Report on the condition of Christian Burial-grounds in the District of South Arcot for the year 1885-86.

Name of cemetery or tomb.	Condition.	Remarks.
1. Church of England Cemetery, Irusappa Chetty Street, Old Town, Cuddalore.	Very good	Use at present.
2. Do. in do. ..	Very clean and in good order.	Closed.
3. Do. in Vannarapoliem, near Fort St. David.	In very good condition.	Closed. The Assistant Collector and Chaplain consider that this burial-ground, in which there is still a considerable space available, might very well be re-opened for the use of the European and East Indian population of New Town, as the distance to the present cemetery at Old Town is considerable.
4. Do. in Sloper's Street, Old Town, Cuddalore.	In good condition as a whole.	Closed. One of the tombstones has fallen down and should be re-erected or placed flat on the ground. The inscription on it is becoming undecipherable. An estimate has been called for.
5. Do. in Gidangal, in Tindivanam taluk.	In very bad order, walls having been swept away and tombs displaced by the heavy floods of November and December 1884.	An estimate for Rs. 130 for repairing the walls, and for restoring the tombs in such a manner only as is consistent with decency, has been sanctioned for execution this year. Site for a new cemetery has been sanctioned by the Board of Revenue, and an estimate for the work, amounting to Rs. 411, has been forwarded to the Venerable the Archdeacon for sanction.
6. Cemetery at Villupuram.	Tombs in fair order. The old walls have fallen down and new ones have to be erected.	An estimate for Rs. 70 has been sanctioned, but the work has not yet been carried out. It will be taken up during the current official year and finished.
7. Dutch burial ground at Porto Novo.	In good condition, but requires some slight repairs.	An estimate has been called for, and the repairs necessary will be executed during 1886-87.
8. Mr. French's cenotaph at Tirukoilur.	In good order.
