4TH SEPTEMBER 1886, No. 1120, PENSION.

GOVERNMENT OF MADRAS.  
PENSION DEPARTMENT.

READ—the following papers :—

From the Superintending Engineer, II Circle, dated 1st July 1886.

Certificate and report from D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Under Secretary to Government, Pension Department, dated Madras, 28th July 1886, No. 914 A—R.

Certified that qualifying service in inferior grades has been duly proved for 7 years and 9 months, but that as no medical certificate of incapacity for further service was submitted in support of the application, no retiring allowance of any kind appears admissible.

2. Should Government, however, be pleased to treat the period of the applicant's services from October 1864 to 31st March 1878 as qualifying inferior service on the strength of the remarks of the Executive Engineer on the last page of the application that the service claimed "should be admitted," and are disposed to grant a gratuity without the required medical certificate, then with the sanction of Government of India, an invalid gratuity, not exceeding Rs. (36) thirty-six only, equal to six months' pay, may be granted for a qualifying inferior service of 21 years and 3 months—*vide* sections 106 and 121 (a) of the Civil Pension Code.

3. The calculations have been duly verified. The gratuity, if sanctioned, is chargeable to general (now provincial) revenues.

4. With reference to section 134, rule 4, attention is solicited to section 69 of the Civil Pension Code.

ORDER—dated 4th September 1886, No. 1120, Pension.

This application for a gratuity must be rejected, as the preliminary conditions required by the code have not been fulfilled.

2. The removal of the lascar from his post before he had been certified to be incapacitated for further service was irregular and contrary to rule. The attention of the officer concerned should be drawn to this point.
