830, which latter is nearly 5 per cent. of the receipts as ordered by G.O., No. 728 L.F., dated 14th September 1885. The whole balance is distributed as follows :—

| —— | District Board. | Coimbatore. | Erode. | Polláchi. | Satyamangalam. | Kollegál. | Total Taluk Boards. | Grand Total. |

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th March 1886, No. 1511.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Coimbatore District Board for 1886-87.

2. *Receipts.*—The educational assets of the district board, including one-sixth land-cess, are estimated at Rs. 45,750 :—

| | RS. |
|---|---|
| One-sixth land-cess | 32,920 |
| School fees | 6,390 |
| Sale of books | 600 |
| Provincial grant | 5,840 |
| Total .. | 45,750 |

The board propose to levy no fees in the practising departments of their two normal schools with a view to secure good attendance. I concur with the Inspector in thinking that some fee should be charged, and I would recommend that fees at half the rates prevailing in local primary schools be levied. The estimate under Fees may be raised by Rs. 500, as the new scheme will result in an increased income from fees in the case of board's secondary schools. The estimate under "Provincial grant" may be accepted. There is a slight difference between the amount entered in statement I-A and that shown in statement IV.

3. *Charges.*—The expenditure proposed under Grant II aggregates Rs. 41,060 against Rs. 37,930 in the current year's budget :—

| | 1885-86. RS. | 1886-87. RS. |
|---|---|---|
| Inspection | 5,000 | 5,000 |
| Training schools | 5,430 | 5,870 |
| Local Fund schools | 15,450 | 18,390 |
| Results grants | 10,500 | 10,500 |
| Building grants | 500 | 500 |
| Miscellaneous | 1,050 | 800 |
| Total .. | 37,930 | 41,060 |

4. *Inspection.*—The allotment, which is the same as for the current year, will suffice.

5. *Training Schools.*—There is an increase of Rs. 440 in the grant for training schools. The proposals in paragraph 30 of the President's covering letter, which account for the increase, have my approval.

6. *Local Fund Schools.*—The allotment shows an increase of nearly Rs. 3,000. This is due to the proposal of the board to start thirty new schools on the combined system in the course of next year, to entertain a Sanskrit teacher for the Udamalpet high school, to transfer the Polláchi primary school to the control of the district board, and to raise the provision for furniture and apparatus. These proposals have my approval. The combined schools budgeted for are not strictly board schools, but schools *aided* on the combined system, as no fees from these schools are carried to the credit of the board, though the board take credit for grants from Provincial funds for standards above the third. The board have rightly declined to raise the rates of stipends to teachers of the combined schools, as suggested by Mr. Garthwaite.

7. *Results Grants.*—The assignment will not, I am afraid, be quite adequate. It may be raised to Rs. 11,000, the increase, viz., Rs. 500, being met by the additional receipts from fees referred to in paragraph 2 *supra*.

8. The items "Building grants" and "Miscellaneous" call for no remark.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 9th March 1886, No. 429.

I have the honor to report, for the information of Government, that the Coimbatore District Board propose to allot a sum of Rs. 15,900 for the sanitary requirements of the district for the year 1886-87 exclusive of Rs. 1,450 for sanitary inspection. This yields a percentage of 24·1 on available income and may be accepted. The allotment will be distributed as follows:—

| | RS. |
|---|---|
| Improvement of water-supply | 2,000 |
| Do of village-sites | 2,240 |
| Conservancy | 8,160 |
| Fairs and festivals | 700 |
| Other sanitary outlay | 2,800 |
| Total | 15,900 |

2. The vaccination grant amounts to Rs. 10,150, being the same as that for the current year. It may be accepted. The establishment employed appears to be adequate.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 11th March 1886, No. 115.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the Coimbatore district for the year 1886-87, for the maintenance of the ten dispensaries including the institution proposed to be opened at Gopichettipalayam, is adequate, and calls for no remarks.

2. *Revised Estimate for* 1885-86.—Excluding debt heads the opening balance exceeded the budget estimate of Rs. 69,360 by Rs. 57,596, owing mainly to short expenditure on public works and sanitation in 1884-85. The current receipts and charges of the year were estimated by the district board at Rs. 2,94,863 and Rs. 3,19,749 respectively against Rs. 2,82,340 and Rs. 3,39,570, the increase of receipts being due for the most part to the under-estimating of the land-cess collections in the budget, and the decrease of charges to the postponement of certain works under Grant I, with reference to G.O., dated 26th May 1885, No. 213 L.F. A sum of Rs. 2,371 is provided under reserve to meet unforeseen charges subsequent to the submission of the revised estimate; but as only Rs. 1,074 of this have since been actually allotted, the figures in columns 5 and 7 of the revised estimate will be raised by this amount and the remainder added to the closing balance, which will thus amount to Rs. 1,03,367.

3. *Budget Estimate for* 1886-87.—Excluding the balance the receipts of the year are estimated at Rs. 2,81,100 against Rs. 2,82,340 in 1885-86. The land-cess is expected to yield Rs. 1,97,540, or 90 per cent. of the demand, against Rs. 1,96,000 in last year's budget. Under Tolls the contribution of Rs. 7,340 expected from municipalities will be raised by Rs. 400 to correspond with the amount provided by the municipal councils. The district board's proposal to allot to taluk funds a moiety of the tolls collected at Local Fund toll-gates is approved; but the municipal contributions will be credited to the district fund according to rule. As recommended by the Director of Public Instruction, the estimate under School fees will be raised by Rs. 500. The attention of the district board will be drawn to the remarks contained in paragraph 2 of his letter.

4. The only new works contemplated are a short length of road for which Rs. 1,000 are provided to meet local subscriptions to the same amount, two minor dispensary buildings, estimated at Rs. 2,000 each, and sundry market improvements costing Rs. 16,000. The allotment for the repair of communications is Rs. 1,46,640 against Rs. 1,23,370 in last year's budget, an increase explained by the President's proposals to maintain twelve additional roads at a cost of Rs. 12,220 and to allot Rs. 11,500 from market funds for the repair of market feeder roads with reference to G.O., dated 28th October 1884, Mis. No. 2488.

5. The proposed educational allotment is Rs. 41,060 against Rs. 37,930 sanctioned for 1885-86 in G.O., dated 20th August 1885, No. 632 L.F. The increase occurs mainly under Normal and Local Fund schools, and is fully explained. It is proposed to entertain an additional teacher on Rs. 15 per mensem for the practising branch of the Coimbatore normal school, and a Sanskrit teacher on Rs. 12 for the Udamalpet high school; to grant four additional stipends for each of the two normal schools at Coimbatore and Karúr; to attach the primary school at Polláchi to the middle school at the same place under the care of the district board; and to open thirty new schools on the combined system. These proposals are sanctioned. The provision of Rs. 5,000 for inspection will be debited to the district fund as required by rule, and the allotment for results grants raised by Rs. 500, as suggested by the Director of Public Instruction.

6. For hospitals and dispensaries the allotment is Rs. 15,930 against Rs. 15,030. The increase is explained by the provision made for the periodical increments to which the medical subordinates become entitled in the course of the year, and for the establishment of a new minor dispensary at Gopichettipalayam. The opening of this dispensary is sanctioned. It is observed that the budget only provides for three-fourths of the salary and allowances of the medical subordinate to be attached to this dispensary. The President should submit a formal application, through the Surgeon-General, for payment of the usual contribution of 25 per cent. from Provincial funds. The proposed revision of the staff of menial servants attached to the several hospitals of the district, as set forth in paragraph 36 of the President's letter, is sanctioned. For medical pupils Rs. 150 are provided, which should be debited to taluk funds. With regard to vaccination, last year's budget grant of Rs. 10,150 is repeated, while for sanitation the allotment is raised from Rs. 14,000 to Rs. 15,900, in order to meet the cost of the establishment employed experimentally in the Coimbatore taluk for the removal of prickly-pear from village sites. The entertainment of this establishment is

sanctioned. The sum of Rs. 3,300 provided as a contribution to the Coimbatore Municipality on account of the dispensary in that town will be reduced to Rs. 3,200 to correspond with the entry in the municipal budget, and will be debited to taluk funds.

7. Under Grant IV increased provision is made on account of the proposed revision of establishments in the offices of the district board and the Collector, and the entertainment of establishments for taluk boards. The estimate for establishments under the Collector and the district board will be reduced to Rs. 1,660 and Rs. 2,300 respectively with reference to G.Os., dated 10th and 27th May 1886, Nos. 514 and 581 L.F.; that for taluk board establishments will be allowed to stand, pending the issue of general orders on the subject. The contribution for controlling establishments at the Presidency will be reduced to Rs. 2,830, the amount paid in 1884-85.

8. Under section 55 of the Act, the district board propose to allot Rs. 79,970 to taluk boards in addition to a moiety of the collections of land-cess and Local Fund tolls. As the ordinary receipts of the taluk boards will suffer diminution in consequence of the foregoing orders, the allotment will be raised to Rs. 86,820, which will be shown as expenditure from the district fund instead of being deducted from the district fund receipts. The budget, as revised by Government, closes with a balance of Rs. 31,640, of which Rs. 6,120, appertaining to the district fund, represent 5 per cent. of estimated receipts, the balance of Rs. 25,520, of which Rs. 19,620 relate to endowed institutions, belonging to taluk funds.

From G. D. LEMAN, Esq., President, District Board, Coimbatore, to the Chief Secretary to Government, dated Coimbatore, 30th January 1886, No. 57 L.F.

I have the honor to submit the budget estimate prepared by the District Board of the Coimbatore district for the year 1886-87, in accordance with the instructions contained in G.O., No. 728 L.F., Financial, of 14th September 1885, and subsequent orders.

REVISED ESTIMATE FOR 1885-86.

2. *Receipts.*—The total receipts for the year are now estimated at Rs. 4,22,090 against the budget estimate of Rs. 4,09,640. The revised budget shows a probable increase of Rs. 12,450 under the heads "Land-cess," "Tolls," &c. The reasons for the increase are fully explained in the estimate.

3. *Expenditure.*—The total charges according to the revised estimate are Rs. 3,19,750 against a budget estimate of Rs. 3,39,570, which leaves a balance of Rs. 1,02,340 to the credit of the year 1886-87 against the budget balance of Rs. 70,070—an excess of 31,270 rupees.

4. *Grant I.*—The expenditure under Grant I, which would otherwise have been Rs. 2,27,320, will be limited to Rs. 2,09,320 in accordance with the order limiting expenditure (G.O., No. 213 L.F., dated 26th May 1885, Financial Department).

5. *Grant II.*—The total allotment under Grant II, including subsequent additions, is Rs. 38,080, but the expenditure appears to be Rs. 38,150. Of this, however, Rs. 375, which is the contribution paid in the year during the first six months on account of the additional Deputy Inspector of Schools, will be recovered in accordance with G.O., No. 632 L.F., dated 20th August 1885, Financial Department, paragraph 3 (since recovered).

6. *Grant III.*—The budget allotment, with subsequent sanctions, amounts to Rs. 64,150, while the expenditure as per revised estimate is only Rs. 61,960, which is owing to the curtailments effected in the several items of the grant, and which are shown in the tabular statement, *i.e.*, revised estimate.

7. *Grant IV.*—Calls for no special remarks.

8. Deducting the total expenditure from the total receipts, there remains a balance of Rs. 1,02,340 to be taken over to the credit of the next year, of which the endowment balance is Rs. 42,500.

BUDGET ESTIMATE FOR 1886-87.

9. *Receipts.*—In accordance with the recent Act and Government orders on the subject, the receipts for the year are divided talukwar for the first time. 11. The items of receipt that call for remarks are the following :—

(1) Rates and taxes.
(2) School-fees.
(3) Market rents.
(4) Ferry rents.
(3) Fishery rents.
(6) Contribution from Provincial funds.

12. (1) *Rates and Taxes—Land-cess, Rs.* 1,97,540.—The demand of the year is Rs. 1,97,000, and it is expected that as usual 90 per cent. will be collected. This gives Rs. 1,77,300. Adding to this 95 per cent. of the arrears expected to be collected during 1886-87, we get Rs. 1,97,540, which is taken to be the receipt for the year. This amount is, under section 55 of the Act (V of 1884), divided amongst taluks—half to the credit of the Taluk boards, the other half to the District fund.

*Tolls.*—Under the latter part of the same section, the toll collections within the Local Fund circle have also been divided, half to taluks wherein the tolls are levied and half to the District fund, while the one-third municipal toll collections have been fully assigned to the respective taluks wherein the municipalities are situated. These arrangements require the approval of Government.

The particulars of tolls are given below :—

| | RS. |
|---|---|
| (1) Toll-gate on the Bhaváni bridge at Satyamangalam .. .. | 2,625 |
| (2) Do. do. at Bhaváni .. .. .. | 1,975 |
| (3) Tek Dhimbum toll-gate on the Hassanúr ghât road .. .. | 1,040 |

| (6) Do. on the Nóyil bridge at Tirupúr .. .. .. | 2,925 |
| Total .. | 25,590 |

This is the aggregate amount of the actual bid for the next year, which is the last year of the triennial lease.

One-third toll collections within the municipalities, as estimated by the municipalities, are—

| Coimbatore Municipality .. .. .. .. .. .. | 5,000 |
| Karúr do. .. .. .. .. .. .. .. | 1,600 |
| Erode do. .. .. .. .. .. .. .. | 740 |
| Total .. | 7,340 |

as against Rs. 7,440 of the previous year.

13. No credit has been taken for house-tax; further proposals called for in G.O., No. 1161 L.F., dated 4th December 1885, Financial Department, will be submitted in due course, when, if necessary, a supplemental budget for the house-tax will be submitted.

14. *School-fees.*—There is some difficulty about a sufficient number of children attending the Normal schools, and the District Board has for the present abolished the levy of school-fees.

15. *Market Rents.*—The budget estimate (1885-86) was too high as appears by the bids obtained for the current year. The decrease is 700 rupees. The estimate is based on the current year's bids.

16. *Ferry Rents, Rs.* 6,400.—The current year's rents are Rs. 6,770. Adopting this for the receipts of next year and adding an arrear demand of Rs. 340, we get Rs. 7,110, of which 90 per cent. is expected to be realized—about Rs. 6,400.

17. *Fishery Rents.*—It is anticipated that the rents will realize about the usual sum of Rs. 980. It is expected that 90 per cent., Rs. 880, may be collected.

18. Contributions from Provincial funds represent a money grant of Rs. 4,770 on account of endowed chattrams and salary grants and other receipts on account of the Normal schools and Secondary schools, and also on account of the Combined System schools for standards above the third. Last year's estimate included a Provincial grant for *all* Combined schools irrespective of standard, and the grants on account of the Kollegál Middle school and on behalf of the gymnastic teachers were for eight months only and not for twelve as in this year. Special grants for furniture, books, &c., are also estimated for. These account for the difference of the current and next year's estimate.

19. The assets, thus amounting to Rs. 3,83,440, are distributed as follows :—

| | RS. |
|---|---|
| Coimbatore .. .. .. .. .. .. .. .. | 42,230 |
| Erode .. .. .. .. .. .. .. .. .. | 1,04,840 |

| District fund .. .. .. .. .. .. .. .. | 94,550 |
| Total .. | 3,83,440 |

20. *Expenditure.*—The District fund is charged with the cost of all the items of expenditure enumerated in paragraph 14 of G.O., No. 728 L.F., of 14th September 1885, Financial Department, and in G.O., Nos. 1116 and 1155 L.F., of 27th November and 3rd December 1885.

21. *Grant I.*—From the district the following five large trunk roads will be kept up at a cost of Rs. 35,050. All other roads are to be maintained by the several taluk boards concerned :—

(1) The great western road from Bhaváni to Wálayár.
(2) The Pámban road from Madura frontier to Meenkarai.
(3) The Hassanúr ghât road.
(4) The Burghur ghât road.
(5) Road from Karúr toll-gate to Mettupálaiyam.

22. *New Works—Communications.*—Rs. 1,000 are provided for the extension of the Udamalpet-Dhalli road to Tirumurti hills in the Udamalpet taluk, as the people near propose to subscribe another equal sum of Rs. 1,000 towards it. The hill is an important place of worship of the Hindus. The charge is to be met from the Taluk fund concerned.

*Civil Buildings.*—The Satyamangalam dispensary building is quite useless for the purposes for which it is intended, and it is therefore proposed to replace the building by a new one, and it is also proposed to open a new minor dispensary at Gopichettipalaiyam similar to the one at Aravakurchi. Rs. 2,000 are estimated for each of the buildings including site. Charge to be met from Taluk funds.

*Miscellaneous Public Improvements.*—Rs. 16,000 are provided for constructing sheds, &c., in the several markets.

23. *Repairs—Communications.*—Rs. 1,46,640 are provided for expenditure as follows :—

| | Rs. |
|---|---|
| Maintenance allowance of the roads at present maintained as per details | 1,10,720 |
| Maintenance allowance of 12 additional roads taken up for maintenance | 12,220 |
| Special repairs for three roads | 10,000 |
| Town roads and itteries | 2,000 |
| Toll-gates | 200 |
| Total | 1,35,140 |

It is proposed to spend on eight market feeder roads in the district Rs. 11,500 out of the sums collected for market fees in accordance with the Proceedings of the Board of Revenue, No. 3878, dated 14th November 1884. This will make the total expenditure on repairs to communications Rs. 1,46,640.

*Civil Buildings.*—Rs. 4,600 are provided for repairs to civil buildings, 2,100 rupees from Endowment fund for chattrams, and Rs. 2,500 from general revenue for the repairs of other buildings. The cost is estimated at $2\frac{1}{2}$ per cent. on the estimated value of the buildings.

*Miscellaneous Public Improvements.*—Rs. 6,600 are provided, of which Rs. 5,400 are for repair of market sheds, &c., and the balance, Rs. 1,200, for the maintenance of avenues in the Erode taluk.

24. *Engineering Establishment.*—As ordered in G.O., No. 1155 L.F., dated 3rd December 1885, Rs. 27,700 is rateably allotted amongst the several taluks and the District Board in proportion to the cost of the works to be executed in each taluk excluding market feeder roads (*vide* Board's Proceedings, No. 3878, dated 14th November 1884).

25. *Tools and Plant.*—The provision of Rs. 750 is less than $\frac{1}{2}$ per cent. on the outlay on works.

26. Contingencies have been raised by Rs. 250 in view to the increased correspondence that will be entailed on account of the Taluk boards and the necessity for new printed forms, &c.

27. The total charges, including a contribution of Rs. 220 to Nílgiri district for the Kótagiri ghât road, amount to Rs. 2,08,260.

28. *Grant II.*—The total expenditure is estimated at Rs. 41,060 as against Rs. 37,930 of the previous year.

The District fund is charged with the upkeep of the two Normal schools in the district and also provides for building grants and purchase of books including commission on their sale. The other charges are met by the Taluk boards.

29. *Inspection, Rs.* 5,000.—The details are as follow :—

30. *Normal Schools, Rs.* 5,870.—The provision under "Normal schools" exceeds the current year's estimate by Rs. 440, which is due (1) to the proposed entertainment of an additional teacher for the Normal school, Coimbatore, to teach the practising branch on a salary of Rs. 15 per mensem ; (2) to the provision made for four additional stipendiary students required for each of the two schools for three months in the year after the old batch of students leave the school and until the new batch gain experience ; and (3) to the provision for the additional furniture required.

31. *Secondary Schools, Rs.* 8,290.—The expenditure under this item is in excess of the current year's estimate by Rs. 1,280, which is due to (1) the proposed entertainment of a Sanscrit teacher at the Udamalpet High school on Rs. 12 per mensem, as recommended by the Inspector of Schools ; (2) the pay of the gymnastic teachers of the Dhárápuram and Polláchi Middle schools and the charges connected with the Middle school, Kollegál, being provided for twelve months instead of only eight as in the previous year ; (3) the transfer of the Polláchi Primary school to the control of the Local Fund Board ; and (4) to an increased provision under "Contingencies" for furniture, apparatus, books and maps, &c., which is considered necessary.

*Primary School, Polláchi.*—This school teaching up to the third standard is now managed by a private committee ; the Inspector, however, recommends its amalgamation with the Middle school as it will tend to place primary education on a sounder basis by bringing all the classes under the direct control of the head master. Moreover the school is said to be self-supporting and to involve no additional cost to the Board. The following are the receipts and charges of the school :—

| *Receipts.* | Rs. | *Charges.* | Rs. |

32. *Elementary Schools, Salary System.*—There are no schools which receive salary grants from Local funds.

33. *Combined System Schools.*—Provision is made for thirty new schools to be started in the course of the next year in addition to the existing schools. In this connection Mr. Garthwaite proposed to raise the stipend of the combined system schoolmasters from Rs. 4 to 5 and 7, according to the size of the school, but the District Board have decided against it ; first, on the score of expense ; secondly, because the idea of a small salary to induce harder work with a view to get greater result grants is inherent in the system. It is anticipated that if the pay is raised as proposed, that the incentive to work hard for a large result grant will be taken away. Moreover this very proposal, which was first made in 1882-83, was not approved by the Director of Public Instruction following the opinion of Mr. Garthwaite himself. Further, as it is, each school costs 77 rupees on the average, and any further increase in pay will only tend to raise the cost of these schools. The building grant of Rs. 4,500 asked for by the Inspector for a new Normal school-house at Karúr and for additions to the Government school at Udamalpet has been refused also, because the Board think that it is by no means certain that Karúr, being situated in a corner of the district, is the best place for a Normal school, and as regards Udamalpet the building belongs to Government. These matters can, however, be brought up again next year. In regard to the increment of salaries proposed by Mr. Garthwaite to be given to the masters of the Udamalpet High school, the Board consider their present pay quite sufficient, it having been raised only recently, and before making any change desire to gain more experience of the working of these schools, which have been under their management only a year ago.

34. The provision for result grants and building grants for elementary schools remains unchanged. On the whole the total expenditure under Grant II is Rs. 3,130 in excess of the current year's estimate.

35. *Grant III.*—The total charges are estimated at Rs. 65,220 against Rs. 63,780; the District Board pays Rs. 18,620 and the Taluk boards Rs. 46,600. The District Board is charged with the cost of vaccination, of the District Surgeon's establishment and of the medical pupils trained under the District Medical officer and the contributions to Provincial services and to the Coimbatore Municipality on account of their dispensary. All the other charges are paid by Taluk boards.

36. *Hospitals and Dispensaries.*—The provision under Hospitals exceeds the current year's estimate by Rs. 600, which is due (1) to the periodical increments which the medical subordinates will become entitled to in the course of the year, and (2) to provision for the salary, &c., of the medical establishment proposed for the new minor dispensary at Gopichettipalaiyam for six months of the year; it is proposed to entertain the establishment only after the building is completed, which will be within the first six months. At present there is no uniform scale in regard to the number and pay of the menial servants attached to the several hospitals in the district and with a view to assimilate their pay and number, the District Medical and Sanitary officer has proposed and the District Board have approved of a scheme by which the hospitals are divided into four classes or groups and the number and pay of each class of servants are to be alike for each class of hospitals. Accordingly the ward-cooly allowed to Dhárápuram becomes unnecessary and will be abolished from next year. A compounder becomes necessary for Kollegál, the ward-cooly at the place being dispensed with; also the Satyamangalam ward-cooly's pay will be reduced from Rs. 6 to 5, the amount received by similar servants in the other hospitals of the same class. There is thus a saving of Rs. 24 in their pay. The following shows the particulars of establishment in the several dispensaries.

38. *Sanitation.*—Rs. 15,900 are provided against a budget estimate of Rs. 14,000 and the particulars are given below :—

| | RS. |
|---|---|
| (1) Improvement of water-supply | 2,000 |
| (2) Do. of village-site | 2,240 |
| (3) Scavenging establishment | 8,160 |
| (4) For sanitary arrangements at fairs and festivals | 700 |
| (5) Other sanitary outlay | 2,800 |
| Total .. | 15,900 |

There is an increase of Rs. 1,900 over the current year's estimate, due to a new scheme which is being tried from December 1885 in the Coimbatore taluk for the clearance of prickly-pear from village-sites by means of a gang of 20 men working under a maistry, who work in selected localities and clear prickly-pear and remove all noxious vegetation and so forth. The scheme will cost Rs. 1,740 a year—

20 men, at 6 rupees each ;

1 maistry from 20 to 25 rupees ; if it succeeds, it will gradually be extended.

39. *Markets.*—The provision under this head has been reduced by over 2,000 rupees. The actual cost of the establishment amounts only to Rs. 6,960 as against Rs. 8,150—*vide* statement relating to markets—and the provision for contingencies has also been reduced to Rs. 1,000 from 2,000, with reference to the actuals of the past years.

40. *Bungalows.*—Rs. 650 is provided against Rs. 760 of the current year. The decrease is due to the transfer of the Hassanúr bungalow to the Forest department as per G.O., No. 56, dated 14th January 1885, Revenue Department, and to the demolition of the Karúr temple bungalow ordered in G.O., No. 341 L.F., dated 20th June 1885.

41. The contribution to "Provincial services" on account of the Medical College is half per cent. on the receipts as per revised estimate, and the provision for lunatics

has been raised by Rs. 500 with reference to the number of lunatics sent up to the asylum from the district during the current year.

42. A provision of Rs. 70 has been made for the first time on account of rewards for killing dogs.

43. *Grant IV.*—The expenditure under Grant IV exceeds the current year's allotment by Rs. 5,290, which is chiefly due to provision of Rs. 5,000 made in the budget for the establishment required for the several taluk boards to be formed under the new Act and for the increase of establishment required at the Collector's and District Board's offices. The details are given in a separate letter.

44. The total expenditure thus arrived at, including a reserve of 10 per cent. of the receipts which amounts to Rs. 25,270, is Rs. 3,52,990, which, deducted from the total receipts of Rs. 3,83,440, leaves a balance of Rs. 30,450, of which the endowment fund balance is Rs. 19,620 and the general Rs. 10,830, which latter is nearly 5 per cent. of the receipts as ordered by G.O., No. 728 L.F., dated 14th September 1885. The whole balance is distributed as follows :—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th March 1886, No. 1511.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Coimbatore District Board for 1886-87.

2. *Receipts.*—The educational assets of the district board, including one-sixth land-cess, are estimated at Rs. 45,750 :—

| | RS. |
|---|---|
| One-sixth land-cess | 32,920 |
| School fees | 6,390 |
| Sale of books | 600 |
| Provincial grant | 5,840 |
| Total .. | 45,750 |

The board propose to levy no fees in the practising departments of their two normal schools with a view to secure good attendance. I concur with the Inspector in thinking that some fee should be charged, and I would recommend that fees at half the rates prevailing in local primary schools be levied. The estimate under Fees may be raised by Rs. 500, as the new scheme will result in an increased income from fees in the case of board's secondary schools. The estimate under "Provincial grant" may be accepted. There is a slight difference between the amount entered in statement I-A and that shown in statement IV.

3. *Charges.*—The expenditure proposed under Grant II aggregates Rs. 41,060 against Rs. 37,930 in the current year's budget :—

| | 1885-86. RS. | 1886-87. RS. |
|---|---|---|
| Inspection | 5,000 | 5,000 |
| Training schools | 5,430 | 5,870 |
| Local Fund schools | 15,450 | 18,390 |
| Results grants | 10,500 | 10,500 |
| Building grants | 500 | 500 |
| Miscellaneous | 1,050 | 800 |
| Total .. | 37,930 | 41,060 |

4. *Inspection.*—The allotment, which is the same as for the current year, will suffice.

5. *Training Schools.*—There is an increase of Rs. 440 in the grant for training schools. The proposals in paragraph 30 of the President's covering letter, which account for the increase, have my approval.

6. *Local Fund Schools.*—The allotment shows an increase of nearly Rs. 3,000. This is due to the proposal of the board to start thirty new schools on the combined system in the course of next year, to entertain a Sanskrit teacher for the Udamalpet high school, to transfer the Pollâchi primary school to the control of the district board, and to raise the provision for furniture and apparatus. These proposals have my approval. The combined schools budgeted for are not strictly board schools, but schools *aided* on the combined system, as no fees from these schools are carried to the credit of the board, though the board take credit for grants from Provincial funds for standards above the third. The board have rightly declined to raise the rates of stipends to teachers of the combined schools, as suggested by Mr. Garthwaite.

7. *Results Grants.*—The assignment will not, I am afraid, be quite adequate. It may be raised to Rs. 11,000, the increase, viz., Rs. 500, being met by the additional receipts from fees referred to in paragraph 2 *supra*.

8. The items "Building grants" and "Miscellaneous" call for no remark.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 9th March 1886, No. 429.

I have the honor to report, for the information of Government, that the Coimbatore District Board propose to allot a sum of Rs. 15,900 for the sanitary requirements of the district for the year 1886-87 exclusive of Rs. 1,450 for sanitary inspection. This yields a percentage of 24·1 on available income and may be accepted. The allotment will be distributed as follows:—

| | Rs. |
|---|---|
| Improvement of water-supply | 2,000 |
| Do of village-sites | 2,240 |
| Conservancy | 8,160 |
| Fairs and festivals | 700 |
| Other sanitary outlay | 2,800 |
| Total | 15,900 |

2. The vaccination grant amounts to Rs. 10,150, being the same as that for the current year. It may be accepted. The establishment employed appears to be adequate.

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 11th March 1886, No. 115.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the Coimbatore district for the year 1886-87, for the maintenance of the ten dispensaries including the institution proposed to be opened at Gopichettipalayam, is adequate, and calls for no remarks.

2. *Revised Estimate for* 1885-86.—Excluding debt heads the opening balance exceeded the budget estimate of Rs. 69,360 by Rs. 57,596, owing mainly to short expenditure on public works and sanitation in 1884-85. The current receipts and charges of the year were estimated by the district board at Rs. 2,94,863 and Rs. 3,19,749 respectively against Rs. 2,82,340 and Rs. 3,39,570, the increase of receipts being due for the most part to the under-estimating of the land-cess collections in the budget, and the decrease of charges to the postponement of certain works under Grant I, with reference to G.O., dated 26th May 1885, No. 213 L.F. A sum of Rs. 2,371 is provided under reserve to meet unforeseen charges subsequent to the submission of the revised estimate; but as only Rs. 1,074 of this have since been actually allotted, the figures in columns 5 and 7 of the revised estimate will be raised by this amount and the remainder added to the closing balance, which will thus amount to Rs. 1,03,367.

3. *Budget Estimate for* 1886-87.—Excluding the balance the receipts of the year are estimated at Rs. 2,81,100 against Rs. 2,82,340 in 1885-86. The land-cess is expected to yield Rs. 1,97,540, or 90 per cent. of the demand, against Rs. 1,96,000 in last year's budget. Under Tolls the contribution of Rs. 7,340 expected from municipalities will be raised by Rs. 400 to correspond with the amount provided by the municipal councils. The district board's proposal to allot to taluk funds a moiety of the tolls collected at Local Fund toll-gates is approved; but the municipal contributions will be credited to the district fund according to rule. As recommended by the Director of Public Instruction, the estimate under School fees will be raised by Rs. 500. The attention of the district board will be drawn to the remarks contained in paragraph 2 of his letter.

4. The only new works contemplated are a short length of road for which Rs. 1,000 are provided to meet local subscriptions to the same amount, two minor dispensary buildings, estimated at Rs. 2,000 each, and sundry market improvements costing Rs. 16,000. The allotment for the repair of communications is Rs. 1,46,640 against Rs. 1,23,370 in last year's budget, an increase explained by the President's proposals to maintain twelve additional roads at a cost of Rs. 12,220 and to allot Rs. 11,500 from market funds for the repair of market feeder roads with reference to G.O., dated 28th October 1884, Mis. No. 2488.

5. The proposed educational allotment is Rs. 41,060 against Rs. 37,930 sanctioned for 1885-86 in G.O., dated 20th August 1885, No. 632 L.F. The increase occurs mainly under Normal and Local Fund schools, and is fully explained. It is proposed to entertain an additional teacher on Rs. 15 per mensem for the practising branch of the Coimbatore normal school, and a Sanskrit teacher on Rs. 12 for the Udamalpet high school; to grant four additional stipends for each of the two normal schools at Coimbatore and Karúr; to attach the primary school at Polláchi to the middle school at the same place under the care of the district board; and to open thirty new schools on the combined system. These proposals are sanctioned. The provision of Rs. 5,000 for inspection will be debited to the district fund as required by rule, and the allotment for results grants raised by Rs. 500, as suggested by the Director of Public Instruction.

6. For hospitals and dispensaries the allotment is Rs. 15,930 against Rs. 15,030. The increase is explained by the provision made for the periodical increments to which the medical subordinates become entitled in the course of the year, and for the establishment of a new minor dispensary at Gopichettipalayam. The opening of this dispensary is sanctioned. It is observed that the budget only provides for three-fourths of the salary and allowances of the medical subordinate to be attached to this dispensary. The President should submit a formal application, through the Surgeon-General, for payment of the usual contribution of 25 per cent. from Provincial funds. The proposed revision of the staff of menial servants attached to the several hospitals of the district, as set forth in paragraph 36 of the President's letter, is sanctioned. For medical pupils Rs. 150 are provided, which should be debited to taluk funds. With regard to vaccination, last year's budget grant of Rs. 10,150 is repeated, while for sanitation the allotment is raised from Rs. 14,000 to Rs. 15,900, in order to meet the cost of the establishment employed experimentally in the Coimbatore taluk for the removal of prickly-pear from village sites. The entertainment of this establishment is

sanctioned. The sum of Rs. 3,300 provided as a contribution to the Coimbatore Municipality on account of the dispensary in that town will be reduced to Rs. 3,200 to correspond with the entry in the municipal budget, and will be debited to taluk funds.

7. Under Grant IV increased provision is made on account of the proposed revision of establishments in the offices of the district board and the Collector, and the entertainment of establishments for taluk boards. The estimate for establishments under the Collector and the district board will be reduced to Rs. 1,660 and Rs. 2,300 respectively with reference to G.Os., dated 10th and 27th May 1886, Nos. 514 and 581 L.F.; that for taluk board establishments will be allowed to stand, pending the issue of general orders on the subject. The contribution for controlling establishments at the Presidency will be reduced to Rs. 2,830, the amount paid in 1884-85.

8. Under section 55 of the Act, the district board propose to allot Rs. 79,970 to taluk boards in addition to a moiety of the collections of land-cess and Local Fund tolls. As the ordinary receipts of the taluk boards will suffer diminution in consequence of the foregoing orders, the allotment will be raised to Rs. 86,820, which will be shown as expenditure from the district fund instead of being deducted from the district fund receipts. The budget, as revised by Government, closes with a balance of Rs. 31,640, of which Rs. 6,120, appertaining to the district fund, represent 5 per cent. of estimated receipts, the balance of Rs. 25,520, of which Rs. 19,620 relate to endowed institutions, belonging to taluk funds.

**Local Fund Budget.**

Reviewing the — of the Coimbatore district for 1886-87.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From G. D. LEMAN, Esq., President, District Board, Coimbatore, to the Chief Secretary to Government, dated Coimbatore, 30th January 1886, No. 57 L.F.

I have the honor to submit the budget estimate prepared by the District Board of the Coimbatore district for the year 1886-87, in accordance with the instructions contained in G.O., No. 728 L.F., Financial, of 14th September 1885, and subsequent orders.

REVISED ESTIMATE FOR 1885-86.

2. *Receipts.*—The total receipts for the year are now estimated at Rs. 4,22,090 against the budget estimate of Rs. 4,09,640. The revised budget shows a probable increase of Rs. 12,450 under the heads "Land-cess," "Tolls," &c. The reasons for the increase are fully explained in the estimate.

3. *Expenditure.*—The total charges according to the revised estimate are Rs. 3,19,750 against a budget estimate of Rs. 3,39,570, which leaves a balance of Rs. 1,02,340 to the credit of the year 1886-87 against the budget balance of Rs. 70,070—an excess of 31,270 rupees.

4. *Grant I.*—The expenditure under Grant I, which would otherwise have been Rs. 2,27,320, will be limited to Rs. 2,09,320 in accordance with the order limiting expenditure (G.O., No. 213 L.F., dated 26th May 1885, Financial Department).

5. *Grant II.*—The total allotment under Grant II, including subsequent additions, is Rs. 38,080, but the expenditure appears to be Rs. 38,150. Of this, however, Rs. 375, which is the contribution paid in the year during the first six months on account of the additional Deputy Inspector of Schools, will be recovered in accordance with G.O., No. 632 L.F., dated 20th August 1885, Financial Department, paragraph 3 (since recovered).

6. *Grant III.*—The budget allotment, with subsequent sanctions, amounts to Rs. 64,150, while the expenditure as per revised estimate is only Rs. 61,960, which is owing to the curtailments effected in the several items of the grant, and which are shown in the tabular statement, *i.e.*, revised estimate.

7. *Grant IV.*—Calls for no special remarks.

8. Deducting the total expenditure from the total receipts, there remains a balance of Rs. 1,02,340 to be taken over to the credit of the next year, of which the endowment balance is Rs. 42,500.

BUDGET ESTIMATE FOR 1886-87.

9. *Receipts.*—In accordance with the recent Act and Government orders on the subject, the receipts for the year are divided talukwar for the first time. The estimated receipts for the whole district, excluding the opening balance, amount to Rs. 2,81,100, and the total assets to Rs. 3,83,440 as against Rs. 4,09,640 of the preceding year.

10. The district is divided into five taluks for the purposes of the Local Fund Act under G.O., No. 1161 L.F., dated 4th December 1885, and the total receipts of each taluk, including the assignments from the District fund, are as follow :—

| | Rs. |
|---|---|
| Coimbatore .. .. .. .. .. .. .. .. | 42,230 |
| Erode .. .. .. .. .. .. .. .. .. | 1,04,840 |
| Polláchi .. .. .. .. .. .. .. .. | 90,540 |
| Satyamangalam .. .. .. .. .. .. .. | 36,880 |
| Kollegál .. .. .. .. .. .. .. .. | 14,400 |
| | 2,88,890 |
| District fund .. .. .. .. .. .. .. | 94,550 |
| Total .. | 3,83,440 |

11. The items of receipt that call for remarks are the following :—

(1) Rates and taxes.
(2) School-fees.
(3) Market rents.
(4) Ferry rents.
(5) Fishery rents.
(6) Contribution from Provincial funds.

12. (1) *Rates and Taxes—Land-cess, Rs.* 1,97,540.—The demand of the year is Rs. 1,97,000, and it is expected that as usual 90 per cent. will be collected. This gives Rs. 1,77,300. Adding to this 95 per cent. of the arrears expected to be collected during 1886-87, we get Rs. 1,97,540, which is taken to be the receipt for the year. This amount is, under section 55 of the Act (V of 1884), divided amongst taluks—half to the credit of the Taluk boards, the other half to the District fund.

*Tolls.*—Under the latter part of the same section, the toll collections within the Local Fund circle have also been divided, half to taluks wherein the tolls are levied and half to the District fund, while the one-third municipal toll collections have been fully assigned to the respective taluks wherein the municipalities are situated. These arrangements require the approval of Government.

The particulars of tolls are given below :—

| | Rs. |
|---|---|
| (1) Toll-gate on the Bhaváni bridge at Satyamangalam .. .. | 2,625 |
| (2) Do. do. at Bhaváni .. .. .. | 1,975 |
| (3) Tek Dhimbum toll-gate on the Hassanúr ghât road .. .. | 1,040 |
| (4) Toll-gates on the road leading from Malabar to Madura frontier *viâ* Polláchi .. .. .. .. .. .. .. | 9,025 |
| (5) Toll-gate on the Bhaváni bridge at Mettupálaiyam .. .. | 8,000 |
| (6) Do. on the Nóyil bridge at Tirupúr .. .. .. | 2,925 |
| Total .. | 25,590 |

This is the aggregate amount of the actual bid for the next year, which is the last year of the triennial lease.

One-third toll collections within the municipalities, as estimated by the municipalities, are—

| | Rs. |
|---|---|
| Coimbatore Municipality .. .. .. .. .. .. | 5,000 |
| Karúr do. .. .. .. .. .. .. | 1,600 |
| Erode do. .. .. .. .. .. .. | 740 |
| Total .. | 7,340 |

as against Rs. 7,440 of the previous year.

13. No credit has been taken for house-tax; further proposals called for in G.O., No. 1161 L.F., dated 4th December 1885, Financial Department, will be submitted in due course, when, if necessary, a supplemental budget for the house-tax will be submitted.

14. *School-fees.*—There is some difficulty about a sufficient number of children attending the Normal schools, and the District Board has for the present abolished the levy of school-fees.

15. *Market Rents.*—The budget estimate (1885-86) was too high as appears by the bids obtained for the current year. The decrease is 700 rupees. The estimate is based on the current year's bids.

16. *Ferry Rents, Rs.* 6,400.—The current year's rents are Rs. 6,770. Adopting this for the receipts of next year and adding an arrear demand of Rs. 340, we get Rs. 7,110, of which 90 per cent. is expected to be realized—about Rs. 6,400.

17. *Fishery Rents.*—It is anticipated that the rents will realize about the usual sum of Rs. 980. It is expected that 90 per cent., Rs. 880, may be collected.

18. Contributions from Provincial funds represent a money grant of Rs. 4,770 on account of endowed chattrams and salary grants and other receipts on account of the Normal schools and Secondary schools, and also on account of the Combined System schools for standards above the third. Last year's estimate included a Provincial grant for *all* Combined schools irrespective of standard, and the grants on account of the Kollegál Middle school and on behalf of the gymnastic teachers were for eight months only and not for twelve as in this year. Special grants for furniture, books, &c., are also estimated for. These account for the difference of the current and next year's estimate.

19. The assets, thus amounting to Rs. 3,83,440, are distributed as follows :—

| | Rs. |
|---|---|
| Coimbatore .. .. .. .. .. .. .. .. | 42,230 |
| Erode .. .. .. .. .. .. .. .. .. | 1,04,840 |
| Polláchi .. .. .. .. .. .. .. .. | 90,540 |
| Satyamangalam .. .. .. .. .. .. .. | 36,880 |
| Kollegál .. .. .. .. .. .. .. .. | 14,400 |
| District fund .. .. .. .. .. .. .. | 94,550 |
| Total .. | 3,83,440 |

20. *Expenditure.*—The District fund is charged with the cost of all the items of expenditure enumerated in paragraph 14 of G.O., No. 728 L.F., of 14th September 1885, Financial Department, and in G.O., Nos. 1116 and 1155 L.F., of 27th November and 3rd December 1885.

21. *Grant I.*—From the district the following five large trunk roads will be kept up at a cost of Rs. 35,050. All other roads are to be maintained by the several taluk boards concerned :—

(1) The great western road from Bhaváni to Wálayár.
(2) The Pámban road from Madura frontier to Meenkarai.
(3) The Hassanúr ghât road.
(4) The Burghur ghât road.
(5) Road from Karúr toll-gate to Mettupálaiyam.

22. *New Works—Communications.*—Rs. 1,000 are provided for the extension of the Udamalpet-Dhalli road to Tirumurti hills in the Udamalpet taluk, as the people near propose to subscribe another equal sum of Rs. 1,000 towards it. The hill is an important place of worship of the Hindus. The charge is to be met from the Taluk fund concerned.

*Civil Buildings.*—The Satyamangalam dispensary building is quite useless for the purposes for which it is intended, and it is therefore proposed to replace the building by a new one, and it is also proposed to open a new minor dispensary at Gopichettipalaiyam similar to the one at Aravakurchi. Rs. 2,000 are estimated for each of the buildings including site. Charge to be met from Taluk funds.

*Miscellaneous Public Improvements.*—Rs. 16,000 are provided for constructing sheds, &c., in the several markets.

23. *Repairs—Communications.*—Rs. 1,46,640 are provided for expenditure as follows :—

| | Rs. |
|---|---|
| Maintenance allowance of the roads at present maintained as per details .. .. .. .. .. .. .. .. | 1,10,720 |
| Maintenance allowance of 12 additional roads taken up for maintenance .. .. .. .. .. .. .. .. | 12,220 |
| Special repairs for three roads .. .. .. .. .. .. | 10,000 |
| Town roads and itteries .. .. .. .. .. .. | 2,000 |
| Toll-gates .. .. .. .. .. .. .. .. | 200 |
| Total .. | 1,35,140 |

It is proposed to spend on eight market feeder roads in the district Rs. 11,500 out of the sums collected for market fees in accordance with the Proceedings of the Board of Revenue, No. 3878, dated 14th November 1884. This will make the total expenditure on repairs to communications Rs. 1,46,640.

*Civil Buildings.*—Rs. 4,600 are provided for repairs to civil buildings, 2,100 rupees from Endowment fund for chattrams, and Rs. 2,500 from general revenue for the repairs of other buildings. The cost is estimated at $2\frac{1}{2}$ per cent. on the estimated value of the buildings.

*Miscellaneous Public Improvements.*—Rs. 6,600 are provided, of which Rs. 5,400 are for repair of market sheds, &c., and the balance, Rs. 1,200, for the maintenance of avenues in the Erode taluk.

24. *Engineering Establishment.*—As ordered in G.O., No. 1155 L.F., dated 3rd December 1885, Rs. 27,700 is rateably allotted amongst the several taluks and the District Board in proportion to the cost of the works to be executed in each taluk excluding market feeder roads (*vide* Board's Proceedings, No. 3878, dated 14th November 1884).

25. *Tools and Plant.*—The provision of Rs. 750 is less than $\frac{1}{2}$ per cent. on the outlay on works.

26. Contingencies have been raised by Rs. 250 in view to the increased correspondence that will be entailed on account of the Taluk boards and the necessity for new printed forms, &c.

27. The total charges, including a contribution of Rs. 220 to Nílgiri district for the Kótagiri ghât road, amount to Rs. 2,08,260.

28. *Grant II.*—The total expenditure is estimated at Rs. 41,060 as against Rs. 37,930 of the previous year.

The District fund is charged with the upkeep of the two Normal schools in the district and also provides for building grants and purchase of books including commission on their sale. The other charges are met by the Taluk boards.

29. *Inspection, Rs.* 5,000.—The details are as follow :—

30. *Normal Schools, Rs.* 5,870.—The provision under "Normal schools" exceeds the current year's estimate by Rs. 440, which is due (1) to the proposed entertainment of an additional teacher for the Normal school, Coimbatore, to teach the practising branch on a salary of Rs. 15 per mensem ; (2) to the provision made for four additional stipendiary students required for each of the two schools for three months in the year after the old batch of students leave the school and until the new batch gain experience ; and (3) to the provision for the additional furniture required.

31. *Secondary Schools, Rs.* 8,290.—The expenditure under this item is in excess of the current year's estimate by Rs. 1,280, which is due to (1) the proposed entertainment of a Sanscrit teacher at the Udamalpet High school on Rs. 12 per mensem, as recommended by the Inspector of Schools ; (2) the pay of the gymnastic teachers of the Dhárápuram and Pollách Middle schools and the charges connected with the Middle school, Kollegál, being provided for twelve months instead of only eight as in the previous year ; (3) the transfer of the Pollách Primary school to the control of the Local Fund Board ; and (4) to an increased provision under "Contingencies" for furniture, apparatus, books and maps, &c., which is considered necessary.

*Primary School, Pollách.*—This school teaching up to the third standard is now managed by a private committee ; the Inspector, however, recommends its amalgamation with the Middle school as it will tend to place primary education on a sounder basis by bringing all the classes under the direct control of the head master. Moreover the school is said to be self-supporting and to involve no additional cost to the Board. The following are the receipts and charges of the school :—

| *Receipts.* | Rs. | *Charges.* | Rs. |

32. *Elementary Schools, Salary System.*—There are no schools which receive salary grants from Local funds.

33. *Combined System Schools.*—Provision is made for thirty new schools to be started in the course of the next year in addition to the existing schools. In this connection Mr. Garthwaite proposed to raise the stipend of the combined system schoolmasters from Rs. 4 to 5 and 7, according to the size of the school, but the District Board have decided against it ; first, on the score of expense ; secondly, because the idea of a small salary to induce harder work with a view to get greater result grants is inherent in the system. It is anticipated that if the pay is raised as proposed, that the incentive to work hard for a large result grant will be taken away. Moreover this very proposal, which was first made in 1882-83, was not approved by the Director of Public Instruction following the opinion of Mr. Garthwaite himself. Further, as it is, each school costs 77 rupees on the average, and any further increase in pay will only tend to raise the cost of these schools. The building grant of Rs. 4,500 asked for by the Inspector for a new Normal school-house at Karúr and for additions to the Government school at Udamalpet has been refused also, because the Board think that it is by no means certain that Karúr, being situated in a corner of the district, is the best place for a Normal school, and as regards Udamalpet the building belongs to Government. These matters can, however, be brought up again next year. In regard to the increment of salaries proposed by Mr. Garthwaite to be given to the masters of the Udamalpet High school, the Board consider their present pay quite sufficient, it having been raised only recently, and before making any change desire to gain more experience of the working of these schools, which have been under their management only a year ago.

34. The provision for result grants and building grants for elementary schools remains unchanged. On the whole the total expenditure under Grant II is Rs. 3,130 in excess of the current year's estimate.

35. *Grant III.*—The total charges are estimated at Rs. 65,220 against Rs. 63,780; the District Board pays Rs. 18,620 and the Taluk boards Rs. 46,600. The District Board is charged with the cost of vaccination, of the District Surgeon's establishment and of the medical pupils trained under the District Medical officer and the contributions to Provincial services and to the Coimbatore Municipality on account of their dispensary. All the other charges are paid by Taluk boards.

36. *Hospitals and Dispensaries.*—The provision under Hospitals exceeds the current year's estimate by Rs. 600, which is due (1) to the periodical increments which the medical subordinates will become entitled to in the course of the year, and (2) to provision for the salary, &c., of the medical establishment proposed for the new minor dispensary at Gopichettipalaiyam for six months of the year; it is proposed to entertain the establishment only after the building is completed, which will be within the first six months. At present there is no uniform scale in regard to the number and pay of the menial servants attached to the several hospitals in the district and with a view to assimilate their pay and number, the District Medical and Sanitary officer has proposed and the District Board have approved of a scheme by which the hospitals are divided into four classes or groups and the number and pay of each class of servants are to be alike for each class of hospitals. Accordingly the ward-cooly allowed to Dhárápuram becomes unnecessary and will be abolished from next year. A compounder becomes necessary for Kollegál, the ward-cooly at the place being dispensed with; also the Satyamangalam ward-cooly's pay will be reduced from Rs. 6 to 5, the amount received by similar servants in the other hospitals of the same class. There is thus a saving of Rs. 24 in their pay. The following shows the particulars of establishment in the several dispensaries.

* Salaries for the Gopichettipalaiyam establishment are provided for only six months.

37. *Vaccination.*—The provision remains the same, but it may have to be increased in the course of the year if the scheme of animal vaccination, which is now being tried in the district, succeeds. The following are the particulars of the allotment under Vaccination :—

38. *Sanitation.*—Rs. 15,900 are provided against a budget estimate of Rs. 14,000 and the particulars are given below :—

| | RS. |
|---|---|
| (1) Improvement of water-supply .. .. .. .. .. | 2,000 |
| (2) Do. of village-site .. .. .. .. .. | 2,240 |
| (3) Scavenging establishment .. .. .. .. .. | 8,160 |
| (4) For sanitary arrangements at fairs and festivals .. .. .. | 700 |
| (5) Other sanitary outlay .. .. .. .. .. | 2,800 |
| Total .. | 15,900 |

There is an increase of Rs. 1,900 over the current year's estimate, due to a new scheme which is being tried from December 1885 in the Coimbatore taluk for the clearance of prickly-pear from village-sites by means of a gang of 20 men working under a maistry, who work in selected localities and clear prickly-pear and remove all noxious vegetation and so forth. The scheme will cost Rs. 1,740 a year—

20 men, at 6 rupees each ;
1 maistry from 20 to 25 rupees ; if it succeeds, it will gradually be extended.

39. *Markets.*—The provision under this head has been reduced by over 2,000 rupees. The actual cost of the establishment amounts only to Rs. 6,960 as against Rs. 8,150—*vide* statement relating to markets—and the provision for contingencies has also been reduced to Rs. 1,000 from 2,000, with reference to the actuals of the past years.

40. *Bungalows.*—Rs. 650 is provided against Rs. 760 of the current year. The decrease is due to the transfer of the Hassanúr bungalow to the Forest department as per G.O., No. 56, dated 14th January 1885, Revenue Department, and to the demolition of the Karúr temple bungalow ordered in G.O., No. 341 L.F., dated 20th June 1885.

41. The contribution to "Provincial services" on account of the Medical College is half per cent. on the receipts as per revised estimate, and the provision for lunatics

has been raised by Rs. 500 with reference to the number of lunatics sent up to the asylum from the district during the current year.

42. A provision of Rs. 70 has been made for the first time on account of rewards for killing dogs.

43. *Grant IV.*—The expenditure under Grant IV exceeds the current year's allotment by Rs. 5,290, which is chiefly due to provision of Rs. 5,000 made in the budget for the establishment required for the several taluk boards to be formed under the new Act and for the increase of establishment required at the Collector's and District Board's offices. The details are given in a separate letter.

44. The total expenditure thus arrived at, including a reserve of 10 per cent. of the receipts which amounts to Rs. 25,270, is Rs. 3,52,990, which, deducted from the total receipts of Rs. 3,83,440, leaves a balance of Rs. 30,450, of which the endowment fund balance is Rs. 19,620 and the general Rs. 10,830, which latter is nearly 5 per cent. of the receipts as ordered by G.O., No. 728 L.F., dated 14th September 1885. The whole balance is distributed as follows :—

| —— | District Board. | Coimbatore. | Erode. | Pollachi. | Satyamangalam. | Kollegál. | Total Taluk Boards. | Grand Total. |

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th March 1886, No. 1511.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Coimbatore District Board for 1886-87.

2. *Receipts.*—The educational assets of the district board, including one-sixth land-cess, are estimated at Rs. 45,750 :—

| | RS. |
|---|---|
| One-sixth land-cess .. .. .. .. .. .. .. | 32,920 |
| School fees .. .. .. .. .. .. .. .. | 6,390 |
| Sale of books .. .. .. .. .. .. .. .. | 600 |
| Provincial grant .. .. .. .. .. .. .. .. | 5,840 |
| Total .. | 45,750 |

The board propose to levy no fees in the practising departments of their two normal schools with a view to secure good attendance. I concur with the Inspector in thinking that some fee should be charged, and I would recommend that fees at half the rates prevailing in local primary schools be levied. The estimate under Fees may be raised by Rs. 500, as the new scheme will result in an increased income from fees in the case of board's secondary schools. The estimate under "Provincial grant" may be accepted. There is a slight difference between the amount entered in statement I-A and that shown in statement IV.

3. *Charges.*—The expenditure proposed under Grant II aggregates Rs. 41,060 against Rs. 37,930 in the current year's budget :—

| | 1885-86. | 1886-87. |
|---|---|---|
| | RS. | RS. |
| Inspection .. .. .. .. .. .. | 5,000 | 5,000 |
| Training schools .. .. .. .. .. .. | 5,430 | 5,870 |
| Local Fund schools .. .. .. .. .. .. | 15,450 | 18,390 |
| Results grants .. .. .. .. .. .. | 10,500 | 10,500 |
| Building grants .. .. .. .. .. .. | 500 | 500 |
| Miscellaneous .. .. .. .. .. .. | 1,050 | 800 |
| Total .. | 37,930 | 41,060 |

4. *Inspection.*—The allotment, which is the same as for the current year, will suffice.

5. *Training Schools.*—There is an increase of Rs. 440 in the grant for training schools. The proposals in paragraph 30 of the President's covering letter, which account for the increase, have my approval.

6. *Local Fund Schools.*—The allotment shows an increase of nearly Rs. 3,000. This is due to the proposal of the board to start thirty new schools on the combined system in the course of next year, to entertain a Sanskrit teacher for the Udamalpet high school, to transfer the Polláchi primary school to the control of the district board, and to raise the provision for furniture and apparatus. These proposals have my approval. The combined schools budgeted for are not strictly board schools, but schools *aided* on the combined system, as no fees from these schools are carried to the credit of the board, though the board take credit for grants from Provincial funds for standards above the third. The board have rightly declined to raise the rates of stipends to teachers of the combined schools, as suggested by Mr. Garthwaite.

7. *Results Grants.*—The assignment will not, I am afraid, be quite adequate. It may be raised to Rs. 11,000, the increase, viz., Rs. 500, being met by the additional receipts from fees referred to in paragraph 2 *supra*.

8. The items "Building grants" and "Miscellaneous" call for no remark.

From Deputy Surgeon-General G. BIDIE, M.B., C.I.E., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Madras, 9th March 1886, No. 429.

I have the honor to report, for the information of Government, that the Coimbatore District Board propose to allot a sum of Rs. 15,900 for the sanitary requirements of the district for the year 1886-87 exclusive of Rs. 1,450 for sanitary inspection. This yields a percentage of 24·1 on available income and may be accepted. The allotment will be distributed as follows:—

| | Rs. |
|---|---|
| Improvement of water-supply | 2,000 |
| Do of village-sites | 2,240 |
| Conservancy | 8,160 |
| Fairs and festivals | 700 |
| Other sanitary outlay | 2,800 |
| Total | 15,900 |

2. The vaccination grant amounts to Rs. 10,150, being the same as that for the current year. It may be accepted. The establishment employed appears to be adequate.

---

From M. C. FURNELL, Esq., M.D., F.R.C.S., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 11th March 1886, No. 115.

I have the honor to state that the provision made in Grant III of the budget estimate of the district board of the Coimbatore district for the year 1886-87, for the maintenance of the ten dispensaries including the institution proposed to be opened at Gopichettipalayam, is adequate, and calls for no remarks.

2. *Revised Estimate for* 1885-86.—Excluding debt heads the opening balance exceeded the budget estimate of Rs. 69,360 by Rs. 57,596, owing mainly to short expenditure on public works and sanitation in 1884-85. The current receipts and charges of the year were estimated by the district board at Rs. 2,94,863 and Rs. 3,19,749 respectively against Rs. 2,82,340 and Rs. 3,39,570, the increase of receipts being due for the most part to the under-estimating of the land-cess collections in the budget, and the decrease of charges to the postponement of certain works under Grant I, with reference to G.O., dated 26th May 1885, No. 213 L.F. A sum of Rs. 2,371 is provided under reserve to meet unforeseen charges subsequent to the submission of the revised estimate; but as only Rs. 1,074 of this have since been actually allotted, the figures in columns 5 and 7 of the revised estimate will be raised by this amount and the remainder added to the closing balance, which will thus amount to Rs. 1,03,367.

3. *Budget Estimate for* 1886-87.—Excluding the balance the receipts of the year are estimated at Rs. 2,81,100 against Rs. 2,82,340 in 1885-86. The land-cess is expected to yield Rs. 1,97,540, or 90 per cent. of the demand, against Rs. 1,96,000 in last year's budget. Under Tolls the contribution of Rs. 7,340 expected from municipalities will be raised by Rs. 400 to correspond with the amount provided by the municipal councils. The district board's proposal to allot to taluk funds a moiety of the tolls collected at Local Fund toll-gates is approved; but the municipal contributions will be credited to the district fund according to rule. As recommended by the Director of Public Instruction, the estimate under School fees will be raised by Rs. 500. The attention of the district board will be drawn to the remarks contained in paragraph 2 of his letter.

4. The only new works contemplated are a short length of road for which Rs. 1,000 are provided to meet local subscriptions to the same amount, two minor dispensary buildings, estimated at Rs. 2,000 each, and sundry market improvements costing Rs. 16,000. The allotment for the repair of communications is Rs. 1,46,640 against Rs. 1,23,370 in last year's budget, an increase explained by the President's proposals to maintain twelve additional roads at a cost of Rs. 12,220 and to allot Rs. 11,500 from market funds for the repair of market feeder roads with reference to G.O., dated 28th October 1884, Mis. No. 2488.

5. The proposed educational allotment is Rs. 41,060 against Rs. 37,930 sanctioned for 1885-86 in G.O., dated 20th August 1885, No. 632 L.F. The increase occurs mainly under Normal and Local Fund schools, and is fully explained. It is proposed to entertain an additional teacher on Rs. 15 per mensem for the practising branch of the Coimbatore normal school, and a Sanskrit teacher on Rs. 12 for the Udamalpet high school; to grant four additional stipends for each of the two normal schools at Coimbatore and Karúr; to attach the primary school at Polláchi to the middle school at the same place under the care of the district board; and to open thirty new schools on the combined system. These proposals are sanctioned. The provision of Rs. 5,000 for inspection will be debited to the district fund as required by rule, and the allotment for results grants raised by Rs. 500, as suggested by the Director of Public Instruction.

6. For hospitals and dispensaries the allotment is Rs. 15,930 against Rs. 15,030. The increase is explained by the provision made for the periodical increments to which the medical subordinates become entitled in the course of the year, and for the establishment of a new minor dispensary at Gopichettipalayam. The opening of this dispensary is sanctioned. It is observed that the budget only provides for three-fourths of the salary and allowances of the medical subordinate to be attached to this dispensary. The President should submit a formal application, through the Surgeon-General, for payment of the usual contribution of 25 per cent. from Provincial funds. The proposed revision of the staff of menial servants attached to the several hospitals of the district, as set forth in paragraph 36 of the President's letter, is sanctioned. For medical pupils Rs. 150 are provided, which should be debited to taluk funds. With regard to vaccination, last year's budget grant of Rs. 10,150 is repeated, while for sanitation the allotment is raised from Rs. 14,000 to Rs. 15,900, in order to meet the cost of the establishment employed experimentally in the Coimbatore taluk for the removal of prickly-pear from village sites. The entertainment of this establishment is

sanctioned. The sum of Rs. 3,300 provided as a contribution to the Coimbatore Municipality on account of the dispensary in that town will be reduced to Rs. 3,200 to correspond with the entry in the municipal budget, and will be debited to taluk funds.

7. Under Grant IV increased provision is made on account of the proposed revision of establishments in the offices of the district board and the Collector, and the entertainment of establishments for taluk boards. The estimate for establishments under the Collector and the district board will be reduced to Rs. 1,660 and Rs. 2,300 respectively with reference to G.Os., dated 10th and 27th May 1886, Nos. 514 and 581 L.F.; that for taluk board establishments will be allowed to stand, pending the issue of general orders on the subject. The contribution for controlling establishments at the Presidency will be reduced to Rs. 2,830, the amount paid in 1884-85.

8. Under section 55 of the Act, the district board propose to allot Rs. 79,970 to taluk boards in addition to a moiety of the collections of land-cess and Local Fund tolls. As the ordinary receipts of the taluk boards will suffer diminution in consequence of the foregoing orders, the allotment will be raised to Rs. 86,820, which will be shown as expenditure from the district fund instead of being deducted from the district fund receipts. The budget, as revised by Government, closes with a balance of Rs. 31,640, of which Rs. 6,120, appertaining to the district fund, represent 5 per cent. of estimated receipts, the balance of Rs. 25,520, of which Rs. 19,620 relate to endowed institutions, belonging to taluk funds.

3RD SEPTEMBER 1886, No. 771, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 4th August 1886, No. 1750 :—

*Read*—the following letter from J. B. PENNINGTON, Esq., Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vallam, 9th July 1886, No. 4514 :—

I have the honor to submit the following case for the orders of the Board of Revenue.

2. Two brothers of an undivided family are employed under Government—one as a 1st-class revenue inspector on a monthly salary of Rs. 30 in the Patukóta taluk, and the other as a clerk on Rs. 15 per mensem in the District Munsif's Court at Madura. The total income of these two persons amounts to Rs. 45 per mensem. On a reference made by the Treasury Deputy Collector whether they are liable to the tax, I have answered in the affirmative, because "person" is defined in the Act as including a Hindu undivided family.

3. As the question is one of general importance and of considerable hardship in the case of poorly-paid clerks, I solicit the Board's instructions as to whether my view is correct. If it is, I beg to suggest that the Collector of each district may be directed to obtain a statement from the employés in his district showing the names, salaries, &c., of their other undivided members employed in the same or other districts and communicate with the Collector concerned, in order that no person liable to the tax may escape taxation.

*Resolution*—dated 4th August 1886, No. 1750.

The question is whether, when two persons are undivided and the salary of each is so small as to be exempt, the salaries of both are to be taxed because, being the income of the undivided family to which they belong, they must be added together and are then more than Rs. 500 per annum.

2. Exemption (*j*) in section 5 (1) does not exempt *the undivided family*; but it is not the undivided family which earns the income or is taxed. The tax, in the case of salaries, is imposed under section 7, which provides that "a person" receiving a salary shall be taxed under part I. Now "a person" in this section certainly is not an undivided family and (as regards the case under consideration) can only apply to the individuals making up the family. Hence the Board think that, as each individual is not earning the minimum income liable to taxation, each must be considered exempt.

3. If the opposite view is taken the relationship returns, which the Collector suggests, will be wanted in the case of servants of District Boards, Municipalities and Companies, as well as Government. The Board however, for the reasons given above, do not concur with the Collector in the opinion he has given on the matter.
