GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

2nd October 1886, No. 6151.

India Army Regulations—Medical.

Read the following paper :—

No. 10. *From Major-General O. R. NEWMARCH, Secretary to the Government of India, Military Department, to the Surgeon-General, Her Majesty's Forces, Bengal; dated Simla, 15th September 1886, No. 1708-C.*

India Army Regulations—Medical.

In reply to your letter No. 2295 (Regulations), dated the 15th July 1886, I am directed to forward a copy of the telegrams noted on the margin, and to say that the Government of India approve of the revised Code of Medical Regulations for Her Majesty's Forces in India forming Vol. VI, Army Regulations, India, and of the statement (Appendix B) showing the proposed distribution of the book.

2. I am, however, to invite your attention to the following paragraphs which seem to need revision :—

- (1) *Section II, Para. 68.*—In the margin is entered “appointments to Indian Marine,” while the paragraph relates to the appointment of Hospital Assistants to Native regiments.
- (2) *Section IV (II), Para. 181.*—The appointment of Garrison Surgeon at Fort William having been abolished, this station should be omitted from the list, as well as the whole of para. 183 (a).
- (3) *Section VI, Para. 394.*—Belgaum having been transferred to the Madras Command, should be omitted from the list under Bombay and entered under Madras.
- (4) *Section XII, Para. 1119.*—Belgaum has not been provided for in this paragraph.

3. A few printers' errors have also been noticed. The proof should accordingly be read over carefully once more before being returned to the press to be finally struck off.

4. I am to request that the Government of India may be informed when the book is nearly ready for issue in view to the issue of an Army Circular authorizing its publication.
