GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

20th September 1886, No. 5769.

Transport—Officers.

Read the following paper :—

No. 269. From Major-General O. R. NEWMARCH, Secretary to the Government
of India, Military Department, to the Secretary to the Government of Bombay,
Military Department; dated Simla, 30th August 1886, No. 1535-C.

Transport—Officers.

The attention of the Government of India having been drawn to the Resolu-
tion of the Bombay Government, No. 322, dated the 21st January 1886, in which
it was decided that Royal Engineer Officers of the Imperial List, on proceeding on
furlough to England, can either claim an advance of passage money or a free
regulation passage in a troopship, I am directed to point out, for the information of
the Governor in Council, that this view is not in accordance with the orders
embodied in Article 837, Army Regulations, India, Vol. I, Part I, so far as officers
who elect to receive furlough pay are concerned.

2. The correct interpretation of the article in question is as follows :—

A Royal Engineer Officer who elects to draw English rate of pay of rank
while on furlough is entitled to receive an advance of passage money or
a regulation passage in a troopship; and, if he returns to India, he may
draw the difference between that rate and furlough pay, less the regulated
amount of passage money, irrespective of whether he proceeded in a
troopship or drew passage money.

A Royal Engineer Officer who elects to draw furlough pay may be provided
with a non-regulation passage in a troopship if accommodation is avail-
able; but he cannot claim a regulation passage or an advance of passage
money. If he does not return to India, he is required to refund the
difference between furlough pay and English rate of pay of rank; but he
is entitled to the regulated amount of passage money if he was not
provided with a non-regulation passage when proceeding on furlough. If
he was provided with a non-regulation passage, he would not be entitled
to passage money, but his deductions for messing, made at the non-
regulation rate, would be re-adjusted at the regulation rate.

3. A subaltern officer of Royal Engineers proceeding home on medical certifi-
cate is entitled to a free regulation passage or passage money, whether he draws
furlough pay or English rate of pay of rank.

No. 1535-C.

Copy forwarded to the Secretary to the Government of Madras, Military
Department.

Asst. Secy. to the Govt. of India.
