20th August 1881, No. 2,063 W.

Read the following papers:—

No. 83. From F. N. THOROWGOOD, Esq., M. INST., C.E., Superintendent of Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 12th August 1881, No. 36 W.

I HAVE the honor to address Government once more on the subject treated of in G.O., No. 1,844 W., of July 27th, 1881, viz., the absence from these works of Mr. G. W. Lowe, in the earnest hope that I may be permitted to retain his services should he perfectly regain his health.

2. Mr. Lowe has performed his duties on these works for six years in a manner that cannot be too highly commended. At any hour of the twenty-four and on any day of the week he has ever done his utmost, with great success, to forward the work; and I cannot do more than refer to my report of his conduct when asking that he might be re-engaged (letter with G.O., No. 1,191 W., May 19th, 1880).

3. Since the date of that letter he has spent another year of hard out-door work on the beach, and although in November 1880 he proceeded on his two months' leave kindly granted by Government in the order above quoted, yet he was unable to avail himself of this rest, for on November 21st two valuable Europeans were lost on the works by drowning, and Mr. Lowe, unasked, immediately returned to Madras and to duty.

4. The order on which I now venture with all respect to address Government sanctions the exact terms of Mr. Lowe's second agreement, and permits me to arrange for appointing another man in his place. At this stage of the work it would be impossible to provide a man who would represent Mr. Lowe, whose six years' experience can only be gained on this special work. It will be much easier for me to carry on the management for a time with my existing staff although more work will fall to all of us, than to instruct a new hand in details so full of peculiarities.

5. I have just learnt from Aden that Mr. Lowe is already greatly improved in health, and as I am confident that I may with justice consider him entitled to some special consideration, I venture to ask that it may rest with Mr. Parkes, under sanction of the Secretary of State, to re-engage Mr. Lowe if, in Mr. Parkes's opinion and that of the Home authorities, he is quite fit to return to duty and willing to do so.

6. There appears to me to be no chance of completing even the North Pier this year, owing to the alterations ordered in the Pier Head, so that Mr. Lowe's services would be of the greatest value to me in case he should be fit to return to duty in November or December, as he is so thoroughly acquainted with the details of the blocks to be used in the Pier Heads. To a new hand this alone would be a troublesome subject to learn.

7. In G.O., No. 907 W., dated 8th April 1880, the Government were so good as to grant to Mr. W. Allen, Foreman Diver, a gratuity of one month's pay. To Mr. T. Carter was given a (G.O., No. 1,058 W., dated 30th April 1880,) free second class passage, to which he had no real claim, as a reward for good service, but to Mr. G. Lowe, whose exertions could not have been surpassed, and who has lost his health in the service of the Government, nothing is given in the final settlement named in the order of July 27th which his agreement does not permit him to claim. The gratuity allowed is only part of his pay, and could be claimed by him as such, for it was a part of the terms on which he was re-engaged.

8. I therefore venture to ask that some special consideration be shown to so good and conscientious a servant of Government, who spared neither health nor time to do his duty; and considering how the two months' leave in 1880 was cut short by his sudden return to work already mentioned, I beg that he may now be allowed *three months' leave* on half pay, and that, as a special reward for his most excellent six years of exposure in a climate which has now knocked up or killed nearly the whole of my out-door staff at one time or another, he may be allowed the *full* gratuity of Rs. 1,000. I am aware that I am asking for a special favor, but I should be wanting in duty if I failed to make this appeal on behalf of such a valuable man as Mr. Lowe.

---

No. 84. ORDER THEREON, 20th August 1881, No. 2,063 W.

UPON the representation made by the Superintendent of the Madras Harbour Works in the letter above recorded, the Governor in Council is pleased to sanction to Mr. Lowe, Foreman of the Works, three months' leave on half pay from date of departure with permission to return to duty, at the end of this period, if he then be in a fit state of health. Mr. Lowe will also be allowed the full gratuity of Rs. 1,000 on the understanding that this, and the free passage to England already sanctioned, are held to satisfy all claims on these accounts under his present engagement.

2. Any further engagement after the expiry of his present agreement will be on distinct conditions.

3. The Secretary of State will be advised accordingly.

Read the following paper :—

No. 31. Despatch from the Most Honorable the Secretary of State for India.

Public Works.
No. 34.

India Office, London,
13th October 1881.

With reference to your Public Works letters Nos. 49 and 53 of the 10th and 20th August 1881, I have to inform Your Excellency that I have granted Mr. G. W. Lowe, Head Foreman on the Madras Harbour Works, one month's leave in addition to that granted him by your Government and have permitted him to return to duty on the same terms as his existing engagement. A copy of his letter to Mr. Parkes is enclosed. The family payment of £10 a month will continue to be made in this country.

Dated 24th September 1881.

2. Copies of letters from Mr. Parkes, dated 6th and 14th ultimo, regarding Mr. Lowe, are sent herewith for your Excellency's information.

I have, &c.,
(Signed) HARTINGTON.

His Excellency the Honorable
The Governor in Council, Fort St. George.

---

From W. PARKES, Esq., C.E., to the Under Secretary of State, India Office, dated 23, Abingdon Street, 6th September 1881.

I have the honor to enclose two G.Os., No. 1844 W. of 27th July and No. 1968 W. of 10th August, and copy of a letter from the Superintendent of the Harbour Works to the Government of Madras on the 12th August, asking for the return to his duties of Mr. Lowe, the principal Foreman of the works. In submitting the question for the orders of the Secretary of State I have to request that an early decision may be made, as Mr. Lowe's arrangements for his return to Madras ought to be made by the middle of this month.

2. I may remind you that Mr. Lowe was originally engaged in 1875 on my recommendation by the Secretary of State on a special agreement for five years, and that his engagement was extended for eighteen months also by special sanction of the Secretary of State in accordance with a reference from the Government of Madras in 1880, and this extended engagement does not terminate till January next. He is entitled to full pay up to the day of his return to England. No provision is made in his original engagement for leave under medical certificate or otherwise, but the terms of the supplementary engagement include a leave of two months, of which, however, he only availed himself to the extent of two or three weeks in November last.

3. Under these circumstances I would respectfully submit that the matter is one to be dealt with by the Secretary of State, independently of the Government of Madras, and on its merits without reference to rules or precedents.

4. I most fully endorse Mr. Thorowgood's reasons for Mr. Lowe's return, if the state of his health permits, of which I believe there is no doubt, but I would especially base my own recommendation on my conviction that Mr. Lowe's services during the ensuing cold season will be far more than an equivalent for his salary. I agree with Mr. Thorowgood that it would be impossible to supply his place. If his services were not available his duties would have to be

divided among the other members of the staff, and they would fall especially heavily on Mr. Thorowgood himself, who after his five years exceptionally arduous duties is, I am persuaded, not in a state to have extra anxiety thrust upon him.

5. I would venture to suggest that the requirements of the case can be met without any departure from the terms of Mr. Lowe's present unexpired engagement. The original proposal (which is the only one of which Mr. Lowe has any knowledge) of *four* months' leave of absence on half-pay, and then a return to duty on the understanding that he shall continue his services at the same rate of pay from month to month as may be required, will meet all the necessities of the case.

6. The recommendations in Mr Thorowgood's last paragraph appear to be based on the supposition of the remainder of Mr. Lowe's engagement being cancelled as proposed by the Government, and are merely a request for more liberal terms, but if the engagement be maintained as I propose those recommendations would have no place.

7. I may add that I have asked Mr. Thorowgood to telegraph to me about the 15th instant whether the state of the works is still such as to demand Mr. Lowe's return, and any arrangement sanctioned by the Secretary of State would be made subject to his affirmative reply, but these arrangements should not be deferred beyond that date.

---

From the same Officer, dated 14th September 1881.

*Madras Harbour.*

I AM informed that the Council have agreed to allow Mr. Lowe to return to Madras, and to permit him to be considered as on sick leave for three months provided he passes a medical examination showing his fitness to return.

I have the honor to enclose herewith a certificate signed by two medical men in Guernsey, where Mr. Lowe is now residing with his family, which will, I hope, fulfil the last named condition. With regard to the time of his leave, however, three months, (instead of the four originally proposed at Madras, and latterly recommended by myself,) I would respectfully submit that there would be some difficulty in strictly complying with it. The three months will expire on the 19th October, and the only steamer which might have carried him to Madras by that date has sailed today. He could overtake it by the Brindisi route, but I think the Government would hardly wish to put him to so heavy an expense for the sake of a strict compliance with their orders. Nor is his return at so early a date urgent. There will be little work done in November, and if he is on the ground by the latter end of that month to assist in the preparations of the resumption of work after the rough weather of the north-east monsoon, I think all the requirements will be met. I would therefore ask that his leave be extended to four months.

---

From Mr. G. W. LOWE, to W. PARKES, Esq., dated 6, St. John's Terrace, Guernsey, 24th September 1881.

IF I am permitted to return to my duties at Madras I shall be willing to extend my services from month to month from the termination of my present agreement in January next at the same rate of pay as heretofore so long as I may be required.

I have the honour to request that from and after the date of remitting to England money from his pay for August, you will take steps to stop the payment in England on behalf of Mr G. W. Lowe, Foreman of the Madras Harbour Works.

2. Mr Lowe has completely broken down in health and has resigned his appointment without giving 6 months notice as he is bound to do.

3. Under these circumstances I think remittances to England should cease after August, I have telegraphed this intelligence to Mr Parkes who will be sure to have communicated it to the India Office.—

I have the honor to be,
Sir,
Your most obedt Servant,

F. W. Harrowgood.
Superintendent,
Madras Harbour Works.
