5th November 1885, No. 6168.

Accounts—Burma.

Read the following paper :—

No. 44. *From Colonel O. R. NEWMARCH, Officiating Secretary to the Government of India, Military Department, to Lt.-Col. A. KENNEY-HERBERT, Officiating Secretary to the Government of Madras, Military Department; dated Simla, 27th October 1885, No. 553-F.B.*

Accounts—Burma.

I am directed to acquaint you, for the information of His Excellency the Governor in Council, that the following arrangements for the account and audit of all charges connected with the expedition to Upper Burma have been sanctioned by the Government of India.

2. The force will be accompanied by an officer of the Military Accounts Department, with such clerical establishment as may be considered necessary by the Controller of Military Accounts, Madras, who will make all the detailed arrangements necessary for the provision of funds for the payment of the troops, and for supplies and carriage required by the Ordnance, Commissariat and other Departments. The instructions for the guidance of the Field Paymaster will be found in Clause 31, India Army Circulars of 1885.

3. All charges for the pay of Regimental Officers and Troops will be disbursed in accordance with the above-mentioned instructions, and adjusted separately in the military accounts of the Presidency to which they belong. But the charges for the pay of Staff and Departmental Officers, and of all establishments with the force, from the date of leaving India, will be adjusted by the Military Accounts Department, Madras; charges incurred by Departments prior to that date will be adjusted in the accounts of the Presidency concerned.

4. A distinct and complete account should be kept of all extra expenditure, Military and Marine, connected with the employment of the force. The account should embrace all charges arising out of this special service, such as extra batta of troops; the cost of staff, extra transport, and establishment; feeding troops and cattle; commissariat, ordnance, clothing, and medical stores; railway transport; travelling charges of officers, troops and establishments, and contingencies of every kind; in short, all expenditure which, but for the expedition, would not have been incurred.

5. Charges incurred on this account in the Marine, Civil, Public Works, Telegraph, Railway, Postal and other Departments should be debited to the Military Accounts Department, Madras.

6. The whole of this *extra* expenditure will be adjusted in the military accounts as a Military charge in Grant 14 under the heading "Burma Expeditionary Force" in the same way as the *extra* expenditure on account of the Kabul Expedition and Quetta Force was charged.

7. A monthly statement of all such extra charges should be rendered by the Controllers of Military Accounts, Bengal, Madras and Bombay, to the Accountant-General, Military Department, in the form prescribed for the Kabul Campaign.
