READ—the following paper :—

G.O., dated 4th October 1886, Mis. No. 1006 M., Financial.

Read—the following letter from the Chairman, Municipal Council, Cuddalore, dated 31st August 1886, No. 385 :—

I have the honor to forward, herewith, copy of a resolution passed by the Municipal Council at their meeting held on the 24th instant bearing on the subject of constructing a bridge across the Gadilam, and request that the Government will be pleased to consider favorably the application of the Council for undertaking the work from the Provincial funds.

Endorsement on the above.

No. 334.

Submitted to Government with the remark that the reconstruction of the bridge over the Gadilam is a work of the first importance. The bridge is that which connected the railway with the civil station of Cuddalore. In consequence of its destruction in the floods of November and December 1884, cart-traffic is frequently suspended, although a temporary causeway has been constructed. Both sides of the river are within the municipal limits. The District Board is at present unable to render any assistance, being itself dependent upon Provincial grants for the restoration of flood damages.

6th September 1886.

Collector.

ENCLOSURE.

Proceedings of the Municipal Council of Cuddalore passed at a meeting held on the 24th August 1886.

Read again G.O., 5th June 1886, No. 616 L.F., reviewing the Local Fund budget of the South Arcot district for 1886-87.

10. Recorded—the Council observe that the Provincial finances have now improved and avail themselves of this opportunity of appealing to Government to take into consideration the construction of a new bridge across the Gadilam, which is roughly estimated to cost 2 lakhs of rupees—*vide* G.O., 29th January 1885, No. 237 W., Public Works.

The Council regret that their resources are such as will never enable them to contribute towards a structure of this kind.
