Read—the following letter from the Executive Engineer, in charge I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 16th January 1886, No. 2077 G.D. :—

I have the honor to submit, herewith, for sanction, four estimates for the Local Fund roads as per margin, received from the Vice President, Local Fund Board, Godávari Circle.

	Rs.
Gravelling road from Paravalli to Khondavalli	6,650
Constructing a road from Rajahmundry through Razole, Kondagutur and Kasavaram	9,000
Gravelling road from Penugonda to Sidhantam and Penugonda branch road	14,200
Gravelling road from Vizeswaram to Paravalli and Nidadavol branch road	25,100

Order—dated 29th January 1886, No. 256 W., Public Works.

The estimates for the undermentioned Local Fund works, in the Godávari district, are sanctioned :—

	Rs.		
Gravelling road from Paravalli to Khondavalli ..	6,650	Local	No. 36 W. of 1885-86.

Local Fund Works in the Godavari District

Estimates for certain —, sanctioned.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Nos. 43 & 44.

ORDER—dated 6th December 1882, No. 3211 W., Public Works.

In Proceedings of Government in the Financial Department, No. 609, dated 22nd March 1880, it was decided that the examination of plans and estimates of such Local Fund Works as might be of too important a character to be left altogether for disposal by the Local Fund Boards should devolve upon the Chief Engineer, who would be aided by an Executive Engineer of the Public Works Department to be attached to his office.

2. All *New Works* estimated to cost Rs. 2,500 and upwards and all *Repairs* estimated to cost upwards of Rs. 10,000, as well as such other works as might require special professional scrutiny, were required to be submitted for examination by the Chief Engineer.

3. To meet the cost of the establishment requisite for undertaking the work thus devolving on the Public Works Department, a contribution from Local Funds of Rs. 21,250 yearly was sanctioned.

4. Temporary arrangements were accordingly made by the Chief Engineer for undertaking the work, and these were sanctioned in Proceedings, No. 918 W., dated 10th April 1880.

5. The arrangements thus approved were, however, objected to by the Government of India, who considered (*vide* paragraph 5 of their letter recorded with G.O., No. 2387 W., dated 16th October 1880) "that the Madras Provincial Establishment should be so organized as to permit the Chief Engineer's Office, or the offices of Superintending Engineers of Circles, to examine all important Local Fund Projects; that for conducting these duties no special allowance should be made to any officer, but a fixed contribution sufficient to cover the services performed should be credited to the source from which such establishment is paid; and that the full contribution of Rs. 21,250 should be accepted, and the duties distributed as the Madras Government may consider desirable."

6. After some correspondence with the Government of India the principle of the proposed arrangements was agreed to, and the decision recorded in G.O., No. 1729 W., dated 14th July 1881, paragraph 10.

7. Since then the details of the scheme have been under consideration, and it has now been finally determined that the work shall be distributed between Superintending Engineers and the Chief Engineer in accordance with the principle of the Public Works Code Rules.

8. All Local Fund Projects therefore requiring in future to be scrutinized by the Public Works Department will in the first instance be sent to the Superintending Engineer of the Circle, who will be authorised to deal finally with the professional details of *New Works* estimated to cost above Rs. 2,500 and up to Rs. 5,000. Those costing above this amount will be sent forward by Superintending Engineers to the

Chief Engineer after undergoing the same examination as ordinary Public Works. All *Repair* estimates above Rs. 10,000 will be dealt with by Superintending Engineers as in the case of Public Works Repairs. Any estimate may however be sent on to the Chief Engineer should either the Superintending Engineer or the Local Fund Board concerned desire the opinion of that officer.

9. To admit of these arrangements being carried into effect, it will be necessary to slightly augment the offices of Superintending Engineers and the Chief Engineer, while improving the position of the senior Clerks in the offices of the former. Extra Draftsmen on a rate of pay superior to that hitherto provided for in the Public Works Department are also allowed. It is very desirable that men of superior attainments should be encouraged to qualify for the position of Draftsmen, and it is hoped that the enhanced rate of pay now sanctioned will act as some inducement.

Should the general standard of efficiency hereafter increase, the Government will be prepared to consider the propriety of still further augmenting the scale of pay in the higher appointments open to men of this class.

10. The following increases are now sanctioned to the offices of Superintending Engineers and the Chief Engineer, Public Works Department, the cost being covered by the contribution of Rs. 21,250 from Local Funds which the Accountant-General will, under orders in the Financial Department, arrange for bringing to account with effect from the current official year:—

Superintending Engineer's Office.

	Rs.	Rs.
(1) Difference between present salary of Head Clerk and that now sanctioned, viz., between 2nd Class, 1st Grade, and 2nd Class, 3rd Grade = 180 — 110 = ...	70	
(2) Difference between present salary of Second Clerk and that now sanctioned, viz., between 2nd Class, 3rd Grade, and 3rd Class, 2nd Grade = 110 — 70 = ...	40

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following G.O., dated 25th August 1884, Mis. No. 1973, Financial :—

Read—the following Proceedings of the Board of Revenue, dated 1st August 1884, Mis. No. 7192 :—

ABSTRACT.—Sanctioning estimate, amounting to Rs. 3,800, for remetalling a portion of Road No. 15 from Kadayam to Ambásamudram; and submitting, for the sanction of Government, that amounting to Rs. 9,800 for remetalling a portion of Road No. 16 from Padmaneri to Panagudi.

Order—dated 25th August 1884, Mis. No. 1973, Financial.

This estimate need not have been forwarded for the sanction of Government, being in the first place within Rs. 10,000, and in the second, for ordinary repairs only. The Board of Revenue will call the attention of the Presidents of Local Fund Boards to the effect of the orders marginally noted.

G.O., 22nd March 1880, No. 609, Financial.

Board of Revenue, 31st October 1884, No. 3724.

PROCEEDINGS OF THE BOARD OF REVENUE.

Read—the following letter from J. LEE-WARNER, Esq., President of the Local Fund Board, Tinnevelly, to the Secretary to the Board of Revenue, dated 21st October 1884, No. 130 :—

In reference to the Board's Proceedings, No. 2670, dated 4th August 1884, I have the honor to request that you will be good enough to let me know whether the order contained in paragraph 2 of the above proceedings as to classing all estimates for remetalling roads under "Repairs" should be given effect to retrospectively, or be brought into force henceforward. If retrospective effect be given, it would cause much confusion in correcting all former sanction of allotments and accounts of former years, as well as past months of the current year.

Resolution—dated 31st October 1884, No. 3724.

The order referred to was not intended to have retrospective effect.
