GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper :—

From S. JACOB, Esq., Secretary, Finance Committee, to the Chief Secretary to the Government of Madras, dated Allahabad, 6th April 1886, No. 19.

I am directed by the committee appointed by the Government of India to examine into expenditure, &c., to request that His Excellency the Governor of Madras in Council will favor the committee with a statement showing (department by department) the amount of travelling allowance drawn or estimated to be drawn for each year from 1879-80 to 1885-86 in the Madras Presidency. The statement should contain particulars below the total for the department wherever such details are available in the accounts or are easily procurable elsewhere. Columns should also be given showing the average charge for the four years from 1879-80 to 1882-83, and the three years from 1883-84 to 1885-86 respectively.

2. I am to request that with the statement an explanatory note may be forwarded, indicating the cause for any material increase which has taken place since the issue of the Travelling Allowance Code, and specially intimating whether any particular change in the rules, whether of the code or the department, is wholly or chiefly accountable for the increase. Whenever it is possible to do so, it should be stated whether the increase is due to an increase in the amount of travelling, or whether the larger amount has been paid for the same amount of travelling as before.

3. The committee trust that His Excellency in Council will favor them with his opinion as to whether any of the concessions made by, or since the issue of, the code are needlessly expensive to Government and should be withdrawn, and whether any other change might be made which would result in a saving to Government under this head of charge.

Order—dated 10th April 1886, No. 319, Financial.

Note

The increase to the temporary establishment under "office" and "Petty" is mainly due to the formation of the following new Divisions:—

Name of Division	Expenditure 1885-86	
	office	Petty
Rushikulya	3610	1218
Godavari Central ...	5213	2519
Gudivada	4318	1298

Besides the above

Office of the Supt: of Works T. M. Scheme:
Increase to the office establishment of the Examiner's office.

W

G. 12.8.86

The enormous increase in the temporary establishment will probably attract the attention of the Finance Committee, especially if they compare the expenditure. In 1882-83 there were 174 temporary hands and the expenditure on works was Rs 5200 14 9. In 1885-86, 823 temporary hands and the expenditure was Rs 6060 9 4.

The tank circle account partly for the large increase in temporary establishment and shows little expenditure on works. The increase on petty and office establishment seems excessive.

You will probably be able to get the figures from the Pros. sanctioning lists of temporary estabts. for each circle. But if there is likely to be any delay in compiling the information in our office, please apply to C.E. office for it by urgent office note.

The statement should show the 174 temporary hands of 1882-83, distributed by divisions, under the six heads given at the end of Cs letter by G.W. - & the 823 temy. estabs of 1885-86 distributed by divisions in the same way -

If any permanent divisions are responsible for a material part of the increase, the Gos sanctioning the temy. estabt should be put up - so that we may get at the reasons for the increase.

The employment of temy. men in temy. divisions will require no explanation -

Kindly send up required statements with the least possible delay -
