PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following letter from the Venerable J. P. BROWNE, Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 17th September 1886, No. 113:—

On the 17th May 1886 by my letter, No. 58, I had the honor of submitting, for the favorable consideration of Government, an estimate, amounting to Rs. 1,500, for extending the cemetery at Negapatam, a work on which there has been correspondence for several years.

By G.O., No. 110, of 8th June 1886, the extension proposed was considered needlessly large, and an estimate for enclosing the portion marked H. F. E. T. on the place was called for.

This estimate, amounting to Rs. 1,200, with report thereon, I have now the honor to forward, with a request that Government will be pleased to take it into favorable and early consideration, as I am advised there is not room in the existing ground for a single new grave.

No. 1663 C.

Approved and transferred to the Public Works Department for disposal.

2. The cost of the wall, as at present estimated for is nearly as much as that in the estimate which has been returned. It was purposely to avoid this low ground that the wall was carried along the road in the first estimate.

3. An extension of the existing cemetery is a matter of urgency, it being stated that there is not room therein for a single new grave.
