from Captain W. L. C. Baddeley, R.E.,* regarding

with Enclosure.

29 July 1886.

From
Captain W. L. C. Madely R.E.
to The Under Secretary of State
for India.

Sir,

I have the honor to inform
you that on the 6 January 1885
I left India on 2 years furlough
under the rules of 1868 and have
received pay since I have been
in England at the rate of —
Rs 266.10 per mensem, being the
half of my pay as a Captain
R.E. and 2^d Engineer 4th grade.
P.W.D.

On the 1st January 1885, the scales
of pay in the P.W.D. were revised
and the pay of a 4th grade R-
Engineer drawing unconsolidated
pay was raised to Rs 350.

Under these circumstances
I applied to the Examiner P.W.
Accounts, Madras & requested that

may

my last pay certificate might
be altered, as it appeared to me
that I was entitled to the
half of the increase of Rs 50
attached to my grade, as the
increase had been sanctioned.
From 1st January 1885, whilst
my furlough did not commence
until the 6 January 85. In reply
the Examiner informed me that
as I had given up the charge
of my office and taken
subsidiary leave before the
1st January 1885, I was not
entitled to draw the increased
rate of pay while on furlough.
So far as I can read the
rules it appears to me to
clearly laid down that I
was entitled to half my
military and half my staff
salary at the time of
taking furlough; and as
my furlough dates from 6th
January 1885, and the
alteration in the pay of my
grade was made from the

January, I am unable to see
why the accident of my having
taken subsidiary leave (which
is invariably granted to officers
proceeding on furlough) and
given up charge of my office
before the 1st January should
debar me from drawing the
increase of pay.

I may also add that
as from 1st January to the
6th January I drew Indian
pay, this should have been
calculated at the revised rates
as soon as the new rates of
pay were published, & my last
pay certificate altered
accordingly.

I think my view of the case
to be correct. I beg that I may
be furnished with the necessary
authority for the alteration of
my last pay certificate, but
if the Examiner of Asst. Quarter
is correct I beg that I may
be informed of the rate which
applies to the case.

I am &c
